Monty Python And Philosophy Nudge Nudge Think Think Popular Culture And Philosophy:

Monty Python and Philosophy Gary L. Hardcastle, George A. Reisch, 2006 Fifteen experts on topics like mythology Buddhism feminism logic ethics and the philosophy of science bring their expertise to bear on Monty Python movies This volume follows the same hit format as the other titles in this series and explains all the philosophical concepts in laymen s terms *Monty Python and Philosophy* Gary L. Hardcastle, 2010 Humour *How I Met Your Mother and Philosophy* Lorenzo von Matterhorn, 2013-12-10 Presents a collection of essays by philosophers about the television program How I Met Your Mother analyzing the personalities and behavior of its various characters from a moral and philosophical point of view *Pink Floyd and Philosophy* George A. Reisch, 2011-04-15 With their early experiments in psychedelic rock music in the 1960s and their epic recordings of the 1970s and 80s Pink Floyd became one of the most influential and recognizable rock bands in history As The Pink Floyd Sound the band created sound and light shows that defined psychedelia in England and inspired similar movements in the Jefferson Airplane s San Francisco and Andy Warhol s New York City The band s subsequent recordings forged rock music s connections to orchestral music literature and philosophy Dark Side of the Moon and The Wall ignored pop music s ordinary topics to focus on themes such as madness existential despair brutality alienation and socially induced psychosis They also became some of the best selling recordings of all time In this collection of essays sixteen scholars expert in various branches of philosophy set the controls for the heart of the sun to critically examine the themes concepts and problems usually encountered in the pages of Heidegger Foucault Sartre or Orwell that animate and inspire Pink Floyd s music These include the meaning of existence the individual s place in society the interactions of knowledge and power in education the contradictions of art and commerce and the blurry line the tragic line in the case of Floyd early member Syd Barrett died in 2006 between genius and madness Having dominated pop music for nearly four decades Pink Floyd s dynamic and controversial history additionally opens the way for these authors to explore controversies about intellectual property the nature of authorship and whether wholes especially in the case of rock bands are more than the sums of their parts *Bruce Springsteen and Philosophy* Randall E. Auxier, Douglas R. Anderson, 2011-08-31 Known as the working man s poet the Boardwalk prophet or simply the Boss If love is a banquet at which we feed Bruce Springsteen has provided much food for thought In this collection of metaphysical probes a gang of E street philosophers will undress Bruce s deeper mysteries like irresistible Jersey girls Can Springsteen settle the nature nurture debate through his song Born to Run What do the famous philosopher Ricouer and Springsteen have in common in their depiction of time These die hard Springsteen fans who just happen to be philosophers compile an entertaining handbook to the field of Springsteen studies covering topics like Springsteen s connection to Marx and the proletariat Springsteen s concept of the soul and his status as a poet **Facebook and Philosophy** D. E. Wittkower, 2010 Joseph Pitt likes Facebook and Philosophy **It's Always Sunny and Philosophy** Roger Hunt, Robert Arp, 2015-09-08 Philosophers wittily and expertly uncover amazing philosophical

insights from the endlessly fascinating TV show *It's Always Sunny in Philadelphia* Littmann shows how the values of the gang are the same as those of Homeric heroes Ketcham argues that the Church should make Charlie a saint partly because *It's Always Sunny* is all about free will Hamer shows how closely the gang's activities comply with the scientific method Alkema and Barkman analyze the way the gang perceives happiness and how they try to get it Leonard proves beyond doubt that the game of Chardee MacDennis reveals everyone's unconscious desires King examines the morality of the gang's behavior by the standard of how they respond to extreme suffering Chambers agrees that each of the five central characters is a terrible person but argues that given their circumstances they are not truly to blame for their actions Tanswell demonstrates that many of the gang's wrong actions result not from immoral motives but from illogical thinking Aylesworth uses examples from *It's Always Sunny* to bring out some of the moral problems with real consent to sex Jones reveals that Nietzsche foresaw everything the gang at Paddy's Pub would do Harley-Davidson and Philosophy Bernard E. Rollin, 2012-03-30 It's no wonder descriptions of riding often resemble the words of Asian mystics and Jedi knights The ride causes your senses to open completely You experience only the present the now Readers who prefer revving a Harley to meditating in a Zen garden know that biking is just as contemplative as chanting in the lotus position Here philosopher bikers explore this seeming dichotomy expounding on intriguing questions such as Why are the motorcycles the real stars of *Easy Rider* What would Marx and Foucault say about Harley riders tight leather garb What's it like to live a dual life as a philosophy professor who wrenches his own 1965 Electra Glide Would Jesus hang out in a biker bar or a coffeehouse And more importantly would He ride a Harley or a Honda These witty provocative essays give readers and riders a new appreciation of what it means to become one with the road *Orange Is the New Black and Philosophy* Richard Greene, Rachel Robison-Greene, 2015-08-17 This collection of eighteen chapters by talented philosophical minds probes some of the many lessons to be learned from *Orange Is the New Black* mostly the addictive Netflix comedy drama but with some attention to the best selling real life book by Piper Kerman The show and the book that inspired it both dramatically highlight the troubling stressful situation of millions of incarcerated Americans How do the show's shower scenes shed light on the classical mind/body problem How can we make our lives meaningful when our options are curtailed by authority What does it mean to manipulate someone and why is it bad What can we learn about the peculiarity of human beliefs from Pennsatucky's notion of the gay agenda Is Litchfield Prison a preparation for life outside or just a scale model of life outside What could the governors of Litchfield learn from Jeremy Bentham and his panopticon How is it that even in prison we find ourselves condemned to be free Why is one of the worst things about prison being forced to see who and what we really are It so happens that life in prison is absolutely full and overfull of philosophical implications *Orange Is the New Black and Philosophy* stays close to the characters and scenes of the TV show applying insights from ethics existentialism metaphysics epistemology and political philosophy The book is aimed at thoughtful fans of this amazingly fine TV show who want to learn more about its disturbing

issues **iPod and Philosophy** D. E. Wittkower,2011-08-31 The iPod is transforming the lives of millions changing their relationship to music and to each other In iPod and Philosophy 18 philosophers with diverse specialties and points of view bring their expertise to bear on this international cultural phenomenon They explore such questions as how individuals become defined by their iPods what the shuffle feature says about the role of randomness in people s lives and much more

The Text and Contexts of Ignatius Loyola's "Autobiography" John M. McManamon,2013-01-02 The book re evaluates the so called autobiography of Ignatius Loyola ca 1491 1556 against the backgrounds of the spiritual geography of Luke s New Testament writings and the culture of Renaissance humanism The analysis focuses on the language Ignatius used when dictating the text the events he chose to include or exclude and the cultures that helped to shape his spiritual emphases

Johnny Cash and Philosophy John Huss,David Werther,2011-08-31 Interest in the Man in Black has grown since his death in 2003 with increased record sales cover videos by groups like Nine Inch Nails and the 2006 biopic Walk the Line cementing his fame This book honors Cash by examining the many philosophical issues and concepts within his music From the gender confusion of A Boy Named Sue to the ethics of shooting a man just to watch him die philosophers who are fans of Johnny Cash explore the meaning and continuing importance of his work and legacy **Bullshit and Philosophy** Gary L.

Hardcastle,George A. Reisch,2011-09-30 Popular interest in bullshit and its near relative truthiness is at an all time high but the subject has a rich philosophical history with Hobbes Locke Hume and Kant all weighing in on the matter Here contemporary philosophers reflect on bullshit from epistemological ethical metaphysical historical and political points of view Tackling questions including what is bullshit what does it do is it a passing fad and can it ever be eliminated the book is a guide and resource for the many who find bullshit worth pondering **Doctor Who and Philosophy** Courtland Lewis,Paula

Smithka,2010-10-22 Not only is Doctor Who the longest running science fiction TV show in history but it has also been translated into numerous languages broadcast around the world and referred to as the way of the future by some British politicians The Classic Doctor Who series built up a loyal American cult following with regular conventions and other activities The new series relaunched in 2005 has emerged from culthood into mass awareness with a steadily growing viewership and major sales of DVDs The current series featuring the Eleventh Doctor Matt Smith is breaking all earlier records in both the UK and the US Doctor Who is a continuing story about the adventures of a mysterious alien known as the Doctor a traveller of both time and space whose spacecraft is the TARDIS Time and Relative Dimensions in Space which from the outside looks like a British police telephone box of the 1950s The TARDIS is bigger on the inside than on the outside actually the interior is immense The Doctor looks human but has two hearts and a knowledge of all languages in the universe Periodically when the show changes the leading actor the Doctor regenerates **Martial Arts and Philosophy** Graham

Priest,Damon Young,2010 Martial arts and philosophy have always gone hand in hand as well as fist in throat Philosophical argument is closely paralleled with hand to hand combat And all of today s Asian martial arts were developed to embody and

apply philosophical ideas In his interview with Bodhidharma Graham Priest brings out aspects of Buddhist philosophy behind Shaolin Kung Fu how fighting monks are seeking Buddhahood not brawls But as Scott Farrell s chapter reveals Eastern martial arts have no monopoly on philosophical traditions Western chivalry is an education in and living revival of Aristotelian ethical theories Several chapters look at ethical problems raised by the fighting arts How can the sweaty and brutal be exquisitely beautiful Every chapter is easily understandable by readers new to martial arts or new to philosophy

Girls and Philosophy Richard Greene,Rachel Robison-Greene,2014-12-09 The drama comedy show *Girls* often under rated by being perceived as *Sex and the City* for the Millennial generation has made TV history and provoked controversy for its pitilessly accurate portrayal of four oddly sympathetic twenty something female characters notable for their self absorption empathy deficits and ineptitude with relationships Among other breakthroughs it is the first show to depict the sex act among the alienated young as nearly always awkward and unfulfilling In *Girls and Philosophy* a team of diverse yet always sensitive empathic and ept philosophers approach the world of *Girls* from a variety of angles and philosophical points of view Underlying this New York world is the new reality of ambitious yet unfocused young people from comparatively advantaged backgrounds having their expectations chilled by the severe and prolonged economic recession The writers attack many fascinating issues arising from *Girls* including the meaning of authenticity in the twenty first century coming of age in a society with no clear guidelines for most of what matters in life *Girls* as the only TV show the pop culture hating professor Theodor Adorno might have admired feminist appraisals of these not very feminist characters and their frustrations what the wardrobes of the four mean philosophically how each of the four deals with the anxiety that comes from inescapable freedom whether we need to amend the traditional list of seven deadly sins in the context of present day New York how the speech of the Millennials illustrates Austin s theory of speech acts how the learning of Hannah Shoshanna Jessa and Marnie compares with the ancient Greek theory of the education of the young and of course why we once again find it natural to think of women in their early to mid twenties as girls

Led Zeppelin and Philosophy Scott Calef,2011-08-31 Led Zeppelin who bestrode the world of rock like a colossus have continually grown in popularity and influence since their official winding up in 1980 They exasperated critics and eluded classification synthesizing blues rock folk rockabilly funk classical country Indian and Arabic techniques They performed the alchemical trick of transmuting base led into gold and platinum and diamond They did what they would finding wisdom through personal excess and artistic self discipline Not a coda to Zeppelin s legacy but a blast of metaphysical graffiti as relevant today as the first time we heard the opening chords of *Stairway to Heaven* From Kant to Kashmir from Freud to Fool in the Rain Calef and company explore Zeppelin s music in an introspective suggestive manner worthy of both a blistering Page solo and a bawdy Bonham stomp BRANDON W FORBES co editor of *Radiohead and Philosophy* Led Zeppelin s albums personalities live performances art work myths influences and more all come under the microscope Compelling insights and observations add more depth to a subject that continues to thrill and

inspire Each chapter is driven by an unquenchable thirst for Zeppelin knowledge and pulls the reader deeper into the world of Led Zeppelin DAVE LEWIS editor Tight But Loose **The Wizard of Oz and Philosophy** Randall E. Auxier, Phil Seng, 2011-08-31 From the bedtime story by L Frank Baum to the classic 1939 film no story has captured the imaginations of generations of children and adults like The Wizard of Oz The story of Dorothy's journey through Oz the colorful characters places songs and dialogue have permeated popular culture around the world The contributors to this volume take a very close look at The Wizard of Oz and ask the tough questions about this wonderful tale They wonder if someone can possess a virtue without knowing it and if the realm of Oz was really the dream or if Kansas was the dream Why does water melt the Wicked Witch of the West and why does Toto seem to know what the other characters can't seem to figure out The articles included tackle these compelling questions and more encouraging readers to have discussions of their own **The Grateful Dead and Philosophy** Steve Gimbel, 2011-04-15 This book is another one of those late night Grateful Dead inspired dorm room conversations with friends only this time it's your professors sitting cross legged on the floor asking if anyone else wants to order a pizza The Grateful Dead emerged from the San Francisco counter culture movement of the late 1960s to become an American icon Part of the reason they remain an institution four decades later is that they and their fans the Deadheads embody deviation from social artistic and industry norms From the beginning the Grateful Dead has represented rethinking what we do and how we do it Their long free form jams stood in stark contrast to the three minute radio friendly formulaic rock that preceded them Allowing their fans to tape and trade recordings of shows and distributing concert tickets themselves bucked the corporate control of popular music The use of mind altering chemicals questioned the nature of consciousness and reality The practice of touring following the band from city to city living as modern day nomads presented a model distinct from the work a day option assumed by most in our corporate dominated culture As a result Deadheads are a quite introspective lot The Grateful Dead and Philosophy contains essays from twenty professional philosophers whose love of the music and scene have led them to reflect on different philosophical questions that arise from the enigma that is the Grateful Dead Coming from a variety of perspectives ancient and modern Eastern and Western The Grateful Dead and Philosophy considers how the Grateful Dead fits into the broader trends of American thought running through pragmatism and the Beat poets how the parking lot scene with its tie dyed t shirt and veggie burrito vendors was both a rejection and embrace of capitalism and whether Jerry Garcia and the Buddha were more than just a couple of fat guys talking about peace The lyrics of the Grateful Dead's many songs are also the basis for several essays considering questions of fate and freedom the nature nurture debate and gamblers ethics **The Lord of the Rings and Philosophy** Gregory Bassham, Eric Bronson, 2013-11-13 The Lord of the Rings is intended to be applicable to the real world of relationships religion pleasure pain and politics Tolkien himself said that his grand tale of wizards orcs hobbits and elves was aimed at truth and good morals in the actual world Analysis of the popular appeal of The Lord of the Rings on websites and elsewhere shows that

Tolkien fans are hungry for discussion of the urgent moral and cosmological issues arising out of this fantastic epic story Can political power be wielded for good or must it always corrupt Does technology destroy the truly human Is it morally wrong to give up hope Can we find meaning in chance events In *The Lord of the Rings and Philosophy* seventeen young philosophy professors all of them ardent Tolkien fans and most of them contributors to the four earlier volumes in the *Popular Culture and Philosophy* series address some of these important issues and show how clues to their solutions may be found in the imaginary world of Middle earth The book is divided into five sections concerned with Power and the Ring the Quest for Happiness Good and Evil in Middle earth Time and Mortality and the Relevance
