Laura,1999 This work offers a challenge to our society s largely unquestioning commitment to new technologies and practical advice on how to deal with their adverse effects While modern technologies have no doubt brought many benefits the authors argue that our confidence in them is seriously misplaced They consider an array of health and environmental issues including the damaging effects on human health of certain microwaves including those from mobile phones and television transmission towers the effects of aluminium in food and other consumer products and the evidence

that the acids in margarines may be more detrimental to health than butter The Theory of Christian Psychology Eva Klostreich, 2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches who only need God when they discovered I was a psychologist and criticized by others who only need psychology Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her first book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research Dimensions in Wholistic Healing Herbert Arthur Otto, 1979 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com Never Fear Cancer Again Raymond Francis, 2011-08-01 Most cancer research dollars have been wasted by asking the wrong questions looking in the wrong places and recycling the same failed approaches while expecting different results Conventional cancer treatments damage health cause new cancers lower the quality of life and decrease the chances of survival In fact most people who die from cancer are not dying from cancer but from their treatments That's the bad news Here's the good news We can end the cancer epidemic In Never Fear Cancer Again readers will gain a revolutionary new understanding of health and disease and will come to understand that cancer is a biological process that can be turned on and off not something that can be surgically removed or destroyed with radiation or toxic chemicals So whether cancer has already been diagnosed or if prevention is the concern it is possible to turn off the wayward production of these malfunctioning cells once and for all by reading this book and implementing its strategies The key to any disease has one simple cause malfunctioning cells that are created by either deficiency or toxicity By switching off the malfunctioning cells you switch off the cancer Never Fear Cancer Again guides readers along six pathways that cause deficiency or toxicity at the cellular level nutritional path genetic path medical path toxin path physical path and the psychological path By making key lifestyle changes people truly have the power to take control of cancer and transform their health This radically different yet holistic approach restored author Raymond Francis back to health just as it has helped thousands of others many of whom were told they had no other options or that their cancer was incurable Take back your health with this book and never fear cancer again **Proceedings of the Third Annual Alcoholism Conference of the National Institute on Alcohol Abuse and Alcoholism, June 20-22, 1973,**
