*Moonshine* Kevin R. Kosar,2017-04-15 You might think moonshine only comes from ramshackle stills hidden away in the Appalachian Mountains but the fact of the matter is we ve been improvising spirits all around the world for centuries No matter where you go there is a local bootleg liquor whether it s bathtub gin peatreek or hjemmebrent In this book Kevin R Kosar tells the colorful and at times blinding history of moonshine a history that s always been about the people from crusading lawmen and clever tinkerers to sly smugglers and ruthless gangsters from pontificating poets and mountain men to beleaguered day laborers and foolhardy frat boys Kosar first surveys all the things we ve made moonshine from including grapes grains sugar tree bark horse milk and much more But despite the diversity of its possible ingredients all moonshine has two characteristics it is extremely alcoholic and it is in most places illegal Indeed the history of DIY distilling is a history of criminality and the human ingenuity that has prevailed out of officials sights from cleverly designed stills to the secret smuggling operations that got the goods to market Kosar also highlights the dark side completely unregulated many moonshines are downright toxic and dangerous to drink Spanning the centuries and the globe this entertaining book will appeal to any food and drink lover who enjoys a little mischief

**Soda and Fizzy Drinks** Judith Levin,2021-08-12 An

effervescent exploration of the global history and myriad symbolic meanings of carbonated beverages More than eighty years before the invention of Coca Cola sweet carbonated drinks became popular around the world provoking arguments remarkably similar to those they prompt today Are they medicinally morally culturally or nutritionally good or bad Seemingly since their invention they have been loved and hated for being cold or sweet or fizzy or stimulating Many of their flavors are international lemon and ginger were more popular than cola until about 1920 Some are local tarragon in Russia cucumber in New York red bean in Japan and chinotto exceedingly bitter orange in Italy This book looks not only at how something made from water sugar and soda became big business but also how it became deeply important to people for fizzy drinks symbolic meanings are far more complex than the water gas and sugar from which they are made Foie Gras Norman

Kolpas,2021-04-10 Few ingredients inspire more soaring praise and provoke greater outrage than foie gras Literally meaning fat liver foie gras is traditionally produced by force feeding geese or ducks a process which has become the object of widespread controversy and debate In Foie Gras A Global History Norman Kolpas strives to provide a balanced account of this luxurious ingredient s history and production from ancient Egypt to modern times Kolpas also explores how foie gras has inspired famous writers artists and musicians including Homer Herman Melville Isaac Asimov Claude Monet and Gioachino Antonio Rossini The book includes a guide to purchasing preparing and serving foie gras as well as ten easy recipes from classic dishes to contemporary treats **Herring** Kathy Hunt,2017-10-15 Though tiny the herring has played an enormous

role in history Battles have been waged over it International economic alliances have formed over it Major cities owe their prosperity to it Political powers have risen and fallen with herring s own rise and fall in population How can this all be attributed to this unassuming little animal In Herring A Global History Kathy Hunt looks at the environmental historical political and culinary background of this prolific and easily caught fish Over the centuries herring have sustained populations in times of war and hardship and the fish s rich flavor delicate texture and nutritious meat have made it a culinary favorite Its ease of preparation just grill broil fry pickle salt or smoke and serve have won it further acclaim Engaging and informative the book features fifteen mouth watering recipes It will appeal to food lovers history buffs and anyone who has ever enjoyed a British kipper German Bismarck Dutch matjes or Jewish chopped herring **Tomato** Clarissa Hyman,2019-06-15 In the

history of food the tomato is a relative newcomer outside its ancestral home in Mesoamerica And yet as we devour pizza by the slice dip French fries in ketchup delight in a beautiful Bolognese sauce or savor tomato curries it would now be impossible to imagine the food cultures of many nations without the tomato The journey taken by the tomato from its ancestral home in the southern Americas to Europe and back is a riveting story full of culinary discovery innovation drama and dispute Today the tomato is at the forefront of scientific advances in cultivation and the study of taste as well as a popular subject of heritage conservation heirloom tomato salad anyone But the tomato has also faced challenges every step of the way into our gardens and kitchens including that eternal question is it a fruit or a vegetable In this book Clarissa

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nuts A Global History Reaktion S Edible books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Nuts A Global History Reaktion S Edible books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nuts A Global History Reaktion S Edible books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nuts A Global History Reaktion S Edible books and manuals for download and embark on your journey of knowledge?
