Jonathan Edwards

More When A Little Bit Of The Spirit Is Not Enough:

More Alan Kraft,2014-09-10 The church is filled with people asking Is this it Is this all the Christian life is supposed to be They long to experience more of God s presence they just don t know how to get there Some have been burned by charismania Others are fearful of it Is there a way to experience the Spirit without the weirdness Author and pastor Alan Kraft provides a biblical pathway into the exhilaration of an everyday experience with the Holy Spirit showing how normal it can be to hear His voice know His love and walk in His power Learn how to hear God speak in personal ways and how to discern His voice Understand and experience what it means to be filled with the Spirit Be inspired and equipped to pray for the sick without feeling awkward or demanding Relax about topics like prophecy and speaking in tongues rather than feeling defensive or afraid

Breaking Out of Religious Christianity Duane Harlow,2006-10 Walking away from unfounded traditions self inflicted convictions and damning judgments will set you on a path toward personal victory in Christ As you recognize the bondage of religion you will feel the freedom and excitement that only He can provide and sustain Page 4 of cover
