Youth Ministry in a Multifaith Society Len Kageler, 2014-04-24 How do we ground our young people in the faith while encouraging their relationships with friends of other faiths Veteran youth minister and researcher Len Kageler digs into the data surrounding this exciting multifaith era and offers surprising confidence that our kids can be guided into mature Christian faith while simultaneously learning to love their neighbors of other religions Children's Perceptions of the Role of Biblical Narratives in Their Spiritual Formation Annie George, 2017-02-28 In the Bible storytelling is an important means to pass on the revelation of God God repeatedly commanded the people of Israel to tell his mighty acts to the next generation Invariably churches follow this mandate and use biblical narratives as a means to transmit God s self revelation to enable transformation The author Dr Annie George listens to the voices of children in order to understand their perceptions of how storytelling of biblical narratives help them in their spiritual formation Dr George's research highlights the importance of evaluating the impact of biblical narratives from a child's perspective as well as emphasising the need to give the same priority to the spiritual transformation of children as with other areas of study and ministry **Spiritual, Life and Values Education for Children** John Chi-Kin Lee, 2024-07-19 This book offers various perspectives on children's spirituality and its relation to life and values education from diverse socio cultural and educational contexts It brings together a collection of select research articles that were published over a period of two decades 1999 2020 in the International Journal of Children's Spirituality IJCS to celebrate the journal s 25th anniversary Featuring contributions by leading international scholars from U K U S A Canada Hong Kong China and Australia this volume offers a multidisciplinary snapshot of children's spirituality and its relation to life and values education It highlights the importance of socio cultural and religious traditions as well as perspectives on religious education and the spirituality of children shaped by religious cultural and educational systems in specific societies and contexts Chapters cover topics including the links between mirror neurons and human empathy and

education the relationship between spirituality and citizenship the notion of inclusive spiritual education and the perspectives of spiritual education through the conceptual lens of transcendence raised awareness and spiritualism how outdoor play spaces can contribute to a child's spiritual development through enriching activities and approaches to help nurture students spiritual growth in their aspects of themselves self others the environment and with a Transcendent Other transcendence This volume will be a key resource for researchers and postgraduate students interested in understanding children s spirituality and its implications for spiritual life and values education **Understanding Children's Spirituality** Kevin E. Lawson, 2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care Little Theologians David M. Csinos, 2020-11-18 Children don t just about children can promote their spiritual formation learn theology They actively create it playing with ideas and drawing together aspects of their own lives to form theological understanding David Csinos offers a groundbreaking exploration of how cultural contexts intersect with the theological meaning making of children The SAGE Handbook of Child Research Gary B Melton, Asher Ben-Arieh, Judith Cashmore, Gail S. Goodman, Natalie K. Worley, 2013-12-18 It is refreshing to see a book such as this which is both broad in its conceptualization of the field of child research and deep in its focus The volume s editors are paragons of awareness when it comes to the need for interdisciplinary research and theory to illuminate the lives and experience of children James Garbarino Loyola University Chicago Covers a satisfying and unprecedentedly wide range of research relating to childhood The contributors include many eminent international scholars of childhood making the book a valuable resource for child researchers Child advocates will also find the book to be invaluable in their efforts to improve children's well being and to change policies and practices for the better Anne Smith University of Otago A really scintillating collection that will provide a lasting perspective on child studies stimulating and comprehensive Jonathan Bradshaw University of York In keeping with global changes in children's social and legal status this Handbook includes examination of children as family members friends learners consumers people of faith and participants in law and politics The contributors also discuss the methodological and ethical requirements for research that occurs in natural settings and that enables children themselves to describe their perspective The book is divided into three parts Part I Setting Specific Issues in Child Research Part II Population Specific Issues in Child Research Part III Methods in Research on Children and Childhood Emotions and Religious Dynamics Nathaniel A. Warne, 2016-05-13 We all feel emotions and are moved to action by them Religious

communities often select and foster certain emotions over others Without understanding this it is hard to grasp the way groups view the world and each other Often it is the underlying emotional pattern of a group rather than its doctrines that either divides it from or attracts it to others These issues so important in today s world are explored in this book in a genuinely interdisciplinary way by anthropologists psychologists theologians and historians of religion and in some detailed studies of well and less well known religious traditions from across the world **International Handbook of Education** for Spirituality, Care and Wellbeing Marian de Souza, LESLIE J. FRANCIS, James O'Higgins-Norman, Daniel G. Scott, 2009-10-13 Acknowledging and understanding spiritual formation is vital in contemporary education This book explores the dynamic relationship between education and wellbeing It examines the theory underpinning the practice of education in different societies where spirituality and care are believed to be at the heart of all educational experiences The book recognizes that regardless of the context or type of educational experience education is a caring activity in which the development of the whole person body mind and spirit is a central aim for teachers and educators in both formal and informal learning The chapters in this handbook present and discuss topics that focus on spirituality as an integral part of human experience and consequently essential to educational programs which aim to address personal and communal identity foster resilience empathy and compassion and promote meaning and connectedness Exploring and Engaging Spirituality for Today's Children La Verne Tolbert, 2014-05-19 Exploring and Engaging Spirituality for Today's Children A Holistic Approach answers questions about the most effective ways to help children pre teens and teens develop spiritually This collection of research gleaned from presentations during the Fourth Triennial Children's Spirituality Conference at Concordia University in 2012 is divided into four major sections 1 theological and historical foundations 2 engaging parents and congregations 3 engaging methodologies and 4 exploring children at risk child pornography social justice intercultural diversity and abstinence education Researchers acknowledge that the home is the foundation for Christian nurture In Exploring and Engaging Spirituality for Today's Children both scholars and ministry leaders come together with parents to promote a holistic environment where children are encouraged to love respect and obey God From birth to high school children's voices resonate throughout these studies as they are invited to share their reflections and experiences Exploring and Engaging Spirituality for Today's Children is a lively easy to read collection that reflects a broad range of faith traditions and is ideal for all those who are committed to the spiritual development of children Spirituality, Health, and Healing: An Integrative Approach Caroline Young, Cyndie Koopsen, 2010-08-15 Spiritual Health and Healing An Integrative Approach Second Edition offers healthcare professionals instructors and spiritual care providers a comprehensive guide to the most current research on the connection between spiritual practice and health This updated Second Edition includes new sections on integral spirituality and the New Thought Movement healing rituals and healing environments plus new information on spirituality and aging caring for the elderly and spiritual hospice R sum de l diteur Little Buddhas Vanessa R.

Sasson, 2013 Consideration of children in the academic field of Religious Studies is taking root but Buddhist Studies has yet to take notice Little Buddhas brings together a wide range of scholarship and expertise to address the question of what role children have played in Buddhist literature in particular historical contexts and what role they continue to play in specific Buddhist contexts today The volume is divided into two parts one addressing the representation of children in Buddhist texts the other children and childhoods in Buddhist cultures around the world The ground breaking contributions in this volume challenge the perception of irreconcilable differences between Buddhist idealism and family ties Little Buddhas will be an indispensable resource for students and scholars of Buddhism and Childhood Studies and a catalyst for further research on **The Study of Children in Religions** Susan B. Ridgely, 2011-11 Research in religious studies has traditionally focused on adult subjects since working with children presents significantly more challenges to the researcher such as getting the research protocol passed by the Internal Review Board obtaining permission from parents and schools and figuring out how to make sense of young worldviews The Study of Children in Religions provides scholars with a comprehensive source to assist them in addressing many of the issues that often stop researchers from pursuing projects involving children This handbook offers a broad range of methodological and conceptual models for scholars interested in conducting work with children It not only illuminates some of the legal and ethical issues involved in working with youth and provides guidance in getting IRB approval but also presents specific case studies from scholars who have engaged in child centered research and here offer the fruits of their experience Cases include those that use interviews and drawings to work with children in contemporary settings as well as more historically focused endeavors to use material culture such as Sunday school projects or religious board games to study children's religious lives in past eras The Study of Children in Religions offers concrete help to those who wish to conduct research on children and religion but are unsure of how to get started or how to frame their research **Spiritual Education in a Divided World** Cathy Ota, Mark Chater, 2007-03-15 In the era of globalization debate has turned to the vital need for a thorough understanding of its impact on the spirituality and health of the youth of today Spiritual Education in a Divided World recognises the urgent need for effective research in this area This exceptional volume takes an interdisciplinary approach to tackle the key questions Bringing together leading international experts including Zygmunt and Mary Grey the book combines research and training issues with practical professional experiences The first section examines how globalized patterns of economics conflict and consumerism are affecting the spirituality and imagination of children young people and their families In the second and third sections practical responses from research and from professional experience are presented and critically evaluated Readers in professions across teaching youth work social work chaplaincy nursing mental health as well as those concerned with community economics and environmental issues will find in this volume an exciting diverse and coherent collection of essays which offers wider perspectives on their work This book was previously published as a special issue of The International Journal of Children's

Spirituality Negotiating Childhoods ,2020-05-18 Negotiating Childhoods engages in problematic positioning of the child within society by bringing childhood into the centre of our ontological and epistemological investigations These essays offer a multidisciplinary approach and explore the ways in which such issues impact on our conceptualizing of childhood and the lived realities of children Emerging Adults' Religiousness and Spirituality Carolyn McNamara Barry, Mona M. Abo-Zena, 2014 Emerging Adults Religiousness and Spirituality seeks to understand how the developmental process of meaning making encompasses American emerging adults religiousness and spirituality This volume does not focus on disentangling religion and spirituality conceptually but rather emphasizes their centrality in the psychology of human development
