[Push Back the Dark](#) Elizabeth M. Altmaier, 2017-01-09 Adults in your church, small group, or other Christian organization are silently suffering the tragic consequences of having been sexually abused as children or youth. Why aren't they coming forward for help? Their reluctance may be related to wounds given by the faithful religious people they trusted who said things like, "well, it wasn't rape" or "it's been thirty years, why is this such a big deal?" Such responses from people with religious authority deepen victims' need to shrink into anxiety, depression, and self-degradation. This book offers you the tools needed to undertake caring ministry to adults suffering in the aftermath of childhood sexual abuse. Once you understand the scientific research on such topics as trauma, memory, consequences of abuse, and forgiveness, you will appreciate how caring collaboration can create hope and healing. In these pages, every reader will find helpful content that will take you from feeling out of your depth to knowing you are empowered to be an effective companion in God's transforming work in the lives of survivors of abuse. *From Pain to Power* Mary Ellen Mann, 2015-09-22 Sexual violation was not your choice, but recovery is. As a survivor of sexual trauma, you've likely experienced feelings of shame and confusion and weakening of your faith and trust. It may feel like no one understands. And each day you're simply trying to survive. But the reality is you are meant for much more than survival. You are born with the right to use the pain as a point of power and reclaim what was taken without permission: your true identity. Author Mary Ellen Mann understands. She's been there. In *From Pain to Power*, she weaves personal story and years of research and counseling experience to provide comfort and respect, biblical insight, guided imagery, and self-care strategies. She will help you regain your power, safety, and sense of self. Go to battle as a Princess Warrior. Learn to trust your gut instinct again. Protect yourself from further assault. Reconcile your faith in God who understands your doubt and anger. Mary Ellen Mann stands in your corner as you restore and honor your rightful femininity, find your voice of reason, and choose to live a legacy-filled life. Includes tips and resources for spouses, parents, ministry leaders, and advocates who want to help survivors of sexual assault. [The Seven Deadly Friendships](#) Mary E.
