Blindness by Design Robert Day, 2018-05-18 America has a serious problem in having Donald Trump as a national leader a problem that far too many Americans are refusing to acknowledge Choosing to close our eyes to the disturbing realities of the Trump presidency will not make them go away Whether in regard to his personal improprieties or in the incessant rhetoric from the White House Donald Trump is simply incapable of being honest His consuming narcissism prevents him from admitting to obvious missteps and refusal to do so leads to what this book labels chain dishonesty Yet in Trumpism there is always a clear purpose in concealing the truth hence the term blindness by design

Struggling for One America Daphne Barak, Erbil Gunasti, 2021-07-13 What happens when you speak with Hollywood stars and entertainers half pro Trump and half against posing the question Can we talk Since the 2016 presidential campaigns Conservatives Liberals Democrats Republicans Whites and non Whites in America began saying loudly that they are Fighting for America Yet by the 2020 presidential elections they were even more divided than united despite all the good intention of the most Now that America is well into 2021 it is time to yearn for One America but without fighting But here is the caveat To achieve One America the Trump Phenomena must first be understood Next Discrimination and Racism in America must be re-visited After that Cancel Culture and No No Rhetoric must be handled promptly and sensitively Finally Hollywood must first embrace MeToo Movement and then come up with a long term strategy Filmmakers

of the Trump vs Hollywood documentary Daphne Barak and Erbil Gunasti brought on board twenty four Hollywood stars and entertainers in a documentary to discuss these topics Half were chosen among pro Trump and half against Daphne interviewed both sides posing the question Can We Talk Struggling For One America stands as the genesis of this documentary This book in that respect points at the presumptive and pretended Culprits and Scapegoats in the current divide while focusing on what is obvious The two White Houses are standing tall in plain sight and a step further on the wrong direction from this moment on would be nothing less than repeating history
