Not By Politics Alone The Enduring Influence Of The Christian Right

Preston Shires

Not By Politics Alone The Enduring Influence Of The Christian Right:

Not by Politics Alone Sara Diamond, 2000-01-01 In this incisive work Sara Diamond expands our understanding of the Christian Right beyond what is commonly known about its electoral clout shedding light on the rarely seen boundaries and intersections where politics and culture converge The book examines the web of grassroots cultural institutions including publishing houses law firms broadcast stations and church centered community programs that have helped conservative evangelical groups maintain their influence for over two decades Highlighting the movement's complex alliance with the Republican Party Diamond provides a rare behind the scenes look at the formation organizing strategies and heated internal debates of such powerful national organizations as Focus on the Family and the Christian Coalition She offers a richly textured analysis of how the rubric of family values has been used to infuse evangelical beliefs into local and national discussions around such disparate issues as childrearing gay rights abortion public education and funding for the arts

Hippies of the Religious Right Preston Shires, 2007 This volume demonstrates that the Christian Right has a surprising past Historical analysis reveals that the countercultural movements and evangelicalism share a common heritage Shires warns that political operatives in both parties need to heed this fact if they hope to either in the case of the Republican Party retain their evangelical constituency or in the case of the Democratic Party recruit new evangelical voters

A ^AFeminist in the White House Doreen J. Mattingly, 2016-04-29 Midge Costanza was one of the unlikeliest of White House insiders But for a time during the seventies this loud mouthed pushy little broad with no college education was a prominent focal point of the American culture wars In this book Doreen J Mattingly draws on Costanza's life to tell a wider but heretofore neglected story of the hopeful yet fraught era of gender politics in late 70s Washington a history that is not just important to US women's and presidential history but which continues to resonate in politics today Race in the Age

of Obama Donald Cunnigen, Marino A. Bruce, 2010-12-17 Looks at the impact of the key sociological issues faced by the new Obama Administration and explores conventional topics on race and ethnic relations as well as delving into fresh areas of intellectual inquiry regarding the changing scope of race relations in a global context This title examines the 2008 Presidential Election

Suing for America's Soul R. Jonathan Moore, 2007-06-25 When John W Whitehead founded The Rutherford Institute as a Christian legal advocacy group in 1982 he was interested primarily in the First Amendment's religion clause serving clients only when religious freedom was at stake By the mid 1990s however religious rights were but one subset of all the freedoms that he saw threatened by an invasive government In *Suing for America's Soul* R Jonathan Moore examines the foundation and subsequent practices of The Rutherford Institute helping to explain the rise of conservative Christian legal advocacy groups in recent decades Moore exposes the effects good and bad that such legal activism has had on the evangelical Protestant community Thought provoking and astute *Suing for America's Soul* opens a revealing window onto evangelical Protestantism at large in late twentieth century America **Pat Robertson** David John

Marley, 2007 A portrait of the 700 Club host and co founder of the Christian Coalition considers his role as a reviled figure in the secular world and a formidable role model among Christian fundamentalists in a profile that lauds his achievements while questioning some of his decisions **Encyclopedia of Gender and Society** Jodi O'Brien, 2009 Provides timely comparative analysis from internationally known contributors **On the Side of the Angels** Nancy L. Rosenblum, 2010-07-12 Political parties are the defining institutions of representative democracy and the darlings of political science Their governing and electoral functions are among the chief concerns of the field Yet most political theorists including democratic theorists ignore or disparage parties as grubby arenas of ambition obstacles to meaningful political participation and deliberation On the Side of the Angels is a vigorous defense of the virtues of parties and partisanship and their worth as a subject for political theory Nancy Rosenblum's account moves between political theory and political science and she uses resources from both fields to outline an appreciation of parties and the moral distinctiveness of partisanship She draws from the history of political thought and identifies the main lines of opposition to parties as well as the rare but significant moments of appreciation Rosenblum then sets forth her own theoretical appreciation of parties and partisanship She discusses the achievement of parties in regulating rivalries channeling political energies and creating the lines of division that make pluralist politics meaningful She defends partisan as a political identity over the much vaunted status of independent and she considers where contemporary democracies should draw the line in banning parties On the Side of the Angels offers an ethics of partisanship that speaks to questions of centrism extremism and polarization in American party politics By rescuing parties from their status as orphans of political philosophy Rosenblum fills a significant void in political and democratic theory **Native Americans and the Christian Right** Andrea Smith, 2008-04 Argues that previous accounts of religious and political activism in the Native American community fail to account for the variety of positions held by this community *Holy Terrors, Second Edition* Bruce Lincoln, 2010-03-15 It is tempting to regard the perpetrators of the September 11th terrorist attacks as evil incarnate But their motives as Bruce Lincoln's acclaimed *Holy Terrors* makes clear were profoundly and intensely religious Thus what we need after the events of 9/11 Lincoln argues is greater clarity about what we take religion to be *Holy Terrors* begins with a gripping dissection of the instruction manual given to each of the 9/11 hijackers In their evocation of passages from the Quran we learn how the terrorists justified acts of destruction and mass murder in the name of God the most merciful the most compassionate Lincoln then offers a provocative comparison of President Bush's October 7, 2001 speech announcing U.S. military action in Afghanistan alongside the videotaped speech released by Osama bin Laden just a few hours later As Lincoln authoritatively demonstrates a close analysis of the rhetoric used by leaders as different as George W. Bush and Osama bin Laden as well as Mohamed Atta and even Jerry Falwell betrays startling similarities These commonalities have considerable implications for our understanding of religion and its interrelationships with politics and culture in a postcolonial world implications that Lincoln draws out with skill and sensitivity With a chapter new to this edition

Theses on Religion and Violence Holy Terrors remains one of the essential books on September 11 and a classic study on the character of religion Modernity has ended twice in its Marxist form in 1989 Berlin and in its liberal form on September 11 2001 In order to understand such major historical changes we need both large scale and focused analyses a combination seldom to be found in one volume But here Bruce Lincoln has given us just such a mix of discrete and large picture analysis Stephen Healey Christian Century From time to time there appears a work that serves to focus the wide ranging often contentious discussion of religion s significance within broader cultural dynamics Bruce Lincoln s Holy Terrors is one such text Anyone still struggling toward a more nuanced comprehension of 9 11 would do well to spend time with this book Theodore Pulcini Middle East Journal Politics of Fear Manuel G. Gonzales, Richard Delgado, 2015-12-03 Lucidly written widely informed and uncompromisingly honest a valuable expose Michael Parenti Documents the stunning success of a network of wealthy donors and corporations in creating and sustaining a set of think tanks legal action groups and media strategies Gary Orfield Harvard University What explains the electoral success of Republicans particularly of the ascendant neoconservatives who now dominate the Party Based on a thorough and up to date examination of the New Right over twenty five years The Politics of Fear proposes some provocative answers including globalization new technologies and a far reaching network of right wing think tanks and foundations As the authors show all have opened the doors to a new politics of fear successfully waged by the neoconservatives By manipulating insecurity the New Right has created an extraordinarily successful populist conservative movement Utilizing extensive documentation the authors argue convincingly that the fear of immigrants and racial minorities has served as the most effective tactic in the GOP arsenal while their approach also implicates gays feminists and terrorists The book explains why Americans have willingly supported a party that promises them security just as it delivers greater economic and political insecurity The authors argue that despite their striking political successes neoconservatives have delivered to voters a set of policies harmful to working Americans in the way of regressive tax measures military exploits tort reform deregulation and environmental destruction **Delirium** Nancy L. Cohen, 2012-09-01 Perhaps if the Pill had never been invented American politics would be very different today Nancy L. Cohen writes in her prescient new book Delirium The Politics of Sex in America The 2012 election was supposed to be about the economy but over the last few months it turned into a debate about sex and women s rights In Delirium Cohen takes us on a gripping journey through the confounding and mysterious episodes of our recent politics to explain how we and why we got to this place Along the way she explores such topics as why Bill Clinton was impeached over a private sexual affair how George W. Bush won the presidency by stealth why Hillary lost to Obama why John McCain chose Sarah Palin to be his running mate and what the 2012 presidential contest tells us about America today She exposes the surprising role of right wing women in undermining women s rights as well as explains how liberal men were complicit in letting it happen Cohen uncovers the hidden history of an orchestrated well financed ideologically powered shadow movement to turn back the clock

on matters of gender equality and sexual freedom and how it has played a leading role in fueling America's political wars. Delirium tells the story of this shadow movement and how we can restore common sense and sanity in our nation's politics.

The Radical Mind Chelsea Ebin, 2024-08-11 The Radical Mind is a groundbreaking analysis of the origins of the Christian Right whose political victories are radically reshaping the landscape of American society. Scholars and the public alike have traditionally regarded the New Right and the Christian Right as separate movements. The New Right is supposedly a secular right wing operation with purely political goals while the Christian Right is an evangelical Protestant movement largely motivated by religious convictions. Insofar as both are conservative efforts, most people view them as reactionary and driven by a culture war backlash against liberal changes to society. Chelsea Ebin's The Radical Mind aims to overturn this consensus. Through a close analysis of New Right architects Connaught Marshner and Paul Weyrich, who is often seen as secular but was a committed Catholic, this book explores the way conservative Catholics and Protestants overcame their long standing antipathy to form a political coalition, what Ebin calls the New Christian Right. Drawing on extensive archival research, Ebin shows how the movement's key architects infused right wing activism with religion. Rather than working to conserve the past, this book argues that the New Christian Right is fundamentally a forward looking and proactive movement focused on remaking the political landscape in the United States. The radical aims of the New Christian Right have been obscured by the way they cultivated a shared identity of victimhood and manipulated the discourse about backlash to create a nostalgic idea of the past that they then leveraged to justify their right wing policy goals. The Catholic Protestant alliance constructed an imagined past that they projected into the future as their ideal vision of society. Ebin calls this strategy prefigurative traditionalism, a paradoxical prefiguring of a manufactured past. Using this tactic, the New Christian Right coalition disguised the radicality of its politics by framing their aims as reactionary and defensive rather than proactive and offensive. An interdisciplinary work informed by the fields of history, religious studies, public law, and American politics, The Radical Mind offers a new and convincing explanation for the recent gains of the Christian Right and the morally supercharged political landscape we face today.

Toward a Civil Discourse Sharon Crowley, 2006-04-02 Toward a Civil Discourse examines how in the current political climate Americans find it difficult to discuss civic issues frankly and openly with one another. Because America is dominated by two powerful discourses, liberalism and Christian fundamentalism, each of which paints a very different picture of America and its citizens' responsibilities toward their country, there is little common ground and hence Americans avoid disagreement for fear of giving offence. Sharon Crowley considers the ancient art of rhetoric as a solution to the problems of repetition and condemnation that pervade American public discourse. Crowley recalls the historic rhetorical concept of stasis, where advocates in a debate agree upon the point on which they disagree, thereby recognizing their opponent as a person with a viable position or belief. Most contemporary arguments do not reach stasis, and without it, Crowley states, a nonviolent resolution cannot occur. Toward a Civil Discourse investigates the cultural

factors that lead to the formation of beliefs and how beliefs can develop into densely articulated systems and political activism Crowley asserts that rhetorical invention which includes appeals to values and the passions is superior in some cases to liberal argument which often limits its appeals to empirical fact and reasoning in mediating disagreements where participants are primarily motivated by a moral or passionate commitment to beliefs Sharon Crowley examines numerous current issues and opposing views and discusses the consequences to society when more often than not argumentative exchange does not occur She underscores the urgency of developing a civil discourse and through a review of historic rhetoric and its modern application provides a foundation for such a discourse whose ultimate goal in the tradition of the ancients is democratic discussion of civic issues

Coming Out Republican Neil J. Young, 2024-04-03 A revelatory and comprehensive history of the gay Right from incisive political commentator Neil J Young One of the most maligned misunderstood and even mocked constituencies in American politics gay Republicans regularly face condemnation from both the LGBTQ community and their own political party Yet they've been active and influential for decades Gay conservatives were instrumental for example in ending Don't Ask Don't Tell and securing the legalization of same sex marriage but they also helped lay the groundwork for the rise of Donald Trump In **Coming Out Republican** political historian and commentator Neil J Young provides the first comprehensive history of the gay Right From the 1950s up to the present day Young excavates the multifarious origins motivations and evolutions of LGBTQ people who found their way to the institutions and networks of modern conservatism Many on the gay Right have championed conservative values like free markets a strong national defense and individual liberty and believed that the Republican Party therefore offered LGBTQ people the best pathway to freedom Meanwhile that same party has actively and repeatedly demonized them With his precise and provocative voice Young details the complicated dynamics of being in and yet never fully accepted into the Republican Party **Coming Out Republican** provides striking insight into who LGBTQ conservatives are what they want and why many of them continue to align with a party whose rank and file largely seem to hate them As the Republican Party renews its assaults on LGBTQ rights understanding the significant history of the gay Right has never been more critical

Religion and Politics in the United States Kenneth D. Wald, Allison Calhoun-Brown, 2007 **Religion and Politics in the United States** Fifth Edition offers a comprehensive account of the role of religious ideas institutions and communities in American public life While maintaining that religion is too politically potent to be left out or consigned to the margins in accounts of American politics Wald and Calhoun Brown also argue against the common tendency to treat religion as the dominant force in politics today Early topics include the nature and persistence of religion in the United States its contribution to the Founding and the continuing debate over the role of religion in government and law Following a discussion of how religious factors encourage political action the book concludes by discussing basic political attitudes and behavior among members of mainstream American religious traditions and minority religious communities defined by ethnicity race gender and sexual orientation The new edition

greatly expands coverage of various religious minorities with a new chapter on politics and religion among African Americans Latinos Muslim Americans Latter Day Saints Mormons and other faith traditions There is larger focus on how religion influences the politics of local communities *The Pro-Life Pregnancy Help Movement* Laura S. Hussey,2020-02-03 There is more to the pro life movement than campaigning against abortion That at least is the logic behind a large and growing network of pro life pregnancy centers offering help to pregnant women As these centers face increasing scrutiny this book offers the first social scientific study of the pro life pregnancy help movement The work being performed at pro life pregnancy centers maternity homes and other charitable agencies is Laura S Hussey suggests distinguished by several strategic features it is directed at non state targets operates in largely privatized venues employs service provision as its primary tactic and aims to address causes popularly associated with its countermovement such as women s including poor women s wellbeing and empowerment The motives and nature of the services such pregnancy centers deliver have become the subjects of competing political narratives but until now very little empirical research A rich mixed method study including data from two original national surveys and extensive interviews Hussey s book adjudicates these opposing views even as it provides a measured look at the identity work history and impact of pro life pregnancy centers and related service providers as well as their relations with the larger American antiabortion movement To what extent is pro life pregnancy help work primarily geared to serving women versus saving babies Pursued in these pages the answer has broad implications for the wider study of social action and the pro life movement and for the future of the American abortion conflict **Caught in the Crossfire** Lawrence Grossberg,2015-12-03 Caught in the Crossfire reveals how the United States has been gradually changing from a society that celebrates childhood into one that is hostile to and afraid of its own children Today kids are often seen as a threat to our social and moral values In schools some behavior is criminalized and growing numbers of kids find themselves in penal and psychiatric confinement This breakdown is often too readily attributed to bad parenting the crisis of the family or the greed of capitalism Grossberg offers a new and original understanding of the changes transforming contemporary America and of the choices Americans face about their future He documents the relations between economic ideologies and economic realities and explores what is going on in the culture wars as well as on the Internet and other new media Caught in the Crossfire argues that all of these changes and tn struggles including those involving the state of kids only make sense as integral parts of a larger transformation to define America s uniqueness and to develop its own sense of modern culture Part of the Cultural Politics and the Promise of Democracy Series *American Evangelicalism* Darren Dochuk,Thomas S. Kidd,Kurt W. Peterson,2014-10-15 No living scholar has shaped the study of American religious history more profoundly than George M Marsden His work spans U S intellectual cultural and religious history from the seventeenth through the twenty first centuries This collection of essays uses the career of George M Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage

fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present. Moving through five sections each centered around one of Marsden's major books and the time period it represents, the volume explores different methodologies and approaches to the history of evangelicalism and American religion. Besides assessing Marsden's illustrious works on their own terms, this collection's contributors isolate several key themes as deserving of fresh rigorous and extensive examination. Through their close investigation of these particular themes, they expand the range of characters and communities, issues and ideas, and contingencies that can and should be accounted for in our historical texts. Marsden's timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past.

The Populist Radical Right Cas Mudde, 2016-10-04

The populist radical right is one of the most studied political phenomena in the social sciences, counting hundreds of books and thousands of articles. This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies. It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field, which makes them less time specific. The reader is organized in six thematic sections: 1. ideology and issues, 2. parties, organizations, and subcultures, 3. leaders, members, and voters, 4. causes, 5. consequences, and 6. responses. Each section features a short introduction by the editor, which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings. The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments, most notably the Greek economic crisis and the refugee crisis, and suggests avenues for future research.

Not By Politics Alone The Enduring Influence Of The Christian Right Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Not By Politics Alone The Enduring Influence Of The Christian Right free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Not By Politics Alone The Enduring Influence Of The Christian Right free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Not By Politics Alone The Enduring Influence Of The Christian Right free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Not By Politics Alone The Enduring Influence Of The Christian Right. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Not By Politics Alone The Enduring Influence Of The Christian Right any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Not By Politics Alone The Enduring Influence Of The Christian Right Books

What is a Not By Politics Alone The Enduring Influence Of The Christian Right PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Not By Politics Alone The Enduring Influence Of The Christian Right PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Not By Politics Alone The Enduring Influence Of The Christian Right PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Not By Politics Alone The Enduring Influence Of The Christian Right PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Not By Politics Alone The Enduring Influence Of The Christian Right PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
