Mormonism Martin Wishnatsky,2003 The Mormon Deception John Ankerberg,John Weldon,2012-01-11 The Mormon Deception examines the LDS claim to be the only true church of Jesus Christ on the earth It shows how Mormon teaching on salvation conflicts with biblical teaching It also explains why Mormonism does not believe in the biblical Jesus Christ It further documents that Joseph Smith was a false prophet something that Mormonism agrees would undermine the very foundation of Mormonism *Deception by Design* Allen F. Harrod,2011-11-08 Deception by Design provides a comprehensive study of Mormonism exposes the surprising source of Joseph Smiths conversion story reveals the immense influence of others on Smiths beliefs equips evangelical Christians with principals for witnessing to Mormons Allen Harrod has written a wonderfully helpful and insightful book on Mormonism It is both original in its research as well as in its offering helpful conclusions and applications regarding the nature and history of the Church of Jesus Christ of Latter day Saints Dr R Philip Roberts president Midwestern Baptist Theological Seminary Deception by Design represents the best book I have seen in terms of explicating the beliefs and theology of Mormonism and at the same time providing superb approaches to presenting the claims of Christ to Mormons Dr Paige Patterson Southwestern Baptist Theological Seminary **Convicting the Mormons** Janiece Johnson,2023-04-06 On September 11 1857 a small band of Mormons led by John D Lee massacred an emigrant train of men women and children heading west at Mountain Meadows Utah News of the Mountain Meadows Massacre as it became known sent shockwaves through the western frontier of the United States reaching the nation s capital and eventually crossing the Atlantic In the years prior to the massacre Americans dubbed the Church of Jesus Christ of Latter day Saints the Mormon problem as it garnered national attention for its unusual theocracy and practice of polygamy In the aftermath of the massacre many Americans viewed Mormonism as a real religious and physical threat to white civilization Putting the Mormon Church on trial for its crimes against American purity became more important than prosecuting those responsible for the slaughter Religious historian Janiece Johnson analyzes how sensational media attention used the story of the Mountain Meadows Massacre to enflame public sentiment and provoke legal action against Latter day Saints Ministers novelists entertainers cartoonists and federal officials followed suit spreading anti Mormon sentiment to collectively convict the Mormon religion itself This troubling episode in American religious history sheds important light on the role of media and popular culture in provoking religious intolerance that continues to resonate in the present *The Mormon Mirage* Latayne C. Scott,2010-08-03 In the first edition of *The Mormon Mirage* Latayne C Scott shared her remarkable journey out of Mormonism as she uncovered shocking inaccuracies inconsistencies and contradictions in the faith she had loved and lived Thirty years later Mormonism and Mormon scholarship have evolved with the times In this third revised and updated edition of her well known book Scott keeps pace with changes and advances in Mormonism and reveals formidable new challenges to its claims and teachings *The Mormon Mirage* provides fascinating carefully documented
