**No Place for Abuse** Catherine Clark Kroeger, Nancy Nason-Clark, 2001-01-01 Representing the International Task Force on Abuse Catherine Clark Kroeger and Nancy Nason Clark help us hear the cries of abused women and find concrete ways for the church to respond so that no home will be a place of abuse *Ask Pastor Darryl* Darryl DelHousaye, Bobby Brewer, 2002-10 Questions Questions Questions Everyone has questions In this book by Pastors Darryl DelHousaye and Bobby Brewer of Scottsdale Bible Church the authors answer some of the most frequently asked questions about the Bible Topics addressed include abortion baptism cloning homosexuality marriage and divorce prayer salvation and thirty more If you need clear concise answers to your questions about the Bible this book will be of significant help It will readily find a place on your shelf of most frequently used books The Second Boat, 1989 **Divorce and Remarriage in the Bible** David Instone-Brewer, 2002-06-07 To many the New Testament's teaching on divorce and remarriage seems to be both impractical and unfair The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one's former spouse But are these proscriptions the final word for Christians today Are we correctly reading the scriptures that address

these issues By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco Roman world this book shows that the original audience of the New Testament heard these teachings differently Through a careful exploration of the background literature of the Old Testament the ancient Near East and especially ancient Judaism David Instone Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce Instone Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships Enhanced with pastoral advice on how to apply the biblical teaching in today s context this volume will be a valuable resource for anyone seeking serious answers about married life      The Doctrine and Discipline of Divorce John Milton,1644      *Marriage & Divorce: What Does the Bible Really Say?* John D. Clark, Sr.,John D. Clark Sr.,1983-06-13 There are few areas of life in which more harm has been inflicted upon God s hurting people by their own ministers than in the turbulent area of marriage remarriage and divorce Pastor John Clark breaks down this subject using scriptural references and an understanding of God s goodness into simple terms By understanding that there are two categories of people in God s sight believers and nonbelievers Pastor John covers all the different types of unions these marriages can produce May God use this book to increase your own understanding and love of God
