Morral, 2008-06-09 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department s firearm training program and identify potential improvements in it and in the police department s firearm discharge review process This monograph reports the observations findings and recommendations of that study **Police Practices and Civil Rights in New York City** United States Commission on Civil Rights, 2000 **Police Practices and Civil Rights in New York City**
