Not Without Scars Shirley Lamarr:

Not Without Scars Jim Dekker, 2015-11-30 Recovering from a drug addiction is a tremendous feat Overcoming a drug habit and starting an innovative dependency program for prisoners within the San Mateo County California judicial system is nothing short of miraculous Shirley LaMarr has accomplished these things and more in her sixty seven years of life The cofounder of the Choices program as well as the founder of Mz Shirlez Transitional Housing Centre she might appear to be just another pleasant woman on her way to a church social but more than likely she s on her way to jail to help the inmates Not Without Scars The Story of Shirley LaMarr is the remarkable true story of one woman s journey from a life of drug addiction living on the streets crime and prostitution to establishing a life changing drug program that helps addicts become contributing members of society In the vein of *Tweak Growing Up on Methamphetamines* by Nic Sheff *Not Without Scars* goes far beyond the usual redemption story The details of her early life are nothing short of shocking By all rights she should be dead But the profoundly uplifting and inspirational second half of her life is marked by an intense mission to help others
