Merchant Vessels of the United States... United States. Coast Guard, 1976 **The Northern Lights** Lucy Jago, 2007-12-18 Science biography and arctic exploration coverage in this extraordinary true story of the life and work of Norwegian scientist Kristian Birkeland the troubled genius who solved the mysteries of one of nature's most spectacular displays Captivated by the otherworldly lights of the aurora borealis Birkeland embarked on a lifelong quest to discover their cause His pursuit took him to some of the most forbidding landscapes on earth from the remote snowcapped mountains of Norway to the war torn deserts of Africa In the face of rebuke by the scientific establishment sabotage by a jealous rival and his own battles with depression and paranoia Birkeland remained steadfast Although ultimately vindicated his theories were unheralded and his hopes for the Nobel Prize scuttled at the time of his suspicious death in 1917 *The Northern Lights* offers a brilliant account of the physics behind the aurora borealis and a rare look inside the mind of one of history's most visionary scientists [Under the Northern Lights](#) Alan Sullivan, 1926 **The ... Northern Light Roy MacGregor, 2011-09-06 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARD FOR NON FICTION Roy MacGregor's lifelong fascination with Tom Thomson first led him to write *Canoe Lake* a novel inspired by a distant relative's affair with one of Canada's greatest painters Now MacGregor breaks new ground re-examining the mysteries of Thomson's life loves and violent death in the definitive non-fiction account Why does a man who died almost a century ago and painted relatively little still have such a grip on our imagination The eccentric spinster Winnie Trainor was a fixture of Roy MacGregor's childhood in Huntsville Ontario She was considered too odd to be a truly romantic figure in the eyes of the town but the locals knew that Canada's most famous painter had once been in love with her and that she had never gotten over his untimely death She kept some paintings he gave her in a six quart basket she'd leave with the neighbours on her rare trips out of town and in the summers she'd make the trip from her family cottage where Thomson used to stay on foot to the graveyard up the hill where fans of the artist occasionally left bouquets There she would clear away the flowers After all as far as anyone knew he wasn't there she had arranged at his family's request for him to be exhumed and moved to a cemetery near Owen Sound As Roy MacGregor's richly detailed *Northern Light* reveals not much is as it seems when it comes to Tom Thomson the most iconic of Canadian painters Philandering deadbeat or visionary artist and gentleman victim of accidental drowning or deliberate murder the man's myth has grown to obscure the real view and the answers to the mysteries are finally revealed in these pages [Live Stock Journal](#), 1906 [The WPA Guide to Massachusetts](#) Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's

shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state s unique flavor Featuring one of the most historically rich regions of America the WPA Guide to Massachusetts is an excellent comprehensive guide to the Bay State Focusing on urban Boston also known as the Cradle of Liberty and including rural Plymouth this guide features a comprehensive tour scheme to engage tourists and residents alike

The Hanging of Old Brown Gregory Toledo,2002-07-30 Captured by United States Marines at Harper s Ferry Virginia a fifty nine year old farmer was quickly brought to trial in nearby Charlestown and convicted of three capital crimes treason against the Commonwealth of Virginia conspiring with slaves to rebel and murder In a field on the outskirts of town he was hanged before fifteen hundred soldiers Colonel Robert E Lee Professor Thomas J Jackson and John Wilkes Booth stood watching The Hanging of Old Brown attempts to remove the veils that separate the contemporary observer from an understanding of the events and the convictions that brought John Brown to a Virginia scaffold ready to die Brown struggled to find redemption for himself and his nation His war on slavery and eventual execution would reap the whirlwinds that would herald the destruction of slavery Beginning with events of 1776 Toledo provides the historical context of John Brown s war enabling readers to approach this abolitionist visionary with a better understanding of the period that defined him Toledo hopes to dispel notions that Brown was a mere fanatic or deranged militant This work invites readers to become acquainted with a man who is in the end both flawed and heroic always deliberate and ultimately triumphant

Merchant Vessels of the United States ... (including Yachts) ,1952 **John Brown, 1800-1859** Oswald Garrison Villard,1910 The present volume is inspired by a belief that fifty years after the Harper s Ferry tragedy the time is ripe for a study of John Brown free from bias from the errors in taste and fact of the mere panegyrist and from the blind prejudice of those who can see in John Brown nothing but a criminal The pages that follow were written to detract from or champion no man or set of men but to put forth the essential truths of history as far as ascertainable and to judge Brown his followers and associates in the light thereof Adapted from the preface
