

Moral Issues

IN MILITARY DECISION MAKING

SECOND EDITION, REVISED

ANTHONY E. HARTLE

Moral Issues In Military Decision Making

Elizabeth Hankins Wolgast

Moral Issues In Military Decision Making:

Moral Issues in Military Decision Making Anthony E. Hartle, 1989 discussion of the basic justification for the role of the military in American society Book Cover Moral Issues in Military Decision Making Anthony E. Hartle, 2004 Much has changed in warfare in recent years with America now dominant on the international scene and terrorism the new enemy In light of these changes the need for moral grounding in military actions is a more pressing concern than ever When it was originally published *Moral Issues in Military Decision Making* reflected the concerns posed by nuclear stalemate and the lessons of Vietnam In that highly praised work Anthony Hartle outlined the essential elements of the Professional Military Ethic created for American military forces In this new edition he reexamines the moral foundations for America's military leadership in the post 9 11 era Considering world affairs since the first edition the Gulf War Bosnia Afghanistan Iraq 9 11 and the emergence of the United States as an unrivaled military power Hartle explains how these events have raised ethical issues that differ dramatically from those of the Cold War by the war on terrorism homeland defense asymmetric warfare the proliferation of American military interventions and the UN's role in peacekeeping operations Using meticulously analyzed case studies twice as many as in the first edition he considers such moral dilemmas as torture challenging superior officers use of overwhelming force and responding to fire in the presence of civilian shields In this revision Hartle examines further the status of professional military ethics in light of current affairs changes in the articulation of military values and recent research In a new chapter on human rights he relates moral principles directly to values embedded in the Constitution and argues that overwhelming American military power cannot succeed unless it is accompanied by the moral force of the values it seeks to protect difficulties of applying conventional laws of war and human rights doctrine in military operations Hartle convincingly shows that national security is as much about the preservation of moral principles as it is about the protection of America's citizens and borders His book demonstrates that the American military must continue to observe those principles in order to be effective in its primary mission *Making the Military Moral* Don Carrick, James Connelly, David Whetham, 2017-09-08 This book offers a critical analysis both theoretical and practical of ethics education in the military In the twenty first century it has become increasingly important to ensure that the armed forces of Western and other democracies fight justly and behave ethically The good soldier has to be not only professionally skilled but morally intelligent At a time of relentless media scrutiny the publicising of incidents of morally and legally unacceptable behaviour such as the gross mistreatment of prisoners and the torture of suspected terrorists can do much to undermine the credibility of those who claim to hold the moral high ground in any particular conflict Written by an international team of academic theorists and military practitioners this volume provides interdisciplinary insights into the present state and the future of ethics education in the militaries of Western democracies The contributors critically address the central question of whether such education is sufficient to prepare members of the armed forces to face the peculiar challenges of conflict environments that are now

primarily wars among the people in which the opposing combatants may have little or no regard for human life and fail to discriminate between soldiers and civilians when choosing their targets Drawing lessons from recent examples of unethical conduct this original book offers insightful and constructive advice both theoretical and practical as to how situations can be improved and on the means that could and should be employed towards this end This book will be of much interest to students of military studies ethics and international relations

Moral Constraints on War Bruno Coppieters,Nick Fotion,2008-06-27 This second edition of Moral Constraints on War offers a principle by principle presentation of the trans cultural roots of the ethics of war in an age defined by the increasingly international nature of military intervention Parts one and two trace the evolution of Just War Theory analyzing the principles of jus ad bellum and jus in bello the principles that determine under what conditions a war may be started and then conducted Each chapter provides a historical background of the principle under discussion an explanation of the principle and numerous historical examples of its application In Part three case studies apply the theories discussed to NATO s humanitarian mission in Kosovo terrorism and the Iraq War Bringing together an international coterie of philosophers and political scientists this accessible and practical guide offers students of military ethics and international relations rich up to the minute insight into the pluralistic character of Just War Theory

Moral Constraints on War Carl Ceulemans,Bruno Coppieters,Nicholas Fotion,2020-01-30 This third edition of Moral Constraints on War offers a principle by principle presentation of the ethics of war as is found in the age old tradition of the Just War Parts one and two trace the evolution of Just War Theory analyzing the principles of jus ad bellum and jus in bello the principles that determine the conditions under which it is just to start a war and then conduct military operations Each chapter provides a historical background of the principle under discussion and an in depth analysis of its meaning More so than in the previous editions there is a special focus on the transcultural nature of the principles Besides theoretical clarifications each of the principles is also put to the test with numerous historical and contemporary examples In Part three Just War Theory is applied in three specific case studies the use of the atomic bomb against Japan in World War II the Korean War 1950 53 and the use of armed drones in the war on terror Bringing together an international coterie of philosophers and political scientists this accessible and practical guide offers both students of military ethics and of international relations rich up to date insights into the pluralistic character of Just War Theory

An Introduction to Military Ethics Bill Rhodes,2009-09-23 This comprehensive overview examines the many facets of military ethics as they are applied during times of armed conflict and times of peace An Introduction to Military Ethics A Reference Handbook presents the philosophical and conceptual foundations of military ethics offering an excellent foundation for exploration and discussion of these issues It focuses first on the 2 500 year legacy of the just war theory and its application through history It then moves to the application of that tradition in the modern era showing how acts of terrorism by nonstate participants require a new theory and way of thinking about when and how armed force can be justifiably employed Further the author analyzes how

new theories might alter the fundamental identity of traditional defensive military forces The book also addresses peacetime ethical issues such as gender integration and the role of religion in the military The book is essential reading for military officers and students as well as those policymakers who confront decisions about how to deploy military force during the War on Terror

Military Medical Ethics, Volume 1 , Violence Tobe Levin,2008 Emergent technologies including ambient intelligence and pervasive computing promise a considerable advance in the way people use virtual communities and new innovative applications are making virtual communities more dynamic and usable than ever Virtual Community Building and the Information Society Current and Future Directions offers a holistic approach to virtual communities providing relevant theoretical frameworks and presenting the latest empirical research on virtual technology infrastructures content modeling knowledge modeling content management context awareness mobility security and trust It also explores the social impact and applications of virtual communities providing valuable insights for professionals researchers and managers in fields including information systems computer science knowledge management software engineering healthcare business information and communication sciences education and sociology who want to improve their understanding of the strategic role of virtual communities in the information society

Conflict Neil D. Shortland, Laurence J. Alison, Joseph M. Moran,2019-01-02 Conflict How Soldiers Make Impossible Decisions is about making hard choices where all outcomes are potentially negative The authors draw on interviews conducted with soldiers about the situations they faced and the decisions they made at war These are vivid and sometimes distressing stories They form the data from which the authors explore the cognitive processes associated with choice commitment to action and sometimes error as well as goal directed thinking innovation and courage By referring to real cases Conflict invites readers to consider their own responses under extreme circumstances and ask themselves how they would choose between difficult options In doing so this book will go some way to helping readers understand what it feels like when choosing between least worst decisions

Developing Moral Sensitivity Deborah Mower, Wade L. Robison, Phyllis Vandenberg,2015-05-15 Moral sensitivity affects whether and how we see others note moral concerns respond with delicacy and navigate complex social interactions Scholars from a variety of fields explore the concept of moral sensitivity and how it develops beginning with a natural moral capacity for sensitivity towards others that is shaped in a variety of ways through relationships forms of teaching and social institutions Each of these influences alters the capacity as well as one's responses in complex ways The concept of moral sensitivity deepens as progressive chapters demonstrate its increasing complexity through development within individuals over time as they mature and as their relationships and social contexts expand The chapters integrate research from philosophy psychology neuroscience literature education and media and technology studies with key chapters by Darcia Narves Nancy E Snow Michael S Pritchard and Stephen J Thoma and a Foreword by Owen Flanagan It is the only comprehensive presentation of interdisciplinary work on moral sensitivity that integrates a theoretical methodological and pedagogical

analysis This highly interdisciplinary approach provides a new way of thinking about the relationship of individuals to society and moral sensitivity as a social phenomenon extending current research in ethics moral psychology and psychology toward situated embodied and contextual analyses

Torture and the Military Profession J. Wolfendale, 2007-10-04 Wolfendale argues that the prevalence of military torture is linked to military training methods that cultivate the psychological dispositions connected to crimes of obedience While these methods are used the military has no credible claim to professional status

Military Legitimacy Rudolph C. Barnes Jr, 2013-04-03 Focusing on the challenges faced by the US military in responding to operations other than war in the post Cold War era Rudolph Barnes makes a plea for the US government to address the organizational bias for combat and narrow traditionalist view of military professionalism within the Pentagon which he argues are serious obstacles to developing an effective capability for operations other than war He draws on examples from Vietnam to the mismanagement of US military involvement in Somalia

Military Chaplains' Review, 1991

Ethics of an Artificial Person Elizabeth Hankins Wolgast, 1992 We can freely cross disciplinary boundaries as well as the line between theory and practice and allow practices to cast their light back on the theory and show us its deficiencies In short this approach reorients some much discussed issues of professional business and military ethics and reveals them as variations on one deeply rooted theme The author does not treat current institutions as final and unalterable If these arrangements frustrate moral evaluation she finds that an argument for change To make intelligent changes however we need a clear view of the reasoning that makes them seem natural and inevitable That is what this book attempts to do In the process the author also reexamines the concept of person Not all cultures put so much stress on the idea as Western and particularly American cultures do If we wish to keep this emphasis then here is another argument for change

True Faith And Allegiance James H. Toner, 2014-04-23 James H Toner is professor of international relations and military ethics at the U S Air War College and author of *Morals Under the Gun*

Didactics of Military Ethics Thomas R. Elßner, Reinhold Janke, 2016-04-08 The Iron Curtain fell over a quarter of a century ago With it fell also the relatively straightforward Western assumption that war was going to be a bi polar symmetrical affair albeit one with nuclear overtones an assumption around which the training and education of military officers had hitherto been built The immediate post Cold War period showed officers wearing a blue rather than a green helmet negotiating with opponents whom they ought not to call enemies and keeping the peace in situations where there was no peace to keep Added to this was the phenomenon of international terrorism which manifested itself on the strategic rather than merely the tactical level Counter insurgency operations in Iraq and Afghanistan demonstrate how difficult it is to win the hearts and minds of the local population while subduing the enemy at the same time With the distinction between what is morally right and wrong becoming ever more blurred the moral dilemmas of officers and men have begun to multiply and the need to reconsider the basic assumptions and practices of military ethics education in this highly unpredictable world has become ever more urgent This volume arising

out of a conference held at the Centre for Leadership Development and Civic Education of the German Armed Forces attempts to address that need It offers the insights both of officers with combat experience and academics closely familiar with military training and uniquely bridges the gap between theory and practice in the teaching of military ethics

Utilitarianism and the Ethics of War William H. Shaw,2016-02-15 This book offers a detailed utilitarian analysis of the ethical issues involved in war Utilitarianism and the Ethics of War addresses the two basic ethical questions posed by war when if ever are we morally justified in waging war and if recourse to arms is warranted how are we permitted to fight the wars we wage In addition it deals with the challenge that realism and relativism raise for the ethical discussion of war and with the duties of military personnel and the moral challenges they can face In tackling these matters the book covers a wide range of topics from pacifism to armed humanitarian intervention from the right of national defense to pre emptive or preventive war from civilian immunity to the tenets of just war theory and the moral underpinnings of the rules of war But what is distinctive about this book is that it provides a consistent and thorough going utilitarian or consequentialist treatment of the fundamental normative issues that war occasions Although it goes against the tide of recent work in the field a utilitarian approach to the ethics of war illuminates old questions in new ways by showing how a concern for well being and the consequences of our actions and policies shape the moral constraints to which states and other actors must adhere This book will be of much interest to students of the ethics of war just war theory moral philosophy war and conflict studies and IR

Parameters ,2000 **War and Morality** Michael Cavanagh,2014-01-10 In democratic societies it is said that wars and military interventions are fought in the name of the citizens of the nation engaged in the conflict Yet ordinary citizens the major stakeholders in war are seldom provided with as much information for making and acting on their moral decisions about war as they are about many other national issues that affect them To fill the void this volume addresses the nature of conscience various moral norms a moral decision making process and the theoretical and practical issues involved in attempting to avoid war or at least to make it as moral as possible considering its nature By discussing how the morality of war differs from its political military economic and legal dimensions this unique work attempts to enable citizens to make informed decisions about declaring waging and ending war and to act on those decisions Instructors considering this book for use in a course may request an examination copy here

Partly Cloudy David L. Perry,2016-10-04 Partly Cloudy Ethics in War Espionage Covert Action and Interrogation explores a number of wrenching ethical issues and challenges faced by military and intelligence personnel It provides a robust and practical approach to analyzing ethical issues in war and intelligence operations and applies careful reasoning to issues of vital importance today not only for soldiers intelligence professionals and policy makers but also for the citizens they serve and protect This new edition has been updated throughout and includes new contents to deal with critical issues such as torturing detainees using espionage to penetrate terrorist cells mounting covert actions to undermine hostile regimes practicing euthanasia on the battlefield as mercy killing

or using targeted killings as a means to fight insurgencies Partly Cloudy provides an excellent introduction to the field for students instructors and practitioners who are interested in the ethical challenges faced by public servants

Right here, we have countless ebook **Moral Issues In Military Decision Making** and collections to check out. Moral Issues In Military Decision Making Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Moral Issues In Military Decision Making free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Moral Issues In Military Decision Making free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Moral Issues In Military Decision Making free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that

the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Moral Issues In Military Decision Making. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Moral Issues In Military Decision Making any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Moral Issues In Military Decision Making Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Moral Issues In Military Decision Making is one of the best book in our library for free trial. We provide copy of Moral Issues In Military Decision Making in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Moral Issues In Military Decision Making. Where to download Moral Issues In Military Decision Making online for free? Are you looking for Moral Issues In Military Decision Making PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Moral Issues In Military Decision Making. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Moral Issues In Military Decision Making are for sale to free while some are payable. If you arent sure if the books you would like to download works

with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Moral Issues In Military Decision Making. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Moral Issues In Military Decision Making To get started finding Moral Issues In Military Decision Making, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Moral Issues In Military Decision Making So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Moral Issues In Military Decision Making. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Moral Issues In Military Decision Making, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Moral Issues In Military Decision Making is available in our book collection an online access to it is set as public so you can download it instantly.
