<https://lilinmanissatu.blogspot.com/?read=0470358041> | get [PDF] Download Nonprofit Governance: Law, Practices, and Trends | Nonprofit GovernanceLaw, Practices & TrendsGovernance seems to be the subject that is perched atop every nonprofit lawyer's worry/wish list, despite the fact that there is not much law on the point, particularly at the federal level. This ascension in importance is largely due to the various organizations propounding best practices and principles for public charities and other forms of nonprofit organizations, the IRS's redesigned Form 990, the agency's aggressive push of certain good governance principles in the tax-exempt organizations' setting, and scandals brought to light by the Senate Finance Committee staff. Stemming from the authors' endless hours of meditating over the new Form 990 and sifting through the many (and often inconsistent) best practices principles, Nonprofit Governance fills the need for some cohesion in the realm of nonprofit governance by providing in-depth coverage and explanations of the laws, practices, and trends in this volatile area. An invaluable resource for nonprofit executives, officers, directors, nonprofit lawyers, accountants, members of boards of directors, and consultants, legal experts Bruce R. Hopkins and Virginia Gross's Nonprofit Governance brims with detailed documentation and references to regulations, rulings, cases, and tax literature (which includes current articles and tax law review notes). Here, readers will find a wealth of clarifying information on: Federal and state law fundamentalsBoard member responsibilities and liabilityNonprofit governance principlesNonprofit governance issuesApplication of the private benefit doctrineGovernance and the redesigned Form 990Recommended policies and proceduresGovernance case studiesGovernance legal auditA law primer for nonprofit board membersAnd much moreThe book includes an exhaustive index, Internal Revenue Code citations and numerous case studies, tips, forms, and checklists to round out the authoritative coverage. Nonprofit Governance is an indispensable guide to, and through, all of the governance policymaking that is unfolding, to improve the management of nonprofit organizations as well as to help organizations be in compliance with nonprofit governance law.
