for users Windows 10 a free update to users of Windows 8 or Windows 7 fixes a number of the problems introduced by the revolution in Windows 8 and offers plenty of new features along such as the new Spartan web browser Cortana voice activated personal assistant new universal apps that run on tablet phone and computer and more But to really get the most out of the new operating system you re going to need a guide Thankfully Windows 10 The Missing Manual will be there to help Like its predecessors this book from the founder of Yahoo Tech previous New York Times columnist bestselling author and Missing Manuals creator David Pogue illuminates its subject with technical insight plenty of wit and hardnosed objectivity for beginners veteran standalone PC users new tablet owners and those who know their way around a network

**Needy Media** Stephen Monteiro,2025-10-16 What makes our portable networked personal media devices smartphones tablets smartwatches so irresistible Reacting to our touch voice or gaze seizing and keeping our attention with sounds vibrations and screen prompts these objects construct an animated intimacy that builds trust and emotional dependence Needy Media explores how features such as face recognition awareness sensors and touchscreens have developed and intersected tying them to key concepts of psychology language and the body Surveying products and practices across a half century Stephen Monteiro argues that the appeal is as much about how media devices behave as it is about the information they convey Monteiro traces a symbiotic overreliance a neediness between users and devices fostered by personalized aspects of digital materiality The physical and emotional bonds that emerge he argues not only cast our devices as loyal companions adaptable to our needs and idiosyncrasies they also facilitate the corporate harvesting of massive amounts of personal data in the name of making technology more friendly intuitive and individualized Raising important questions about privacy and power Needy Media seeks answers in the complex and sensitive relationship between interface and body a coupling that makes the networked object both an essential psychological presence and a lingering concern for our sense of self

Windows 8: The Missing Manual David Pogue,2013-02-27 With Windows 8 Microsoft completely reimagined the graphical user interface for its operating system and designed it to run on tablets as well as PCs It s a big change that calls for a trustworthy guide Windows 8 The Missing Manual New York Times columnist David Pogue provides technical insight lots of wit and hardnosed objectivity to help you hit the ground running with Microsoft s new OS This jargon free book explains Windows 8 features so clearly revealing which work well and which don t that it should have been in the box in the first place
