Not Another Singles Book La Vonia R. Tryon, 2015-04-14 So here you are Single Still Again And the last thing that you want to hear is what you did to cause it how God still wants you to be here or how your boo is around the corner You want answers Why am I still Single What's wrong with me Why are all my friends getting married yet I'm only invited to the wedding WHEN WILL IT BE MY TURN These amongst thousands of others are what plague your mind NOT Another Singles Book is just that This hard hitting insightful and at times humorous book written by a self proclaimed Reformed Serial Monogamist will have you throwing away every negative viewpoint you have heard about Singleness and focusing on fulfilling God's purpose in it It is a simple yet eye opening view of Singleness as something to get into instead of a grave sentence to get out of Singleness has a distinct designed purpose crafted by the Almighty Author of Time and this book will start or assist you in continuing your journey in discovering the wonderful things God has in store for this season There is nothing wrong with you God has not forgotten you If we believe that God has a plan for our lives then we must believe that this plan also involves our Single season There is no way that an Infallible Sovereign God can orchestrate and ordain your marriage but just happen to leave out this huge Single part as if it is the black hole on your eternity timeline Singleness is ordained It is blessed and it is exactly where God wants you to be Singleness has its season allow it to be the sweet aroma of a lifestyle submitted to God's will You are complete alone Easier said than believed and even easier understood Your completeness must come from the only One that can offer you that You become a walking toxin when you enter a relationship without this mindset If you don't believe that you are Single and take the time to actually understand it you will poison every relationship that you are exposed to Getting to know ourselves is hard Really understanding the good bad and the complicated in your life is something that you can't afford not to do If you don't seek your completeness in Christ before the relationship you will end up draining every relationship that you get involved in Seeking completion in a relationship puts an unnecessary and unapproachable barrier between you and your mate You will seek for him or her to give you something that only the One who created you can give No mere dating relationship can withstand this pressure Understanding your value is necessary to know your worth Once you realize how valuable you are to God you will stop allowing cheap representatives to waste your time God views Singleness as a time of undistracted devotion unto the Lord a time that the Lover of your soul can romance and woo you This is a time that the Redeemer of our souls pursues and overtakes us with a love so pure and so sweet it compares with nothing else because we will never experience

anything else like it This is a time that God has set apart for you to work wholeheartedly for His kingdom without the distractions of earthly responsibilities like a mate and family If marriage is ordained for you then it will come but only in God's timing If you try to rush it you will end up with heartache and headache NOT Another Singles Book challenges you to combat the notion that something is wrong with you if you are still Single and going on 20 or 20 or 40 God has not forgotten you You are not his car keys or his glasses you are the precious jewel in His crown and He is enthralled with you The Father gives good gifts to His children and He will withhold no good thing from you If you desire marriage yet are still Single it's because this is good for you even if it doesn't feel good to you Revelations of a Single Woman Connally
