The Man You Always Wanted Is the One You Already Have Paula Friedrichsen,2009-01-21 Hubba Hubba Check Out Your Hubby He s predictable proverbial and prone to leaving his dirty clothes in a pile beside the laundry basket He s the big lug lying next to you every night and believe it or not he is your Prince Charming But what happens when a man other than your husband begins looking and sounding more appealing Transform your marriage with the realization that the man you always wanted is the one you already have Striking biblical insights combined with Paula Friedrichsen s candid revelations about the inappropriate relationship that nearly destroyed her marriage will help you see that no man compares to the one

you already have Discover how to embrace the differences between you and your spouse revel in the freedom of forgiveness and draw near to the only Source of lasting fulfillment Story Behind the Book Twelve years ago I became romantically though thankfully not sexually involved with my then pastor This resulted in the church s devastation and a great deal of harm to both of our marriages But God used the difficult lessons I learned during that arduous time to reshape my thinking about marriage and to plainly show me that the man I always wanted was the one I already had By using my own story of failure and forgiveness as a backdrop this book illustrates how our heart s desire is often found no further then the big lug lying next to us in bed each night Paula Friedrichsen **The Magnificent Obsession** Anne Graham Lotz,2010-08-28 Anne Graham Lotz recounts how she found the inspiration to reconnect with God and a more spiritual life through the story of Abraham and encourages others to embrace a God filled life Magnificent Obsession Brian Kim,2015 Crave a real encounter with God Come Back to Jesus—And Don'T Bring Your Blackberry Tanya Logan,2013-01-23 Have you drifted away from the faith Or has life gotten in the way Whether your time is cluttered by busyness relationships hurts or addictions you can reach new dimensions through reading and reflection as you study Come Back to Jesus Dig deep into Scripture to find the answers that are already there waiting for you Share more fully in the life of Christ God wants to spend time with you Hes already waiting for your response Come Back to Jesus offers a powerful renewing experience that builds on the gifts God gave you for ministry First you will explore your life to find the time stealers that keep you from worshipping God as much as you would like Next youll be able to root them out and start afresh with prayer centering yourself in the Word You can explore our wrong desires things that could lead you back off the narrow path Youll have a chance to open up to God and practice being in His presence remembering when He has been especially real for you Experience the love of the Lord like you may never have before Read the book as a personal growth guide or use it as a six week Bible study and share insights and encouragement with your small group *A Bird's Eye View of the Practices of Humanism* Horace Smith,2011-06-01 Description This e book is about my experiences and what I have seen through my extensive counselling and therapy as I translate in a language that many can understand my experiences as I come out of the shock from a great war of my conscience that was fought over a period of 32 years for the right just to live a normal life free from the control of society governments and satanic inspired people who wanted to create in me a new species devoid of all the godly values that Christ bestow on mankind when he died on the cross and rose from the dead to eternal life Both spiritual and natural It is about my discoveries as being considered the vile because of my mental illness in a affluent society that only consider the poor as commerce to be sold and bought to fight their wars and die without living Mostly in America and how the normal community treated me as an individual It shows how many people just wanted to experiment on me as their guinea pig so that in the world of commerce they would be able to use my spiritual knowledge to fool many into believing that they are wise It shows what those who believe in the humanist theory that we evolved from apes and life just happened without a reason that has

led to so many wars as mankind is no longer held accountable for their actions and so to bring peace we as the more advance nations send troops to foreign lands to kill in the image of making a better world About the Author Horace Smith at the age of ten was sodomised by a paedophile ring that existed in the black Jamaican church in a satanic ritual service to gain power over his soul which is quite common in the Jamaican and African religious communities here in London in the 70s This tragic event led to severe mental health problems that has existed in Horace s life for 32 years to date It was in 1991 that on his return back to London and after seeing a consultant at SLAM he was diagnosed wit paranoid schizophrenia and hearing voices and seeing delusions but with the help of treatment and medication Horace is able to live a near normal life

Saved from the Flood Washed by His Blood Halee Lopez,2022-05-17 Life is very difficult as a teen girl not to mention trying to live to glorify God on top of all the peer pressure that we encounter on a day to day basis It is easy for us to oftentimes shy away or blend in with the crowd but God is calling us to step out of the shadows and do otherwise He is calling each of us to accept His grace and offer of salvation He is also guiding us from where we are so that we can let others see His glory shining through us We are young and the devil is constantly telling us that we are not worthy or that no one would listen to us if we shared the gospel The opposite is true God knows we are capable of doing all things through Christ who strengthens us even if we are young Join in on the 365 day journey to change your life and the world around you for the better so that more people can have the opportunity to rely on God s promises This is your time to shine child of God Come read and find rest in the One who saves loves and works through you God bless you Honest - Seeking - Hearts Janet Whitehead,2021-11-03 We humans find it hard to believe God has our best in mind when life gives us painful experiences This book is about a terrible tragedy that happened to my family God used this tragedy to reveal precious truths about
