

DARYL MacALLISTER

NO. OF 2

One of A. Merritt's most
amazing adventure stories

THE MOON POOL

"Fantasy, romance, adventure; something of mystery, something of the supernatural; a weaving together of ancient legends, older by far than any historical records, with the scientific knowledge of the present day; and side by side with these, yet far above and mastering them, the power of human love and willing self-sacrifice; the whole held together by a shimmering, glittering web of imagination—such, in so far as words of ours can briefly describe it, is this fascinating romance of *The Moon Pool*. In certain ways, it is nearer akin to such tales as those of *She* and *When the World Shook* than to any others of which we can think at the moment, but it is very far indeed from being a mere echo or imitation of Sir Rider Haggard. It marks a writer possessed of a very unusual, perhaps one might almost call it extraordinary, richness of imagination. The book is very long; adventure follows adventure, and marvel, marvel; but the author's energy and fertility of imaginative resource never seems to lessen, up to the climax when in all its splendor of evil, radiant beauty, the 'Shining One' sweeps forward to conquer the stronghold of the 'Three'."—*New York Times*. \$2.00
