Moral Discernment Moral Decisions Guide

Tobias Winright

Moral Discernment Moral Decisions Guide:

Moral Discernment Richard M. Gula, 1997 What should I do How do I know that I am doing right In the midst of so many changes in church society and culture many of us are bewildered about what's right and about how to discover what we ought to do This useful and timely book will help adults who are trying to be critical about their faith and moral living to interpret how conscience works in making moral decisions First off Gula shows that conscience is not a law unto itself but must be formed in community by appealing to sources of moral wisdom Then he gives a fuller treatment of moral discernment pointing up three spheres of influence on the process of discernment social situational and personal The final section moves from the theoretical model of discernment to the practical application of providing moral guidance in the pastoral domain Each chapter begins and ends with some guide questions to focus reflection and to stimulate discussion

Moral Discernment in the Christian Life James M. Gustafson, Theodoor Adriaan Boer, Paul E. Capetz, 2007-01-01 James M Gustafson has been a leading and formative figure in the field of Christian ethics over the past fifty years His many contributions to theological ethics have helped to define and shape ethical thinking by Christians who reflect on great moral issues Gustafson's work must be dealt with by all students in this discipline and his perceptive insights have given clarity and guidance to the process of moral discernment The essays collected here are ones that have had a significant impact on discussions and debates over recent decades The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field

Interactional Morality Mark L. Poorman, 1993-06-01 Poorman brings together ethics and pastoral practice in an interactional model that captures the distinctive character of Christian pastoral counseling His work is especially important in a culture that often confuses pastoral counseling with therapy It also challenges traditional notions which portray the pastoral minister as an instructor who dispenses the church's moral teaching Poorman distinguishes the pastoral task from that of therapist or teacher while drawing on the best resources of contemporary psychology and moral development theories he brings moral theology into lively conversation with pastoral experience at the same time his clear presentation brings a critical method of moral discernment to Christian ministry which is rooted in faith and the wisdom of the community

Bible and Ethics in the Christian Life Bruce C. Birch, Jacqueline E. Lapsley, Cynthia D. Moe-Lobeda, Larry L. Rasmussen, 2018-05-01 Earth is changing in ways it hasn't for hundreds of thousands of years At the same time Christianity is breaking away from its millennium long geographical and cultural center in the Euro West Its growth is in Asia Africa and Latin America primarily in Pentecostal evangelical and independent churches These dramatically changed planetary and ecclesial landscapes have led many to conclude that we need a new way of thinking about our collective existence who are we and what is the nature of our responsibility in this deeply altered world To address that question biblical scholars Bruce C

Birch and Jacqueline E Lapsley and Christian ethicists Larry L Rasmussen and Cynthia Moe Lobeda carry on a new conversation that engages how Christians are to understand the authority and use of Scripture the basic elements of any full bodied Christian ethic attuned to our circumstances and the nature of our responsibility to our planetary neighbors and creation itself The Structures of Virtue and Vice Daniel J. Daly, 2021-02-01 Daly uses the lens of virtue and vice to reimagine a Catholic ethics that can better scrutinize the social forces that both affect our moral character and contribute to human well being or human suffering creating a framework to respond virtuously to problems caused by global social systems from poverty to climate change *Becoming Good, Becoming Holy* Mark O'Keefe, 2005-05-31 This is a long awaited and needed book about the mutual relationship between moral theology and spirituality in the past at the present time and with hope for the future It is a gentle and convincing book both in its tone and in its arguments It is in the best sense a scientific book and at the same time an existential text It appeals to mind and heart This is a most useful book for every Christian striving to become ever more a discerning person aiming at integration of prayer and life Books like this strengthen my unbroken optimism about the ongoing renewal of Christian ethics and Christian spirituality Bernhard Haering Gars Germany In *Becoming Good Becoming Holy* Mark O Keefe makes a valuable contribution to our understanding of the Christian life in its wholeness and integrity By connecting love and justice prayer discernment and moral decision making fundamental option and spiritual growth he challenges unhelpful divisions between Christian ethics and spirituality His vision of conversion and of the Christian life as a dynamic totality will appeal to a wide range of readers Elizabeth Dreyer Washington Theological Union Clearly written and insightful *Becoming Good Becoming Holy* is a convincing response to the Second Vatican Council's call to renew Catholic moral theology by centering it on our life in Christ Best of all O Keefe underscores both the pivotal connection between Eucharist and morality and the integral role of prayer and discernment in Christian moral decision making Paul Wadell Catholic Theological Union Mark O Keefe OSB is Associate Professor of Moral Theology at St Meinrad School of Theology and a Benedictine monk at St Meinrad Archabbey He is the author of *What Are They Saying About Social Sin* and his articles have appeared in *New Theology Review* *Irish Theological Quarterly* *New Blackfriars* *Eglise et Theologie* and other theological journals *Wealth and the Will of God* Paul G. Schervish, Keith Whitaker, 2010-03-22 How six great thinkers and Christian theologians addressed issues surrounding wealth charitable giving and human purpose *Wealth and the Will of God* looks at some of the spiritual resources of the Christian tradition that can aid serious reflection on wealth and giving Beginning with Aristotle who is crucial for understanding later Christian thought the book discusses Aquinas Ignatius Luther Calvin and Jonathan Edwards Though the ideas vary greatly the chapters are organized to facilitate comparisons among these thinkers on issues of ultimate purposes or aspirations of human life on the penultimate purposes of love charity friendship and care on the resources available to human beings in this life and finally on ways to connect and implement in practice our identified resources with our ultimate ends **Wealth as Peril**

and Obligation Sondra Ely Wheeler,1995 Demonstrates that Scripture can both form and inform contemporary thinking on wealth issues Wheeler provides a careful interpretation of key New Testament texts The result is a practical biblical statement on wealth and ownership that can help Christians and Churches come to grip with the economic ethical issues of the day

The Church Speaks James I. Cook,2002 With the passing of time and the development of significant cultural changes the Reformed Church in America has continued to examine its perspectives on Christian teaching Here the contemporary doctrinal positions of the RCA as presented by its Commission on Theology are gathered into one convenient reference work The papers included here are divided into chapters according to six categories scripture faith sacraments ministry witness and sexuality Within these documents are important statements on such topics as Christian witness in today s pluralistic society the role and authority of women in ministry Christian witness to Muslims and the church and homosexuality

Developing a Virtue-Imbued Casuistry for Business Ethics Martin Calkins,2014-05-08 Casuistry Virtue and Business Ethics brings together three important processes for business ethics casuistry virtue ethics and the business case method In doing so it considers the overlap and synergy of casuistry and virtue ethics the similarities and differences of casuistry and the business case method and the relationships between emerging and well established cases The goal of the book is twofold to provide a distinctly practical method for moral decision making within the context of business and to illustrate how contemporary vexing issues are similar to those of the past and how they might be resolved satisfactorily

The Ten Commandments William P. Brown,2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown sThe Ten Commandmentswill be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

THE POWER OF GOD Edward D. Andrews,2018-03-29

Catholic Sexual Theology and Adolescent Girls Doris M. Kieser,2015-06-08 This book explores the intersection in contemporary Western culture of Catholic sexual theology and adolescent female developmental and sexual experiences The voices of adolescent females so long silent in sexual theologies are given privilege here in the articulation of a normative theology Applying a feminist natural law framework the book engages both theoretical scholarship and practical evidence from psychological and other social sciences to inform sexual theology in the Catholic tradition Attending to gendered developmental and social contexts Doris Kieser explores adolescent females experiences of puberty menarche various sexual activities communities of support sexual desire and the pleasure and danger these realities reap

She critically explores historical and traditional sexual theologies and prevailing social patriarchal and androcentric sexual attitudes through a feminist lens. The author's attention to the voices of girls and women and her aim to see their sexual flourishing in particular and diverse social contexts yields a theology mindful of the rich complexities of female sexual desire, pleasure, and well-being. The result is an integrated sexual theology that grapples with the Catholic theological tradition, feminist theory and theology, and the embodied experiences of females. For anyone who is invested in the lives and well-being of adolescent females, this work uncovers both barriers and boons to their sexual flourishing.

An Analysis of Morals John Hartland-Swann, 2015-07-24. First published in 1960, this book is intended to be a concise but complete treatise on Ethics. In the course of our lives, we all face moral problems. Some of these we solve easily, some with difficulty, and some not at all. It is the job of the moral philosopher to examine the general nature of these problems and to investigate their logical significance. His task, however, extends beyond investigating what are specifically moral problems, for he is concerned with the whole field of moral discourse, that is, with moral prescriptions and evaluations of all kinds. For this reason, the branch of philosophy known as Ethics may usefully be defined as the study of the logic of moral discourse. This volume is written in clear and straightforward language and is liberally illustrated with practical examples. It should appeal not only to teachers and students of Ethics in universities but also to the general reader who is interested in seeing how an important branch of philosophy is presented with the aid of analytical methods.

Dictionary of Scripture and Ethics Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11. Leading scholars from the fields of biblical studies and ethics provide a one-stop reference book on the vital relationship between Scripture and ethics.

Moving into the Ecumenical Future John W. Crossin OSFS, 2022-11-11. Moving into the Ecumenical Future identifies some necessary foundations of any paradigm for Ecumenical Ethics. It emphasizes the guidance of the Holy Spirit, the teaching and example of Jesus, biblical foundations, and pastoral relationships in developing paradigms for Ecumenical Ethics. The book suggests that virtue ethics is an important paradigm that includes these elements. The text explores how the Faith and Order Tool, Receptive Ecumenism, Differentiated Consensus, Internal Polarities, and Spiritual Discernment can be used to move toward moral consensus. The author calls for a national or international task force to explore these foundations in greater depth.

T&T Clark Handbook of Christian Ethics Tobias Winright, 2020-12-10. The T & T Clark Handbook of Christian Ethics provides an ecumenical introduction to Christian ethics, its sources, methods, and applications. With contributions by theological ethicists known for their excellence in scholarship and teaching, the essays in this volume offer fresh perspectives and an agenda for the discipline of Christian ethics in the 21st century. The essays are organized in three sections following an introduction that presents the four fonts approach and elucidates why it is critically employed. Through these subsequent sections, the first section explores the sources of Christian ethics, including each of the four fonts: scripture, tradition, experience, and reason. The second section examines fundamental or basic elements of Christian ethics and covers different methods, approaches, and voices in doing

Christian ethics such as natural law virtue ethics conscience responsibility narrative worship and engagement with other religions The third section addresses current moral issues in politics medicine economics ecology criminal justice and other related spheres from the perspective of Christian ethics including war genetics neuroethics end of life decisions marriage family work sexuality nonhuman animals migration aging policing incarceration capital punishment and more *Walk with*

Jesus Christ, the Truth Iii' 2008 Ed.(maturing in Jesus Christ) , *Stakeholders and Ethics in Healthcare* Lisa A.

Martinelli,2022-03-20 This ground breaking book uses organizational ethics and stakeholder theory to explore the ethical accountability of leadership in healthcare organizations to their distinct vulnerable stakeholder communities The book begins with a discussion of the moral agency of healthcare organizations and introduces stakeholder theory It then looks at key ethical challenges in relation to the confidentiality and privacy of healthcare data before turning to child health and interventions around issues such as obesity maltreatment and parenting The book ends by focusing on ethics of care in relation to older people and people with disabilities An insightful contribution to thinking about ethics for contemporary healthcare management and leadership this interdisciplinary book is of interest to readers with a background in healthcare business and management law bioethics and theology **Human Sexuality** United States Catholic Conference,1991 Provides educational and informational guidance on the difficult questions and problems involved with human sexuality

If you ally dependence such a referred **Moral Discernment Moral Decisions Guide** book that will have enough money you worth, get the unquestionably best seller from us currently from several preferred authors.
