The Lamp of Love P.P. - Edinburgh, 1853

Abiding Ryan Shieh, 2022-12-01 Are you allowing religious obligations to take the place of abiding with Jesus Chances are if you re reading this book you ve heard about Jesus you believe in God you call yourself a Christian But something still doesn t seem right you don t really feel

close to him and you don't really understand what it means to have a relationship with him. Do you have to behave a certain way? Do your good works have to outweigh your bad ones? Will your own efforts ever be enough? The fact of the matter is a relationship with Jesus should never be a rules-based life based on feelings of obligation. Following Jesus should be a liberation consisting of more freedom and intimacy than you've ever experienced before. If Jesus really died on the cross for your sins, really rose from the dead, and really promises to come back again, he must really want a relationship with you. How do we get there? The aim is not to be like Jesus to attain perfection. The aim is to walk with Jesus to experience transformation. It's not your behavior modification; it's his spiritual revival. Because God never wanted your works or your efforts, he wants your heart. And the more you walk with him and grow closer to him, the more you will become all he has created you to be. It's called abiding.

The Way NLT Tyndale, 2012-04-13

Today's 16-30 year olds are looking for connection to something bigger than themselves. They want something that works and is honest/authentic. Something that they can actually experience. Something that gives them hope. The Way offers a way that works. A way that matters. A way that asks them to step up to something important enough, big enough to live for. It's a visual, textual, and interactive experience for a generation that has blurred the boundaries of media. It's an interactive experience for those ready for collaboration, change, and a challenge. The Way connects a restless generation, a generation looking for direction, to Jesus, the Way, the Truth, and the Life. It uses first-person stories, reflections, and questions that bring the Bible to the real world.
