

The background of the entire cover is a photograph of a high-speed train, possibly a Shinkansen, in motion. The train is blurred, suggesting speed, and is set against a dramatic sunset or sunrise sky with warm orange and yellow hues. The train's sleek, aerodynamic shape is visible, with its windows and doors clearly defined.

Not Brave Enough My Leap Into The Stratosphere:

Not Brave Enough Rick Butcher,2013-10-09 It was a moment of revelation for me I was seventeen when I learned to fly just a stupid kid and if I knew then what I know now I wouldn't have done it I didn't necessarily regret it in fact quite the opposite I love to fly I love everything about it I just suddenly realized that I'm not inherently brave enough of a person to have put myself through all that I've endured while chasing the clouds I was a kid so squarely risk averse that I demanded everyone get their money back after playing cards for pennies and nickels I was a kid who was intimidated by the challenges involved with earning Boy Scout badges or the honor roll If I had been offered a safe effortless and boring destiny to never have to face the unknown I would've taken it and probably never looked back
