Ehrenfeld, 2011-12-04 Increasingly physicians are leveraging their medical training and expertise to pursue careers in non traditional arenas Their goals are diverse Explore consulting as a way to improve patient care Lay the foundation for a career in academic medicine Provide leadership in healthcare Strengthen ties between a clinic and the community Broaden one s experience as a medical student As a journalist or writer open a window onto medicine for non experts Some physicians will pursue another degree while others may not in anticipation of moving into public service business education law or organized medicine Their common ground is the desire to enhance their professional fulfillment Drs Urman and Ehrenfeld s book features individual chapters on the wide array of non traditional careers for physicians each one written by an outstanding leader in medicine who him or herself has successfully forged a unique career path A final chapter brings together fascinating brief profiles case studies of physicians who have distinguished themselves professionally outside of traditional settings Suitable for readers at any point in their medical career practitioners fellows residents and medical students who want to explore possibilities beyond traditional medical practice the book also sets out common sense advice on topics such as work life balance mentorship and the relationship between personality and job satisfaction Opportunities and Options in Medical Careers Ruth Chambers, Kay Mohanna, Steve Field, 2000 Medics need well informed careers advice information guidance and counselling throughout their careers and not just while they are students or newly qualified doctors The material in this book meets the needs of those wanting to gain insight into their own career development as well as those helping medical colleagues with their careers A range of available options are explored from entry requirements through higher specialist training parallel medical careers and part time alternatives It covers regulations for overseas medics and recent changes in GP training It is clear concise and fully referenced containing tips practical exercises and further reading Case histories of doctors in 30 medical specialties illustrate opportunities and show how desired outcomes can be achieved It is an essential resource for anyone in medicine considering a career change and individuals in a position to help other doctors with career development **The Essential Guide to Becoming a Doctor** Adrian Blundell, Richard Harrison, Benjamin W. Turney, 2009-04-08 An informative guide for anyone contemplating a career in medicine Up to date essential information for a wide group of schoolleavers Covers getting to medical school being there and lifethereafter Written by newly qualified doctors who lecture on medical careers *Modernising Medical Careers* Great Britain. Parliament. House of Commons. Health Committee, 2008 The Modernising Medical Careers MMC programme of work was established in 2003 to address difficulties in poor training and indifferent career prospects experienced by some doctors at Senior House Officer SHO level and by many of those in Staff Grade and Associate Specialist SAS posts A new Foundation programme was introduced in 2005 the Specialty Training system was reformed and the SHO grade scrapped in 2007 As a

result of inadequate preparation during the implementation of the reforms in 2007 the MMC programme plunged into crisis The new centralised recruitment system the Medical Training Application Service MTAS proved highly unpopular with both candidates and assessors A major inquiry led by Sir John Tooke examined the 2007 crisis and called both for major changes to the structure of training and for the creation of a new body NHS Medical Education England to oversee medical education The Committee's investigation finds that a divided and inappropriate governance structure flawed project and risk management and poor communication with junior doctors were the most serious failings Co ordination between the Department of Health and the Home Office on restricting medical migration was inadequate These practical shortcomings were responsible for some of the direct causes of the 2007 crisis including the defective application form and other aspects of the short listing process the unsafe computer system and the failure to limit the number of applications from overseas doctors The leadership shown by the Department of Health was inadequate The Chief Medical Officer chose not to take on a clear leadership role and thus did not accept responsibility for the 2007 crisis The Committee makes a number of recommendations for change and improvement to achieve a more flexible training system and calls on the Department to address policy issues relating to the wider medical workforce

Non Medical Career Options: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Non Medical Career Options : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
