

# Ocean Wave Energy Conversion

The background of the slide is a blue-toned illustration. It depicts a large, circular, transparent structure, possibly a wave energy converter, with a grid of small, curved arrows inside, suggesting a flow or energy conversion process. To the left of this structure, there are several horizontal wavy lines representing ocean waves. In the upper right, a small, stylized map of the world is visible, and below it, a small, rectangular structure is shown on the ocean surface.
