The Nurse as Executive Barbara Stevens Barnum,Karlene M. Kerfoot,1995 This new edition of Aspen s bestselling book The Nurse as Executive has been thoroughly revised and updated to reflect the significant changes in nursing management The nurse executive s role as a member of the executive team is examined as well as the nurse executive s role in health care issues such as quality outcomes team building and cost containment Organizing the book around the new resource driven management model rather than the goal driven management model makes this book unique and distinguishes it from other management texts Federal Register ,1999-10 **Nursing Homes** Leslie G. Aronovitz,2002-10 The 1.5 million elderly disabled individuals residing in nursing homes are a vulnerable population Concerns with inadequate care involving malnutrition dehydration other forms of neglect have contributed to mounting scrutiny from state Fed auth There is also growing concern that some residents are abused pushed slapped beaten otherwise assaulted by the individuals to whom their care has been entrusted This report determines whether allegations of abuse are reported promptly to local law enforcement state survey agencies assesses the extent to which abusers are prosecuted the impediments to successful prosecutions evaluates whether sufficient safeguards exist to protect residents from abusive individuals *Effective Management of Long-Term Care Facilities* Douglas A. Singh,2021-11-10 Effective Management of Long Term Care Facilities Fourth Edition examines the complex operations of the long term care facility and offers critical skills to current and future long term care administrators for delivering quality cost effective services An excellent resource for both new and seasoned long term care managers this logically organized text begins with an understanding of what long term care is and why it s an integral part of the health care delivery system It moves on to explore the legal and regulatory parameters and payment constraints within which long term care facilities must be managed each of the main functional departments that administrators must understand and oversee and effective governance and leadership and management of human resources marketing and quality much of which is unique to nursing home administration The final section of the book offers case studies to simulate situations that the administrator is likely to encounter in practice *Current Catalog* National Library of Medicine (U.S.),1969 Includes subject section name section and 1968 1970 technical reports
