Phenomenon G. Reginald Daniel, Hettie V. Williams, 2014-07-17 The concept of a more perfect union remains a constant theme in the political rhetoric of Barack Obama From his now historic race speech to his second victory speech delivered on November 7 2012 that striving is evident Tonight more than two hundred years after a former colony won the right to determine its own destiny the task of perfecting our union moves forward stated the forty fourth president of the United States upon securing a second term in office after a hard fought political contest Obama borrows this rhetoric from the founding documents of the United States set forth in the US Constitution and in Abraham Lincoln's Gettysburg Address How naive or realistic is Obama's vision of a more perfect American union that brings together people across racial class and political lines How can this vision of a more inclusive America be realized in a society that remains racist at its core These essays seek answers to these complicated questions by examining the 2008 and 2012 elections as well as the events of President Obama's first term Written by preeminent race scholars from multiple disciplines the volume brings together competing perspectives on race gender and the historic significance of Obama's election and reelection The president heralded in his November 2012 acceptance speech The idea that if you're willing to work hard it doesn't matter who you are or where you come from or what you look like whether you're black or white Hispanic or Asian or Native American These essayists argue the truth of that statement and assess whether America has made any progress toward that vision **2012**

Global Warning John W. Edwards III, 2010-03-11 2012 Global Warning The destination or the beginning of the apocalypse Ninth and Last Sign You will hear of a dwelling place in the heavens above the earth that shall fall with a great crash It will appear as a blue star And very soon after this the ceremonies of people will cease There are nine signs that great destruction has come and is coming Like many tribes the Hopis drew images that have come to pass and images of things to come

Lukman,2012-05-11 The compilation of a decade of essays and online ideological struggle with members of Lukman's e-mail chat group formed the basis for The Black Muslim Manifesto From Inside the Belly of the Beast The continuation of that process has called The Black Muslim Manifesto II A Luta Continua into existence Since the publication of the first Manifesto Lukman has continued his analysis of the unfolding global dynamic Additionally time has borne witness to the accuracy of some of the Manifesto's prognostications For example we no longer have to speculate about what Obama will do once he's in the WHITE House Lukman is proud but not happy to say that he was one of the few who was NEVER deceived by the Obama Ploy Lukman felt compelled to rush A Luta Continua to print because much of his analysis in Manifesto II has already proven to be prescient Events are moving forward at such a rapid pace that many of his predictions have become history Lukman didn't want to be accused of that for which he condemns our rearguard leadership namely Monday Morning Quarterbacking

The Obama Doctrine Michelle Bentley,Jack Holland,2016-07-28 President Obama's first term in office was subject to intense criticism not only did many feel that he had failed to live up to his leadership potential but that he had actually continued the foreign policy framework of the George W Bush era he was supposed to have abandoned This edited volume examines whether these issues of continuity have been equally as prevalent during the president's second term as his first Is Obama still acting within the foreign policy shadow of Bush or has he been able to establish his own approach towards international affairs distinct from his predecessor Within this context the volume also addresses the idea of legacy and whether Obama has succeeded in establishing his own distinct foreign policy doctrine In addressing these questions the chapters explore continuity and change from a range of perspectives in International Relations and Foreign Policy Analysis which are broadly representative of a spectrum of theoretical positions With contributions from a range of US foreign policy experts this book will be of great interest to students and scholars of US foreign policy Foreign Policy Analysis and American politics

Countdown to the Apocalypse Dr. Robert Jeffress, 2015-02-10 ISIS Ebola Social disorder Religious persecution Rampant immorality Are these the harbingers of the biblical apocalypse of the end of the world If they are what do they mean and when can we expect this to happen In this eye opening book prophecy insider Robert Jeffress offers a reasoned look at these signs and what Jesus Christ himself meant when he talked about a future so horrendous that no human lives would be spared unless those days were shortened Matthew 24 22 Did He have our time in mind All over the world people are aware that something unprecedented in human history is about to happen COUNTDOWN TO THE APOCALYPSE presents vital information that everyone both inside and outside the church needs to know to be prepared Just Peace Theory Book One Valerie Elverton Dixon, 2012-11 In these essays I often refer to social contracts such as the Declaration of Independence the Constitution of the United States the Universal Declaration of Human Rights and other international conventions that describe a vision of just human relations especially in the area of culture and health care We do not live behind a veil of ignorance where we enter into contemplation of questions of right and wrong without an awareness of our own particularities Moreover we do not always determine what is right based on reason But we do make decisions every day about how we will live within the social contracts that govern our lives Many of us go along to get along with a let s not rock the boat preserve the status quocaution Then there are those of us who use the documents of our social contracts to secure more justice and more peace The purpose is to rock the boat and to disrupt the status quo when it is unjust I understand Christ as a title not as a person It is a designation of an anointing This in my opinion is the anointing of radical love Christ is the human incarnation of divine love We each ought to strive to become this whether or not we are Christian whether or not we are even believers Those of us who are Christians believe that Jesus paid it all There is no more need for blood shed sacrifice Murder is never holy God does not need it or want it Our work now is to become living sacrifices that will redeem this world through justice and peace That is the meaning of these essays From the Introduction
