Reading is enhanced with more than 50 video clips from the classroom and covers ways to practically apply the Science of Reading. The book describes the often overlooked role of fluency in reading comprehension even into the high school years, the profound importance of managing and socializing attention in an age of technology, the central role of background knowledge in understanding text, and the doubly important role of teaching vocabulary as a form of knowledge. It adds a discussion of how writing can make students better readers and how important it is that reading classes focus on reading actual books, great ones ideally. And it closes with a discussion of close reading and the challenge of preparing students to rise to the challenge of complex text.

Inside the book: An innovative approach to building and reinforcing background knowledge in reading. Over 50 video demonstrations of effective teaching techniques. Sample lesson plans and materials for immediate classroom application. The Teach Like a Champion Guide to the Science of Reading is essential for educators, literacy coaches, and administrators who aim to foster rigorous literacy instruction in their classrooms and schools. This guide shows you how to implement techniques that ensure students find joy in reading and become better, wiser, more engaged, and more motivated readers both in their classrooms and in their lives beyond.

Jacob's Ladder Reading Comprehension Program William & Mary Center for Gifted Education, 2021-09-03. The Jacob's Ladder Reading Comprehension Program targets reading comprehension skills in high ability learners by moving students through an inquiry process from basic understanding to critical analyses of texts using a field-tested method developed by the Center for Gifted Education at William Mary. Students in grade 3 will learn to comprehend and analyze any reading passage after completing the activities in Jacob's Ladder Grade 3, 2nd ed, previously published as Level 1. Research conducted by the Center for Gifted Education with Title 1 students demonstrated that the Jacob's Ladder Reading Comprehension Program delivers results related to improved reading comprehension, increased critical thinking, and an enhanced interest in reading. Using skill ladders connected to short stories, poetry, essays, and nonfiction, students move from lower-order concrete thinking skills to higher-order critical thinking skills. The ladders include multiple skills necessary for academic success, covering language arts standards such as sequencing, determining cause and effect, classifying, inferencing, and recognizing main ideas. The second edition of the book builds off the previous Level 1 edition, including new readings and ladders for student use. This book provides teachers with an explanation of the nature of supplementary tasks that scaffold reading comprehension. Also included is an overview of the goals and objectives of the Jacob's Ladder tasks and suggestions for implementation, giving every teacher the tools needed to promote successful reading comprehension.

Optional Student Workbook Packs: In addition to this teacher's guide, companion student workbooks are available for Poetry, Short Stories, and Nonfiction. The student workbooks feature ample room for student responses and notes, make reviewing and providing feedback on student work easier than ever, provide students with an easy-to-use reference to use during discussions, and save time as there is no need to reproduce student handouts.

Grade 3 Non-fiction, Grades 6 - 8, 2012-10-22. The book includes engaging articles to

stimulate and hold the interest of students who are reading below grade level Lower reading levels are achieved through the use of controlled vocabulary simple sentence structure and clear illustrations The questions and activity sheets are designed to improve the reading comprehension skills of remedial readers The articles and activities can be used as part of a teacher directed lesson or assigned as independent work **Go Facts** Leone Stumbaum, Katrin Cornell, 2006 **Successful**
