The Secret of the Five Rites John Michael Greer,2023-11-28 An investigation of The Eye of Revelation a system of inner alchemy meant to awaken the subtle powers of the human body and mind This book examines in detail a short book often referred to as The Five Tibetans that was published in 1939 teaching a simple yet effective set of five exercises for health and longevity the Five Rites Certain dietary rules and lifestyle principles accompanied the Rites so did a Sixth Rite that worked the diaphragm muscles and redirected sexual energies and also a set of teachings about seven energy centers or vortices in the body though not the same as the well known seven chakras along the spine These vortices are among the most distinctive things about the system and are found in only a scattered handful of

sources elsewhere It is by awakening the vortices to their normal rate of spin the book claims that the Rites achieve their effects John Michael Greer follows each of these threads back as far as possible to reveal something of the landscape of ideas and practices that gave rise to these remarkable exercises He then spins the threads back together putting the Five Rites in as much of their original context as he can and describing in detail the practice of the broader system in which the Rites have their place a system of inner alchemy meant to awaken certain subtle powers of the human body and mind The book also includes the complete original text of The Eye of Revelation

William S. Burroughs and the Cult of Rock 'n' Roll Casey Rae, 2019-06-11 A history of the writer s impact on some of the biggest names in rock music from the Beatles to Bowie and his role as a secret architect in the genre William S Burroughs s fiction and essays are legendary but his influence on music s counterculture has been less well documented until now Examining how one of America s most controversial literary figures altered the

destinies of many notable and varied musicians William S Burroughs and the Cult of Rock n Roll reveals the transformations in music history that can be traced to Burroughs A heroin addict and a gay man Burroughs rose to notoriety outside the conventional literary world his masterpiece Naked Lunch was banned on the grounds of obscenity but its nonlinear structure was just as daring as its content Casey Rae brings to life Burroughs s parallel rise to fame among daring musicians of the 1960s 70s and 80s when it became a rite of passage to hang out with the author or to experiment with his cut up techniques for producing revolutionary lyrics as the Beatles and Radiohead did Whether they tell of him exploring the occult with David Bowie providing Lou Reed with gritty depictions of street life or counseling Patti Smith about coping with fame the stories of Burroughs s backstage impact will transform the way you see America s cultural revolution and the way you hear its music Rae writes with the passion of a teenager discovering new sounds and the control and self assuredness of a seasoned academic William S Burroughs and the Cult of Rock n Roll celebrates not only the gifted mind and bizarre life of a writer who changed literature forever with his magic and ideas it also finally gives him the place he deserves in the pantheon of rock and roll NPR William S Burroughs was as much a quiet rock star as he was an artist or a writer His inroads into audio spoken word and music created paths that we still follow Casey Rae s book is a labor of love that offers a map to understanding Burroughs s complex relationship to music and other art forms Chris Stein co founder of Blondie A fascinating new book Rae is an engaging storyteller and often an enlightening one I m grateful for Rae s study and recommend it highly not only to those still interested in Burroughs and rock music but to anyone curious about the possibilities for creative synergy between the arts Journal of Popular Music Studies **2015 Debbies Book 27th Edition EBOOK** Debbie Hemela,2015-03-01 2015 of Debbies Book 27th Edition Full Database EBOOK 5 ways to experience Debbies Book Physical book for users who want to hold it in their hands Printable book for users who want to print certain pages Tablet friendly eBook for users who love their iPads and eReaders Mobile App for iOS Android Devices Daily blog featuring vendors and news The book is organized by categories in alphabetical order Listings for Prop Houses and Costume Rental Houses are shortened to one or two lines to save space Their full contact information is located within the Prop House and Costume Rental Houses categories only
