*Left Behind: Separating Fact from Fiction* Gary DeMar, 2009 End Times Fiction Gary DeMar, 2001-11-06 Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye's Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a

simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society

**Sex Worker and Pig Struggle for Liberation** Alpha Lamb, This story is about two minorities struggling for liberation from human bondage Sex Worker better known as Prostitute is often described as the world s oldest profession or among the oldest Sadly for herself if not for all others she has been persecuted from pre history ever since She may have been tolerated as an exception but never widely accepted Does society owe her the obligation of rescue from fallen slavery or should she be deterred from practising her trade by stiff punishment in order to maintain the hygiene of the social fabric What does she think and does it matter what she thinks The story begins with a girl forced into prostitution by destitution until she fights back together with her fellow sister mates against inherent frustration cruelty and prejudice Her argument is that she has an inalienable human right to dispose her body and sex in private in whichever way she desires especially when such disposal is essential to earn a living The imposition of public morality as her personal responsibility is what she cannot accept and endure But it is more than that since she is also in the other minority She is a Pig an itinerant animal dominated no shorter and no less by human civilization than what has been suffered by Prostitute It is a moot point whether Prostitute or Animal has suffered more or considered more despicable Presumably Animal could have it easier since they are supposed to be of the lower order with no intelligence whatsoever until the relatively recent advent of animal right Perhaps Animal should be grateful to human civilization for survival and multiplication too whereas Prostitute can always be found in human survival The story brings up the coincidence of Prostitute Struggle and Pig Struggle initially each on its own until reaching the stage when each finds the need to join force and cause though a common front is anything but a smooth ride The first public confrontation against the establishment as can be expected proves to serve not much more than a learning curve However the seed once buried and unburied would be allowed time and space to take root Nourished non stop by where they come from the denizens of the joint struggle will not waver or lose hope for an eventual outcome The author does not pretend to be entirely on their side morally Take the story as a science fiction if you like Whether it will come to pass is a matter of opinion

[The Truth Behind Left Behind](#) Mark Hitchcock, Thomas Ice, 2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind's biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series

**Left Behind Or Left Befuddled** Gordon L. Isaac, 2008 The extraordinary success of the Left Behind series by Tim LaHaye and Jerry Jenkins shows that their action adventure novels have tapped into the American psyche It has revived our fascination with vivid images of the book of Revelation and other biblical texts the Antichrist the mysterious number 666 and people suddenly raptured into the sky by God But is there something dangerous behind the thinking in these books and how they play out in our world

today In *Left Behind* or *Left Befuddled* Gordon Isaac takes the reader inside the theology behind the series In clear and accessible prose Isaac answers many important questions that Christians have about the phenomenon that is *Left Behind* Is this Vision of the end times really biblical Why do people have such a powerful response to it What are alternative ways to think about the end times How do the books view Catholics and other Christians What does this Vision of things mean for Israel and the Jewish people How can we counter the myths proposed in the series as fact Gordon Isaac is the Berkshire Associate Professor of Advent Christian Studies in the church history department at Gordon Conwell Theological Seminary in Massachusetts He is also an ordained Advent Christian minister who has served a number of congregations

*The Left Behind Fantasy* William Powell Tuck, 2010-02-18 The popular *Left Behind* series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the *Left Behind* books critiquing them in the light of genuine biblical scholarship and common sense

*Who Will Be Left Behind and When?* Dave Bussard, 2002-02 In this book *Who Will Be Left Behind and When* Dave Bussard takes us back to the Bible to examine what it teaches on the end times and the rapture of the Church Written in an easy to read style the title critically examines the teaching of the pretribulation theory of the rapture that is the foundation of the *Left Behind* series Bussard explores the books of Daniel Matthew 1 and 2 Thessalonians and Revelation and builds a solid case for the timing of the rapture This is far from another dry book on eschatology Rather it is a wake up call to believers to examine what they believe and to realize the vital importance of our understanding of Christ's return A proper understanding of the return of Christ affects not only our present spiritual walk but will have profound consequences for those who will face the final days of this age

***Left Behind and Loving It*** D. Mark Davis, 2011-08-15 *Left Behind and Loving It* is a cheeky critique of popular writings about the end times Rather than presenting a steroid buffed Jesus wrapped in an American flag and coming again in clouds of gunfire *Left Behind and Loving It* invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that God's steadfast love endures forever Rather than asserting a hope premised on a few chosen ones escaping the world *Left Behind and Loving It* argues that if it is Jesus who is to return and not his evil twin then the second coming has redemption written all over it Many today cannot accept the escapist violent end of the world scenario envisioned by *Left Behind* theology *Left Behind and Loving It* invites readers not to fear but to trust in God's steadfast love and look at the finitude of the world with hope in an infinitely loving God

*Rapture Exposed* Barbara R. Rossing, 2005-07-06 The author a professor of theology and ordained minister argues that Revelation does not predict a seven year tribulation nor a rapture of Christians Rather it offers a vision of God s healing love for the world

*Reading Revelation After Supersessionism* Ralph J. Korner, 2020-11-11 In this volume Ralph Korner argues that John s extensive social identification with Judaism s Jewishness and Jewish institutions does not reflect a literary program of replacing Israel with the ekkl sia churches assemblies that is the Jewish and non Jewish followers of Jesus as Israel s Messiah Rather John is emplacing his Christ followers further within Israel without thereby superseding Israel as a national identity for ethnic Jews who do not follow Jesus as the Christos There are three primary roads travelled in this investigative journey First Korner explores ways in which a Jewish heritage is intrinsic to the literary structure genre eschatology symbolism and theological motifs of the Apocalypse Second he challenges the linear chronology of generally supersessionist dispensational readings of Revelation s visionary content by arguing for a reiterative repetitive structure based on certain literary devices that also provide structure for visions within Jewish apocalypses and Hebrew prophecies Third he incorporates the most recent research on ekkl sia usage especially in Asia Minor to assess how John s ekkl sia associations might have been non supersessionally perceived especially by Jews in Roman Asia

*Consciousness of God Book 2* Bob Harding, 2010-12-29 In the frozen wastelands of Gelidus one man s despair gradually turns to realisation A realisation that wrongs must be righted A realisation of an unspoken capability within A realisation that all that was believed lost may not be so

*The Genesis Revelation* Daniel Kelly, 2017-09-26 I believe and I am sure that Jesus is the Christ the Son of the living God I know that he is coming back again to receive us unto himself but he wants you to be a part of his family So then if you believe in the Bible this book is for you if you believe in Jesus this book is for you if you want to be a part of his family this book is for you if the call of God is on your life this book is for you and if you want eternal life this book is for you I pen these words by the leading of the Holy Spirit who dwells within me I would encourage you to read and determine whether or not this is of God or just vain imagination and I pray that you will be able to understand this mystery If you wish or you are led to send a review an encouraging word or a testimony you can send it to e mail [genrev2212@gmail.com](mailto:genrev2212@gmail.com) which is short for Genesis 22 12 which states And he said Lay not thine hand upon the lad neither do thou anything unto him for now I know that thou fearest God seeing thou hast not withheld thy son thine only son from me This is an indication of how we are to serve God wholeheartedly Revelation 22 12 which states And behold I come quickly and my reward is with me to give everyman according as his work shall be And this is the promise of sure reward for such wholehearted service At God s mail Come This tells of the message sent from God to the sinful world and the invitation given for man to repent and be a part of his kingdom because the end of all things is at hand I hope that these words will bless your heart and will cause you to glorify his name Amen
