Northern Ireland The Reluctant Peace:

Northern Ireland Feargal Cochrane, 2021-03-02 The complete history of Northern Ireland from the Irish Civil War to Brexit A wonderful book beautifully written Informative and incisive Irish Times After two decades of relative peace following the Good Friday Agreement of 1998 the Brexit referendum in 2016 reopened the Northern Ireland question In this thoughtful and engaging book Feargal Cochrane considers the region's troubled history from the struggle for Irish independence in the nineteenth century to the present New chapters explain the reasons for the suspension of devolved government at Stormont in 2017 and its restoration in 2020 as well as the consequences for Northern Ireland of Britain's decision to leave the European Union Providing a complete account of the province's hundred year history this book is essential reading to understand the present dimensions of the Northern Irish conflict

Northern Ireland Feargal Cochrane, 2013 In this thoughtful and engaging book Feargal Cochrane looks at Northern Ireland's Troubles from the late 1960s to the present day He explains why a decade and a half after the peace process ended in political agreement in 1998 sectarian attitudes and violence continue to plague Northern Ireland today Former members of the IRA now sit alongside their unionist adversaries in the Northern Ireland Assembly but the region's attitudes have been slow to change and recent years have even seen an upsurge in violence on both sides In this book Cochrane who grew up a Catholic in Belfast in the 70s and 80s explores how divisions between Catholics and Protestants became so entrenched and reviews the thirty years of political violence in Northern Ireland which killed over 3 500 people leading up to the peace agreement The book asks whether the peace process has actually delivered for the citizens of Northern Ireland and what more needs to be done to enhance the current reluctant peace Publisher's website Refugees and Forced Displacement in Northern Ireland's Troubles Niall

Gilmartin, Brendan Ciarán Browne, 2022-10-15 Though forced displacement constituted a central and pervasive feature of the Northern Ireland Troubles effecting tens of thousands of citizens remarkably it has been afforded little more than a footnote or fleeting reference in most accounts of the conflict This book seeks to end the silence surrounding this neglected and ubiquitous aspect of the conflict Based on 88 in depth qualitative interviews with victims and survivors and extensive secondary research this fascinating study provides the first comprehensive examination of forced displacement in Northern Ireland The analysis presented captures the unique perspectives of those forcibly uprooted over the course of the 30 year conflict and places on historical record their stories and experiences This thought provoking work challenges and broadens prevailing understandings of conflict related violence harm and loss in Northern Ireland to demonstrate the centrality of forced movement territory and demographics to the roots and subsequent trajectory of the Troubles In doing so it shows that to fully understand the eruption and outplaying of the Troubles and its elusive peace engagement with and understanding of the legacy of forced displacement is crucial

Northern Ireland Feargal Cochrane, 2021-03-09 The complete history of Northern Ireland from the Irish Civil War to Brexit A wonderful book beautifully written Informative and incisive Irish Times

After two decades of relative peace following the Good Friday Agreement of 1998 the Brexit referendum in 2016 reopened the Northern Ireland question In this thoughtful and engaging book Feargal Cochrane considers the region s troubled history from the struggle for Irish independence in the nineteenth century to the present New chapters explain the reasons for the suspension of devolved government at Stormont in 2017 and its restoration in 2020 as well as the consequences for Northern Ireland of Britain s decision to leave the European Union Providing a complete account of the province s hundred year history this book is essential reading to understand the present dimensions of the Northern Irish conflict *Breaking peace* Feargal Cochrane,2020-09-17 In 2021 Northern Ireland will commemorate its centenary but Brexit more than any other event in that 100 year history has jeopardised its very existence Events since 2016 have complicated political relationships within Northern Ireland and further destabilised the devolved institutions established in the wake of the 1998 Good Friday Agreement Feargal Cochrane s urgent analysis argues that Brexit is breaking peace in Northern Ireland making it the most significant event since Partition Endless negotiations and uncertainty have brought contested identities back to the forefront of political debate Always so much more than a line on a map the border has become an existential marker of identity as well as a reminder of the dark days of violent conflict This insightful book explores how and why the Brexit negotiations have been so destabilising for politics in Northern Ireland opening the door to a violent past **The Routledge Handbook of the Northern Ireland Conflict and Peace** Laura McAtackney,Máirtín Ó Catháin,2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity **Ending the Troubles** John M. Burney,Andrew J. Auge,2024-10-29 In June 1996 the British government convened multiparty talks trying to establish peace within Northern Ireland after thirty years of bloody civil war based on religious cultural political and economic tensions known as The Troubles The talks

included political parties from the two factions central to the conflict Unionists largely Protestants committed to retaining Northern Ireland within the United Kingdom and Nationalists largely Catholics committed to the reunification of Northern Ireland with the independent Republic of Ireland Fundamental questions on national identity and democracy quickly turned these proceedings into faction bickering thus failing to produce any substantive progress The emergence of new leaders in 1997 Tony Blair prime minister of Great Britain and Bertie Ahern taoiseach in the Republic of Ireland created an opportunity for reenergizing the talks chaired by the former US senator George Mitchell with all parties making a concerted effort to reach a viable resolution among Nationalists and Unionists In the game students will represent the major parties in Northern Ireland as they reconvene at the multiparty talks in 1997 to find ways to reconcile two competing visions of Northern Irish nationalism or at least find a way for each community to tolerate one another s participation in a common constitutional arrangement Much is at stake for another failure could lead to a full resumption of the civil war

Female Combatants after Armed Struggle Niall Gilmartin, 2018-12-07 This book stems from a simple feminist curiosity that can be succinctly summed up into a single question what happens to combatant women after the war Based on in depth interviews with 40 research participants mostly former combatants within the Irish Republican Army IRA this book offers a critical exploration of republican women and conflict transition in the North of Ireland Drawing on the feminist theory of a continuum of violence this book finds that the dichotomous separation of war and peace within conventional approaches represents a gendered fiction Despite undertaking wartime roles that were empowering agentic and subversive this book finds that the post conflict moment as experienced by female combatants represents not peace and security but a continuity of gender discrimination violence injustice and insecurity The experiences and perspectives contained in this book challenge the discursive deployment of terms such as post conflict peace and security and moreover shed light on the many forms of post war activism undertaken by combatant women in pursuit of peace equality and security The book represents an important intervention in the field of gender political violence and peace and more specifically female combatants and conflict transition It is analytically significant in its exploration of the ways in which gender operates within non state military movements emerging from conflict and will be of interest to students and scholars alike

Belfast Feargal Cochrane, 2023-09-12 A lively and inviting history of Belfast exploring the highs and lows of a resilient city Modern Belfast is a beautiful city with a vibrant tradition of radicalism industry architectural innovation and cultural achievement But the city s many qualities are all too frequently overlooked its image marred by association with the political violence of the Troubles Feargal Cochrane tells the story of his home city revealing a rich and complex history which is not solely defined by these conflicts From its emergence as a maritime port to its heyday as a center for the linen industry and crucible of liberal radicalism in the late eighteenth century through to the famous shipyards where the Titanic was built Belfast has long been a hub of innovation Cochrane s book offers a new perspective on this fascinating story demonstrating how religion culture and politics have shaped the way

people think act and vote in the city and how Belfast's past continues to shape its present and future **Mediating Power-Sharing** Feargal Cochrane, Neophytos Loizides, Thibaud Bodson, 2018-01-12 This book focuses on the design and operation of power sharing in deeply divided societies Beyond this starting point it seeks to examine the different ways in which consociational institutions emerge from negotiations and peace settlements across three counter intuitive cases post Brexit referendum Northern Ireland the Brussels Capital Region and Cyprus Across each of the chapters the analysis assesses how the design or mediation of these various forms of power sharing demonstrate similarity difference and complexity in how consociationalism has been conceived of and operated within each of these contexts Finally a key objective of the book is to explore and evaluate how ideas surrounding power sharing have evolved and changed incrementally within each of the empirical contexts The unifying argument within the book is that power sharing has to have the capacity to adapt to changing political circumstances and that this can be achieved through the interplay of formal and informal micro level refinements to these institutions and the procedures that govern them that allow such institutions to evolve over time in ways that increase their utility as conflict transformation governance structures for deeply divided societies This book fills the gap in the published literature between theoretical and empirical studies of power sharing and will be of much interest to students of peace and conflict studies consociationalism European politics and IR in general **International Public Relations** Ian Somerville, Owen Hargie, Maureen Taylor, Margalit Toledano, 2016-08-12 Pioneering empirical research on the role of PR in extremely challenging situations Truly global perspectives encourages the analysis of PR from the margins Challenge what some scholars view as the US hegemony in PR and contributes to the theoretical development of the discipline Redefines the role of public relations in society by emphasizing its potential contribution to peace building conflict resolution and empowering civil society **The Backward Glance** Kevin Haddick-Flynn, 2022-02-15 The Backward Glance A Miscellany of Irish History Politics Sean South and the Border War Northern Ireland and the Snares of History The First Irish Republicans Orangeism Ireland's Second Tradition Parnell The Rebel Prince Davitt the Fenians and the Land War The Third Home Rule Bill and the Ulster Crisis Gladstone and the Cloud in the West Sarsfield Limerick's Hero Dan Breen and the IRA O Duffy and the Blueshirts Kickham An Unrepentant Fenian Captain Boycott saves his Harvest Revisiting The Glorious and Immortal Memory How Keynes got to Kinnegad What really happened at Soloheadbeg There are individual articles on The Manchester Martyrs Robert Emmet James Dillon Sean Lemass and Charles Haughey Cultural themes include The Abbey and the Genius of the Irish Theatre MacLimmoir and the Gate John Millington Synge The Man and his Achievement Samuel Beckett and The Absurd Lecky Historian and Liberal Unionist John Pentland Mahaffy Provost and Wit The Story of London's Irish Club The Limerick Pogrom 1904 Bernard Canavan Artist Trinity College 300 Years On *Everyday Social Justice and Citizenship* Ann Marie Mealey, Pam Jarvis, Jonathan Doherty, Jan Fook, 2017-10-20 Social justice is a concept which is widely touted and lauded as desirable yet its meaning may differ depending on whether its focus is on the underlying values of

social justice the more specific objectives these entail or the actual practices or policies which aim to achieve social justice In the current global political context we need to re examine what we mean by social justice and demonstrate that making a difference and contributing to human flourishing is more achievable than this context would suggest The book aims to increase our sense of being able to enact social justice by showcasing different ways of contributing to social justice and making a difference in different settings and different ways Part 1 introduces a fluid and contextual approach to social justice Part 2 examines social justice and faith perspectives such as Christianity Judaism Islam and community organisations Part 3 illustrates perspectives on children the family sport and local government Part IV provides perspectives of social justice in education Considering concepts of citizenship and social justice from a variety of contemporary perspectives Everyday Social Justice and Citizenship should be considered essential reading for academics and students from a range of social scientific disciplines with an interest in social justice as well as those working in education community work youth work and chaplaincy

Theories of International Relations and Northern Ireland Timothy J. White, 2017-01-29 This book uses the case of Northern Ireland to evaluate theoretical approaches in international relations It investigates the process of negotiation that led to the signing of the Good Friday or Belfast Agreement and the continuing challenges to peace reconciliation in Northern Ireland Incorporating the work of leading scholars it explores a wide range of topics including the function of deception in promoting peace the question of partition and how it was reimagined by nationalists such as John Hume and how the decommissioning process led to a role in internal policing for paramilitaries The influence of outside actors notably the United States and the European Union is also considered along with the involvement of the Catholic Church and the marginalization of women This book will be important for academics interested in theories of international relations and to a wider public interested in understanding the Northern Ireland peace process

Social Movements in Violently Divided Societies John Nagle, 2016-02-26 Violently divided societies present major challenges to institutions seeking to establish peace in places characterised by ethnic conflict and high levels of social segregation Yet such societies also contain groups that refuse to be confined within separate forms of ethnic community and instead develop alternative modes of action that generate shared identities build trust and foster consensual peaceful politics Advancing a unique social movement approach to the study of violently divided societies this book highlights how various social movements function within a context of violent ethnic politics and provide new ways of imagining citizenship that complements peacebuilding By analysing the impact of social movements on divided societies this book contributes to debates about the complexity of belonging and identity and constructs a nuanced understanding of political mobilisation in regions defined by ethnic violence In turn the book provides important insights into the dynamics of social movement mobilisation Based on the author's extensive research in Lebanon and Northern Ireland and drawing on numerous examples from other divided societies this book examines a range of social movements including nationalists victims sexual minorities labour movements feminists environmentalists

secularists and peace movements Bringing together social theory and case studies in order to consider how grassroots movements intersect with political institutions this book will be of interest to students scholars and policymakers working in sociology and politics **Diaspora Organizations in International Affairs** Dennis Dijkzeul,Margit Fauser,2020-02-05 Analyzing the role and impact of Diaspora Organizations DOs in International Relations IR this interdisciplinary volume provides empirical accounts of their work across Europe the Americas Africa and the Middle East Over the last three decades DOs have increased in number spread to new regions and addressed an ever widening array of global problems yet they have not received sufficient attention in IR in spite of the inter and transnational nature of their involvements Contributions explore important topics such as The role of DOs in cooperation and conflict and in change and stability DOs as transnational organizations and their degree of autonomy and power within the networks in which they operate and The changing roles of DOs vis vis states regimes and international organizations when dealing with issues as diverse as peace conflict migration integration development humanitarian action human rights religion and economic growth Demonstrating how IR can benefit from a stronger focus on DOs this book will also help other disciplines gain insights into DOs and will prove useful to those in the fields of international relations sociology geography and anthropology Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Irish Americans** William E. Watson,Eugene J. Halus Jr.,2014-11-25 Virtually every aspect of American culture has been influenced by Irish immigrants and their descendants This encyclopedia tells the full story of the Irish American experience covering immigration assimilation and achievement The Irish have had a significant impact on America across three centuries helping to shape politics law labor war literature journalism entertainment business sports and science This encyclopedia explores why the Irish came to America where they settled and how their distinctive Irish American identity was formed Well known Irish Americans are profiled but the work also captures the essence of everyday life for Irish Americans as they have assimilated established communities and interacted with other ethnic groups The approximately 200 entries in this comprehensive one stop reference are organized into four themes the context of Irish American emigration political and economic life cultural and religious life and literature the arts and popular culture Each section offers a historical overview of the subject matter and the work is enriched by a selection of primary documents **Avoiding War, Making Peace** Richard Ned Lebow,2017-08-23 This book recapitulates and extends Ned Lebow's decades long research on conflict management and resolution It updates his critique of conventional and nuclear deterrence analysis of reassurance and the conditions in which international conflicts may be amenable to resolution or failing that a significant reduction in tensions This text offers a holistic approach to conflict management and resolution by exploring interactions among deterrence reassurance and diplomacy and how they might most effectively be staged and combined **Religious Schools in Europe** Marcel Maussen,Floris Vermeulen,Michael Merry,Veit Bader,2017-10-02 The

European Convention on Human Rights guarantees freedom of education including the opportunities to create and operate faith based schools However as European societies become more religiously diverse and less religious at the same time the role of faith based schools is increasingly being contested Serious tensions have emerged between those who ardently support religious schools in their various forms and those who oppose them Given that faith based schools enjoy basic constitutional guarantees in Europe the controversy around them often surrounds issues of public financing degrees of organisational and pedagogical autonomy and educational practices and management This volume is about the controversies surrounding religious schools in a number of Western European countries The introductory chapter briefly analyses the structural pressures that affect the position of religious schools outlining the relevant institutional arrangements in countries such as Denmark Germany France Ireland the Netherlands and Scotland The following chapters provide a detailed analysis of the discussions and controversies surrounding faith based schools in each country Finally the two concluding chapters aim to provide a bigger comparative picture with regard to these debates about religious education in liberal democratic states and culturally pluralist societies This book was originally published as a special issue of Comparative Education

Post-Liberal Peace Transitions Richmond Oliver P. Richmond, 2016-01-18 Why is it that states emerging from intervention peacebuilding and statebuilding over the last 25 years appear to be failed by design This study explores the interplay of local peace agency with the neo liberal peacebuilding project And it looks at how far can local peace formation dynamics can go to counteract the forces of violence and play a role in rebuilding the state consolidate peace processes and induce a more progressive form of politics By looking at local agency related to peace formation Oliver Richmond and Sandra Pogodda find answers to the pressing question of how large scale peacebuilding or statebuilding may be significantly improved and made more representative of the lives needs rights and ambitions of its subjects
