This book nostalgic in tone explores the meaning of Kong and Godzilla as planetary saviors titanic protectors of a theoretical living Earth Gaia defending the globe from a prehistoric plague of adversaries My Life of Ministry, Writing, Teaching, and Traveling Mark G. Boyer, 2021-02-04 In My Life of Ministry Writing Teaching and Traveling The Autobiography of an Old Mines Missionary I present my life as a child growing up in a French village about sixty miles south of St Louis in the middle of the twentieth century After eighteen years of life in Old Mines the oldest settlement in the state of Missouri I moved to St Louis for four years and then to St Meinrad Indiana for four years where education opened my eyes to a world very much larger than my village of origin Life continued for me after ordination as a priest in the Roman Catholic Church in Springfield and Joplin Missouri Because my life is the thread stitching together this book I have made it manageable by dividing it into four categories ministry writing teaching and travel These categories contain the stories of others whose life threads of seventy years are woven into my lifetime tapestry. This is my autobiography one of a missionary from Old Mines to the thirty nine counties forming the southern third of the state of Missouri composed during my seventieth year of life **Supermac** D R Thorpe, 2010-09-09 Great grandson of a crofter and son in law of a Duke Harold Macmillan 1894 1986 was both complex as a person and influential as a politican Marked by terrible experiences in the trenches in the First World War and by his work as an MP during the Depression he was a Tory rebel an outspoken backbencher opposing the economic policies of the 1930s and the appearement policies of his own government Churchill gave him responsibility during the Second World War with executive command as Viceroy of the Mediterranean After the War in opposition Macmillan was one of the principal reformers of the Conservatives and after 1951 back in government served in several important posts before becoming Prime Minister after the Suez Crisis Supermac examines key events including the controversy over the Cossacks repatriation the Suez Crisis You ve Never Had It So Good the Winds of Change the Cuban Missile Crisis and the Profumo Scandal The culmination of thirty five years of research into this period by one of our most respected historians this book gives an unforgettable portrait of a turbulent age Shortlisted for the Orwell Prize Explorer's Guide Phoenix, Scottsdale, Sedona & Central Arizona: A Great Destination (Second Edition) (Explorer's Great Destinations) Christine Bailey, 2011-01-03 Among mountains and desert take in one spectacular natural wonder after another and capture the adventure of Arizona Imagine all the adventures you ll have in Arizona touring the mountains and red deserts seeing one spectacular natural wonder after another the Grand Canyon Organ Pipe Cactus National Monument Discover the art galleries museums resorts and cuisine that help make Phoenix and Scottsdale such hot Millennial Mythmaking John Perlich, David Whitt, 2010-03-08 Contemporary myths particularly science destinations fiction and fantasy texts can provide commentary on who we are as a culture what we have created and where we are going These nine essays from a variety of disciplines expand upon the writings of Joseph Campbell and the hero's journey Modern examples of myths from various sources such as Planet of the Apes Wicked Pan's Labyrinth and Spirited Away the Harry

Potter series and Second Life are analyzed as creative mythology and a representation of contemporary culture and Tracking Down the Holy Ghost Frank T. Griswold, 2017-11-01 Frank Griswold writes out of his emerging technology understanding that all things have the potential to reveal the Divine and the mystery of love that lies at the heart of the universe Though a teacher preacher recognized ecumenical and interfaith leader and former head of the Episcopal Church he describes himself as a seeker still a person under construction Griswold's opening words set the tone These pages are the fruit of my effort to gather up fragments from what I have learned along the way about myself about love and longing about God and God's ways with us If you are drawn as I have been to follow lines of spiritual motion perhaps the stories and reflections in these pages will be an encouragement along the way You may discover revelatory moments in your own life you have overlooked because they seem so ordinary and mundane Though not a memoir the book includes autobiographical material to give readers a sense of the writer as a friend and companion who shares their journey It also illustrates and brings to life various teachings drawn from the Great Tradition as well as contemporary authors and spiritual guides The Literary Underground: Writers and the Totalitarian Experience, 1900-1950 John Hoyles, 1991-06-15 This wide ranging interdisciplinary study explores the concept of totalitarianism in western thought from Rousseau to George Orwell taking its examples from twentieth century European literature Perspectives on Science and Christian Faith ,2007 **Form of Faith** James Prothero, 2017-07-14 The Form of Faith is a hybrid work part spiritual autobiography and part essay a style that stands in a long and honorable line going back to Lewis Newman and ultimately Augustine Moreover this work was created in response to the question that loomed large in the author's mind and with which he still wrestles how does one live a Christian witness in the twenty first century that is not culturally hijacked by political identification and can speak to the Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox s stirring autobiography millennial generation Confessions reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author s continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author's work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of
