Not As A Duty Only An Infantrymans War:

Not as a Duty Only Henry Gullett,1976 **Not as a Duty Only** Henry Gullett,1976 Jungle Warfare John Cross,2008-02-21 The physical conditions of jungle warfare and the closeness of contact with the enemy pose unique problems and call for special soldiering skills Colonel John Cross a life long Gurkha officer has an unrivalled knowledge of this demanding warfare and uses it to best advantage in this instructive yet personal account of techniques and experiences He uses examples from British and Japanese sides in the Second World War and goes on to demonstrate how tactics and strategy developed in the Malay Borneo and Indo China theatres thereafter He laces his work with vivid recollections and assessments of friend and foe along with entertaining anecdotes from a wide range of sources This excellent book offers a perfect blend of factual military history and personal recollection and the reader gains a unique insight into this most challenging form of warfare *Sand and Steel* Peter Caddick-Adams,2019-04-22 Part of a trilogy covering the last year of fighting in the European theater of World War II and in time for the 75th anniversary of D Day Sand and Steel gives us the full story of the Allied invasion of France **Armies of Empire** Allan Converse,2011-03-15 This book uniquely reflects upon the experience of two divisions from different armies in WWII **Air University Library Index to Military Periodicals** ,1978 *Operation Postern* Ian Howie-Willis,2024-01-03 Japanese troops seized and brutally occupied New Guinea s capital Lae for 18 months until 16 September 1943 That day Australian soldiers retook the town against fierce resistance Defeated and after suffering huge losses 8000 Japanese soldiers fled across the formidable 4000 metre mountains behind the town 2000 died on the nightmare trek In a groundbreaking publication independent professional historian Dr Ian Howie Willis unveils the untold story of Operation Postern and its significant impact on the Pacific War His latest book sheds light on the recapture of Lae the capital of New Guinea from Japanese forces on 16 September 1943 Through meticulous research Dr Howie Willis brings to life the heroic efforts of Australian soldiers the harrowing experiences of the Japanese retreat and the often overlooked plight of the Papua New Guinean village communities caught in the crossfire Japanese troops had seized and ruthlessly occupied Lae for 18 months until the fateful day of the Australian soldiers counteroffensive Despite fierce resistance the town was retaken forcing the Japanese to retreat across treacherous 4000 meter mountains behind the area Tragically 2000 Japanese soldiers lost their lives during this nightmarish trek Referred to as a turning point in the Pacific War Operation Postern shattered the Japanese belief that they could maintain control over the New Guinea mainland Their continual retreat paved the way for subsequent successful Allied campaigns in the South West Pacific theatre However victory came at a high cost with over 2000 casualties within a fortnight for the Allies while Japanese losses exceeded that number nearly fourfold The exact toll on the Papua New Guinean village people remains unknown but undoubtedly significant Dr Howie Willis challenges previous military histories that have marginalized the Papua New Guineans highlighting their essential role as the third party to the conflict By focusing on the village communities he illuminates the

horrific impact of the war on their lands and lives offering a comprehensive and inclusive narrative Operation Postern provides readers with an opportunity to revisit and reinterpret this crucial battle that shaped the course of history Dr Howie Willis extensive knowledge and meticulous attention to detail make this book a valuable contribution to the understanding of the Pacific War

The Battle of Bardia Craig Stockings, 2011-07-01 On the morning of 3 January 1941 Australians of the 6th Division led an assault against the Italian colonial fortress village of Bardia in Libya not far from the Egyptian Libyan frontier The ensuing battle was the second of the First Libyan Campaign but the first battle of the Second World War planned and fought predominantly by Australians The fortress fell to the attackers a little over two days after the attack began in what could only be described as a remarkable victory At a cost of 130 killed and 326 wounded the 6th Division captured around 40 000 Italian prisoners and very large quantities of military stores and equipment The victory was heralded at the time in Australia as one of the greatest military achievements of that nation s military history Quite soon afterwards however overshadowed perhaps by Rommel s subsequent desert advances the tragedy in Greece and the war in the Pacific Bardia slipped from the public mind Very few Australians today have heard of the battle This book attempts to bring Bardia back into the light

Legacies of Violence Robert Mason, 2016-12-01 Whether in the form of warfare dispossession forced migration or social prejudice Australia s sense of nationhood was born from and continues to be defined by experiences of violence Legacies of Violence probes this brutal legacy through case studies that range from the colonial frontier to modern domestic spaces exploring themes of empathy isolation and Australians imagined place in the world Moving beyond the primacy that is typically accorded white accounts of violence contributors place particular emphasis on the experiences of those perceived to be on the social periphery repositioning them at the center of Australia s relationship to global events and debates

South Vietnamese Soldiers Nathalie Huynh Chau Nguyen, 2016-03-21 Published on the 40th anniversary of the end of the war in Vietnam this book brings to life the experiences and memories of South Vietnamese soldiers the forgotten combatants of this controversial conflict South Vietnam lost more than a quarter of a million soldiers in the Vietnam War yet the histories of these men and women are largely absent from the vast historiography of the conflict By focusing on oral histories related by 40 veterans from the former Republic of Vietnam Armed Forces this book breaks new ground shedding light on an essentially unexplored aspect of the war and giving voice to those who have been voiceless The experiences of these former soldiers are examined through detailed firsthand accounts that feature two generations and all branches of the service including the Women s Armed Forces Corps Readers will gain insight into the soldiers early lives their military service combat experiences and friendships forged in wartime They will also see how life became worse for most in the aftermath of the war as they experienced internment in communist prison camps discrimination against their families on political grounds and the dangers inherent in escaping Vietnam whether by sea or land Finally readers will learn how veterans who saw no choice but to leave their homeland succeeded in rebuilding their lives in new countries and cultures

Bardia Craig Stockings, 2009 Challenging in its perspective and controversial in its conclusions Bardia is a riveting account of the first large scale battle planned and fought by an Australian formation in World War II Book Jacket **Diggers and Greeks** Maria Hill, 2010 Little is known about the real reasons that Australia committed troops to Greece Australian historians have for too long neglected the Greek and Crete campaigns and what has been written until now has ignored the Greek side of the story **A Soldier's Soldier** Jeffrey Grey, 2013-01-24 Lieutenant General Sir Thomas Daly was a renowned soldier and one of the most influential figures in Australia's military history As Chief of the General Staff during the Vietnam War he oversaw a significant re organisation of the Army as he fought a war under political and resource restrictions In this unique biography Jeffrey Grey shows how Daly prepared himself for the challenges of command in a time of great political upheaval A Soldier's Soldier examines Daly's career from his entry to Duntroon in the early 1930s until his retirement forty years later covering the key issues in the development of the Australian Army along the way Drawing on extensive interview transcripts the book provides a compelling portrait of Sir Thomas Daly and his distinguished career
