Northeast Asian Regionalism Christopher M. Dent, David W. F. Huang, 2002-03-28 Examines both actual and potential developments in North East Asian regionalism from various levels and fields of analysis considering cooperative and integrative structures and processes Particular reference is made to the contemporary experience of Europe which provides important models of cooperation and integration in both the government and

Political Economy of Northeast Asian Regionalism Jehoon Park, 2008-01-01 Functional integration in the economy has developed sufficiently in Northeast Asia This study proposes a Northeast Asian version of the regional integration model It suggests a crisis model and a political leadership model with political leadership playing a critical role in utilizing crises to advance regional integration

Securitization of Human Rights Mikyoung Kim, 2012-02-24 This important book focuses on North Korean refugee human rights issues a topic largely ignored in favor of addressing North Korea's domestic politics and deterrence of Pyongyang's nuclear threat The first book of its kind Securitization of Human Rights North Korean Refugees in East Asia examines the complex problem of what to do with North Korea specifically regarding human rights issues and treatment of North Korean refugees The book spotlights four key countries China Japan South Korea and the United States with regard to their policy stance towards North Korean human rights issues analyzing the dynamic tension between realpolitik and moral principle by looking at the regional governments' responses Rather than focusing only on politics and foreign policy this book is about the people involved describing the plight of North Korean refugees the perspective of South Korean citizens and the quandary facing power elites in the regional governments

Cultural Studies and Cultural Industries in Northeast Asia Chris Berry, Nicola Liscutin, Jonathan D. Mackintosh, 2009-05-01 These timely essays highlight regional cross fertilization in music film new media and popular culture in Northeast Asia including analysis of gender and labor issues amid differing regulatory frameworks and public policy concerning cultural production and piracy

The Survival of North Korea Suk Hi Kim, Terence Roehrig, Bernhard Seliger, 2011-08-24 Since the end of the Cold War scholars and analysts have been predicting the collapse of the communist regime in North Korea Yet despite a deteriorating economy characterized by declining industrial output outdated technology and difficulty feeding its people the country has been able to persist and continues to plod along How has North Korea been able to survive and how long can it last without significant change to its economic and political structures How can we peacefully resolve the North Korean nuclear standoff through constructive dialogue This book examines North Korea's survival strategy and offers practical solutions to a 50 year nuclear standoff through a series of essays written by 15 of the world's foremost scholars and leading experts on strategy economics and international relations It is essential reading for anyone interested in peace in Northeast Asia and will be

invaluable in helping policy makers diplomats politicians researchers and other North Korea watchers to understand three closely related issues about North Korea 1 why North Korea will continue to survive 2 how the United States and North Korea can build a mutual confidence and 3 why a dialogue is the only viable way to resolve the North Korea problem peacefully European Dream and Reluctant Integration in the 21st Century Hungdah Su (許幸姬),2020-10-01 To avoid a repeat of those nationalist nightmares a common European Dream emerged after WWII which has since developed into some essential doctrines of European integration This dream inspired institutionalist context has framed intergovernmental bargaining sectoral spillovers and transnational cooperation in European integration The powerful European Dream has even encouraged Europeans toward closer integration though they were quite often very reluctant to go further This dream driven approach and reluctant runner s model have highlighted some fundamental realities of European integration extremely inspiring for the future of the EU and the ongoing Asian regionalism This book consists of three parts and thirteen chapters It aims to explain European integration the EU s role in global governance and the EU s impact upon Asian regionalism with the help of the European Dream approach and reluctant runners model Trump s unilateralism the rising tensions between the US and PRC and the COVID 19 pandemic may be a turning point for world politics Both globalization and global governance have consequently slowed down giving place to regionalism and inter regionalism This book hopes to contribute to the rising debate over European integration Asian regionalism and EU Asian inter regionalism **New Regionalism and the European Union** Alex Warleigh-Lack,Nick Robinson,Ben Rosamond,2011-06-01 The debates on regionalism have been polarized between European Union EU scholars and non EU scholars with the assumption being that regionalism within the EU and other regions of the world are quite distinct with little to be learnt from dialogue with each other This book challenges such assumptions and calls for a genuine debate between scholars of regionalism This book demonstrates that more can and needs to be learned about regional integration all over the world through comparison and reflection on specific regional trends Beginning with a theoretically driven introduction leading experts in the field are brought together to offer a series of case studies on regional integration within Latin America Africa Asia North America and Europe In Part III the authors investigate the links between the EU and selected other regional organisations and processes exploring the dynamics through which these interregional relations are developing and the implications they have for the study of contemporary regionalism regionalisation both inside and beyond the continent of Europe The conclusions set out a challenging research agenda for comparative studies in the field Addressing one of the under explored aspects of EU studies the EU s coexistence with other pan continental regional organisations in the European continent this book will be of interest to students and scholars of regionalism IPE European Studies and international politics *East Asian Regionalism* Christopher M. Dent,2016-06-02 East Asia is one of the world s most dynamic and diverse regions and is also becoming an increasingly coherent region through the inter play of various integrative economic political and socio cultural processes Fully updated

Indonesia and the ASEAN Free Trade Agreement Alexander C. Chandra, 2008-01-01 Chandra provides a political economic analysis of the dynamic relationship between ASEAN economic integration and Indonesian nationalism This book is suitable for those interested in contemporary Southeast Asian affairs

Region-building Ludger Kühnhardt, 2010-07-01 After two centuries of nation building the world has entered an era of region building in search of political stability cultural cohesion and socio economic development Nations involved in the regional structures and integration schemes that are emerging in most regions of the world are deepening their ambitions with Europe s integration experience often used as an experimental template or theoretical model Volume I provides a political analytical framework for recognizing the central role of the European Union not only as a conceptual model but also a normative engine in the global proliferation of regional integration It also gives a comprehensive treatment of the focus motives and objectives of non European integration efforts Volume II offers a unique collection of documents that give the best available overview of the legal and political evolution of region building based on official documents and stated objectives of the relevant regional groupings across all continents Together these volumes are important contributions for understanding the evolution of global affairs in an age when power shifts provide new challenges and opportunities for transatlantic partners and the world community

International Economic Integration and Asia Michael G. Plummer, Erik Jones, 2006 Regional economic integration has become a key force in international commercial policy in the 2000s Europe has traditionally embraced regionalism the United States became actively involved in preferential trading arrangements only in the 1980s While Asia has been late in accepting formal regional economic integration accords all Asian countries are now in the process of creating various free trade areas and other forms of economic integration programs and some are already in place This volume analyzes the regionalism trend from an Asian perspective It considers the lessons from and the economic implications of various economic integration programs in the OECD mostly the EU but also NAFTA as well as the proposals for closer

economic integration in the region itself Chapters deal with both real and financial integration issues **IBSS: Political Science: 2002 Vol.51** Compiled by the British Library of Political and Economic Science,2004-03-01 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world s most expert librarians and academics Breadth today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage the IBSS reviews scholarship published in over 30 languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French Place your standing order now for the 2002 volumes of the the IBSS Anthropology 2002 Vol 48 December 2002 234x156 0 415 32634 6 u195 00 Economics 2002 Vol 51 December 2002 234x156 0 415 32635 4 u195 0 0 Political Science 2002 Vol 51 December 2002 234x156 0 415 32636 2 u195 00 Sociology 2002 Vol 52 December 2002 234x156 0 415 32637 0 u195 00 *International Bibliography of Political Science* British Library of Political and Economic Science,2003-10-23 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **Pride, Not Prejudice** Eunbin Chung,2022-02-28 As shown by China s relationship to Japan and Japan s relationship to South Korea even growing regional economic interdependencies are not enough to overcome bitter memories grounded in earlier wars invasions and periods of colonial domination Although efforts to ease historical animosity have been made few have proven to be successful in Northeast Asia In previous research scholars anticipated an improvement in relations through thick economic interdependence or increased societal contact In economic terms however Japan and China already trade heavily Japan has emerged as China s largest trading partner and China as second largest to Japan Societal contact is already intense as millions of Chinese Koreans and Japanese visit one another s countries annually as students tourists and on business trips But these developments have not alleviated international distrust and negative perception or resolved disagreement on what constitutes adequate reparation regarding the countries painful history Noticing clashes of strong nationalisms around the world in areas like Northeast Asia numerous studies have suggested that more peaceful relations are likely only if countries submerge or paper over existing national identities by promoting universalism Pride Not Prejudice argues to the contrary that affirmation of national identities may be a more effective way to build international cooperation If each national population reflects on the values of their national identity trust and positive perception can increase between countries This idea is consistent with the theoretical foundation that those who have a clear secure and content sense of self in turn can be more open evenhanded and less defensive toward

others In addition this reduced defensiveness also enhances guilt admission by past inflictors of conflict and colonialism Eunbin Chung borrows the social psychological theory of self affirmation and applies it to an international context to argue that affirmation of a national identity or reflecting on what it means to be part of one's country can increase trust guilt recognition and positive perception between countries

Uncharted Strait Richard C. Bush, 2013-01-29 Focuses on cross Strait relations during Ma Ying jeou's first term assessing the impact of stabilization on economics politics and security and the implications for resolution of Taiwan and China's fundamental dispute Examines how Taiwan can strengthen itself how China can promote a mutually acceptable outcome and how Washington can protect its interests in South Asia Provided by publisher
