for Roland Leong to live up to his family's expectations. However, that wasn't the case. The Hawaiian knew at a young age that drag racing was his career path. His supportive mother, Teddy, saw potential in Roland and bought him a new 1962 Corvette for educational purposes such as wrenching and tuning. From there, it didn't take long for the world to discover Oahu's best kept secret in drag racing. In 1964, less than two years after reaching the mainland, Roland was in victory lane at the Winternationals in Top Gas Eliminator. The following year, with Don Prudhomme behind the wheel, The Hawaiian immortalized his place in drag racing forever with wins in NHRA's Top Fuel Eliminator at Pomona Winternationals and Indy US Nationals. Leong became the first ever to capture those iconic crowns in a single season. For good measure, Roland repeated the achievement in 1966 with Mike Snively, showing the world that a Harvard education isn't required to achieve greatness. The Hawaiian, Roland Leong, Drag Racing's Iconic Owner Tuner, is a tale of family, friends, and forging a path that no other Chinese Hawaiian before him had carved. Re-live his biggest wins and lasting friendships in this first ever publication on drag racing's first builder and tuner superstar, Roland Leong.
