reproductions of the artist's paintings of Kaaterskill Clove and the beautiful blue Catskill Mountains      *Perspectives on Children's Spirituality in Diverse and Changing Contexts* John Chi-Kin Lee, 2024-07-19 This book offers multidisciplinary and inclusive perspectives on children and young people's spirituality and its research in diverse socio-cultural contexts. It brings together a collection of select research articles that were published over a period of nearly two decades (2003-2021) in the International Journal of Children's Spirituality (IJCS) to celebrate the journal's 25th anniversary. Featuring contributions by leading international scholars from U.K., U.S., Canada, Finland, Australia, Hong Kong, and China, this edited volume focuses on different and complementary perspectives on children's spirituality in diverse and changing contexts. Chapters cover topics such as the study of children's spirituality as a natural form of human awareness, a proposed pluricultural approach, the potential contributions of psychoanalytic tradition and cognitive psychology, possible influences of tradition's multidisciplinary and perceptions on understanding children's spiritual experiences, Christian perspectives on children's spirituality in relation to living and dying in Quebec, Canada, Finnish pre-adolescents' perceptions of religion and spirituality using technology, specifically tablets as a component for understanding children's spirituality and cyber spirituality. This volume will be an invaluable resource for researchers and postgraduate students majoring in education studies, life and moral and spiritual education, and those majoring in psychology and religious studies.      **Creativity** Matthew Fox, 2004-06-17 The author of *Original Blessing* explores how the highest communion with the Divine can be found right at our fingertips in the simplest expressions of human creativity. Drawn from a sermon that has electrified listeners, here is a concise, powerful meditation on the nature of creativity from Episcopal priest and radical theologian Matthew Fox. Creativity is Fox at his most dynamic. It is immensely practical and leaves the reader with a message to put into action in life. Fox tantalizingly suggests that the most prayerful, most spiritually powerful act a person can undertake is to create at his or her own level with a consciousness of the place from which that gift arises.      Story, Formation, and Culture Benjamin D. Espinoza, 2018-10-15 *Story Formation and Culture* brings together a myriad of scholars, researchers, and ministry leaders into conversation about how we can effectively nurture the spirituality of children. Built around the three themes of story, formation, and culture, this volume blends cutting-edge research and insights with attention to how we can bring theory into practice in our ministries with children. The work of children's spiritual formation is often a marginalized component in the church's overall ministry. This volume seeks to equip pastors, leaders, and scholars with cutting-edge research and practices that effectively strengthen their ministries with children.      *Creating Balance in Children: Activities to Optimize Learning and Behavior* Lorraine O. Moore, 2019-02-05 Educate the whole child with over one hundred activities that promote physical, cognitive, and emotional social balance in children. This insightful resource helps educators, parents, and childcare providers discover how emotions affect learning and behavior, recognize the symptoms and sources of imbalance, and promote students' physical, mental, emotional, and social development. Students and teachers will learn more about the body-mind-heart connection, the

importance of nutrition and options for correcting and preventing imbalance with over one hundred activities Using the author s flexible guidelines teachers can help children develop attributes such as kindness and courage love and joy and a sense of meaning and interconnectedness Creating Balance in Children Activities to Optimize Learning and Behavior takes the lessons learned from Creating Balance in Children s Lives and transforms them into easy to use activities for use in the home and the classroom
