Moriarty, 1999 Most of us realize that traffic laws exist to preserve our lives not cramp them Yet when it comes to moral laws 66 percent of Americans believe there are no absolutes Is it any wonder then that the highway of our postmodern culture is strewn with wrecks Broken marriages overcrowded prisons murder in the classrooms babies having babies they're what happen when we confuse liberty with ignoring the rules of the road That's why Michael Moriarty is convinced that the Ten Commandments really are The Perfect 10 Behind them lie God's

All Swirling and Weaving Douglas Basler,2025-09-30 Jesus invitation is simple enough Come follow me Matthew 4:19 But both the conditions of our culture and the conditions of our hearts can make following him difficult We need help re-tuning our hearts to the good news of Jesus and the often slow ways of God The habit of reading fiction can serve as one of our greatest allies A good book can open our own stories in new ways Reading slows us down It invites us to pay attention to the details of life And following Jesus only happens in the details We can only walk in faith hope and love within the unique circumstances of our lives Inspired by the wisdom and wonder of writers like Wendell Berry James McBride and Marilynne Robinson All Swirling and Weaving models how the reading life can help us see the ways God is at work in our own stories With humor vulnerability and a pastoral heart Douglas Basler weaves together the fruit of reading twelve contemporary novels with Biblical reflection and experiences from his own life and ministry Fiction has the power to renew our Christian imagination in ways other reading does not

Jones,2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation **Engaging the Doctrine of God** Bruce L. McCormack,2008-05 Internationally acclaimed scholars offer a progress report on current evangelical thinking about God s being and attributes in light of current controversies Resolutions of a Pastor Michael E. Pohlman,2025-03-12 With the promise of numerical growth pastors are annually bombarded with new leadership techniques and paradigms for ministry Many of these are influenced more by secular business philosophy pragmatic thinking and homespun advice than the Bible The church is left spiritually impoverished and ill equipped to face the challenges of secularization for want of a biblical

theological vision for ministry This book fills a gap in the literature by being exegetically vigorous and obviously informed by biblical historical and systematic theology The result is a robust work of pastoral theology able to meet the ministry challenges of the twenty first century There is no more important institution in the world than the church And the best way to strengthen the church is to strengthen her shepherds This is the aim of The Resolutions of a Pastor **Christian Theology** Adam Harwood,2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why
