Ministry In The Image Of God The Trinitarian Shape Of Christian Service:

Ministry in the Image of God Stephen Seamands, 2009-09-20 Merit winner in the 2006 Christianity Today Book Awards
As the Father has sent me so I send you Those of us called to Christian ministry are commissioned and sent by Jesus just as he himself was called and sent by the Father Thus we naturally pattern our ministries after Christ's example But distinctively Christian service involves the Spirit as well just as Jesus himself accomplished his ministry in the power of the Spirit Thus the whole Trinity Father Son and Holy Spirit gives shape to truly authentic Christian ministry Though as Christians we all affirm the doctrine of the Trinity many of us might struggle to explain how understanding the Trinity could actually shape our ministry Stephen Seamands demonstrates how a fully orbed theology of the Trinity transforms our perception and practice of vocational ministry Theological concepts like relationality and perichoresis have direct relevance to pastoral life and work especially in unfolding a trinitarian approach to relationships service and mission A thoroughly trinitarian outlook provides the fuel for our ministry of Jesus Christ to the Father through the Holy Spirit on behalf of the church and the world Essential reading for pastors parachurch workers counselors missionaries youth ministers and all who are called to any vocation of Christian ministry

Dancing in the Dark, Revised Edition Graham Buxton, 2016-11-08 Christians are often tempted to encapsulate God in their own little boxes as if God could be tied down to our finite way of thinking But we can neither domesticate nor fully understand God for theology has a lot to do with coming to terms with the mystery of God This revised edition of *Dancing in the Dark* shaped as in the first edition by the two overarching themes of God as Trinity and a theology of participation embraces the notion of mystery in presenting a compelling vision of seeing all things finally united within the inner life of

God As we engage in Christian ministry we are summoned to participate as grace filled faith communities in the triune God's immeasurably loving and healing work in the world leading those who are in darkness into an awareness of the God who imparts life in all its glorious abundance that which is so and a journey into the mystery of that which is to come The liberating ministry of the gospel is both a declaration and an invitation an invitation to the dance Evangelical Calvinism Dr. Myk Habets, Bobby Grow, 2017-05-04 Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike An Uncertain Certainty Graham Buxton, 2015-03-26 Many people in Christian ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst Leadership Mosaic Daniel Montgomery, Jared Kennedy, 2016-10-13 There's a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there's no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of

leadership God has called us to for the flourishing of our homes churches and workplaces **Exploring Ecclesiology** Brad Harper, Paul Louis Metzger, 2009-03 This evangelical and ecumenical ecclesiology survey text provides a comprehensive biblical historical and cultural perspective and addresses contemporary issues in church life *A Public Missiology* Gregg Okesson, 2020-04-21 How can Christians witness to the complexity of our world Gregg Okesson shows that local congregations are the primary means of public witness in and for the world As Christians move back and forth between their churches and their neighborhoods workplaces and other public spaces they weave a thick gospel witness This introduction to public missiology explains how local congregations can thicken their witness in the public realms where they live work and play Real life examples from around the world help readers envision approaches to public witness and social change *A Perichoretic Pastoral Theology* Jim Horsthuis, 2022-09-08 This book articulates a perichoretic pastoral theology offering a pastoral theological response to the question of how ministering persons practice ministry in communion with the triune God Key elements from contemporary pastoral theology theologies of human experience concern for human suffering and situational attentiveness are drawn into conversation with the doctrine of perichoresis Jim Horsthuis provides a vision for life and ministry in relational participational and spiritual communion with the Father Son and Holy Spirit The chapters explore four spiritual movements that foster this vision 1 the move from experience to relationship 2 the move from concern to presence 3 the move from competence to communion and 4 the move from practice to prayer The book represents a unique academic contribution to both pastoral theology and Trinitarian theology **Christian Spiritual Formation** Diane J. Chandler, 2014-04-04 This comprehensive theory and practice of Christian spiritual formation weaves together biblical and theological foundations with interdisciplinary scholarship real world examples personal vignettes and practical tools to assist readers in becoming whole persons in relationship with God and others [Inside the Leader's Head](#) Virginia T. Holeman, Stephen L. Martyn, 2010-09-01 Right relationships begin with the leader's spiritual maturity For better and worse the church is the family of God and as families congregations are also susceptible to the glories and dysfunctions of family living Some church family members can even sap the strength and drain the life from the leader's soul When pastors reel from wave after wave of real and perceived pressures the church family is set adrift with no firm foothold Using a system framework this book will show leaders ways they can develop spiritual emotional and relational stamina so that they can better minister to the family of God and help them walk through the inevitable dark valleys and continue to grow closer to God together From the Circuit Rider review Inside the Leader's Head does a masterful job of weaving psychological analysis and Wesleyan theology to produce a practical guide for leading a congregation For those who are new to family systems theory they provide an accessible and brief introduction to the subject For those who are familiar with the theory Holeman and Martyn cover familiar terrain from a refreshing perspective that shows how these themes are connected to the Trinity and holiness Click here to read the entire review **Canadian Pentecostals, the Trinity, and Contemporary Worship**

Music Michael A. Tapper, 2017-05-08 This volume offers a landmark analysis of the trinitarian impulses in contemporary worship music used by the Pentecostal Assemblies of Canada PAOC It considers whether the lyrics from the most commonly used PAOC songs are consistent with this Evangelical group's trinitarian statement of faith Colin Gunton's trinitarian theology provides the theological rationale for eight original and qualitative content analyses of these songs Three major areas are considered the doctrine of God human personhood and cosmology Making use of Gunton's notions of relationality particularity and perichoresis along with several key Pentecostal scholars this book serves as a helpful descriptive and prescriptive theological resource for the dynamic practice of a trinitarian faith *The Metaphor of Gender* Katherine

Knowles, 2015-02-06 Preachers mount the pulpit steps terribly

burdened by the conviction that they are somehow responsible for the growth and spiritual well being of their congregants How they ask themselves can mere words communicate the reality of God bring life to a congregation or foster spiritual growth This study argues that effective sermons function much like Jesus parables by bearing witness to divine power Parables and preaching both testify to something beyond themselves to a life giving dynamic that far outstrips the force of words alone Preachers are not go betweens or gatekeepers for the kingdom of heaven rather they imitate Jesus by dying to themselves in the very act of proclamation relying directly on God for their sermons to bear fruit As well as offering a novel interpretation of Jesus agricultural parables Of Seeds and the People of God presents a Christ shaped theology of preaching Beyond exegesis or rhetoric alone faithful proclamation is a question of spirituality of preachers and listeners together yielding to God's gift of new life The Pursuit of God's Own Heart John E. Leon, 2018-06-19 Only one man in the Old

Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13:22 Why Why would God give David such a characterization Wasn't he also a man of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God What does that character look like

This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel's history. But we will also discover something greater. As we travel with David, we will soon realize there is a larger story unfolding through David's story. It's God's metanarrative. His Story. We will find there is a deeper message from God that transcends David's life. The key that unlocks such a message is given to us long before David is born and spoken by God: "For those who honor me, I will honor, and those who despise me shall be lightly esteemed." (1 Sam 2:30). As we begin to understand the meaning of this truth, we will then learn why God gave David such a description. Therefore, it is through the lens of David's life we learn the meaning and purpose of the Christian life. Why? Because God did not intend such a divine inscription for David only, but one which our heavenly Father desires to write on your heart and mine as we pursue to know him.

It: Identity Trespass Dr. Jacqueline

DeLaney, 2016-01-30 Every human being has an innate call to be truly known as significant and loved by others. God has created and set this longing within us to be known for who we are. Knowing you is to know that your identity is in Jesus Christ because you were created in God's image. An individual's lack of this knowledge can result in a sociopsychological identity crisis and role confusion as characterized by social psychologist Erik Erikson. To know your identity is to know who you are and how you came to be you. Therefore, much of our emotional pain, turmoil, and dysfunctions in our personal lives are predicated on not knowing our true identity. Essentially, we make an effort to behave according to our self-concept and self-esteem, which are based on the versions of reactions we have received from others. Consequently, self-esteem points toward the distinction between one's perceived self-concept and with one's ideal self. Our sense of worth is initially tremendously impacted during our early years because we develop a vision of ourselves through the expressions we received by the significant people during those early years. Loving affirmations promote good self-identity, and being rejected can be the basis for a negative self-image later in life. Due to such unprocessed emotional trauma from our early years, many of us experience deficits in core longings. Also, these unprocessed emotional wounds impact our relationships with God, self, and others. Consequently, we need the aid of a structure that promotes the truth of God's esteem and to position us for emotional healing that positively impacts our identity in Christ. This book presents elements of a spiritual formational approach which incorporates the knowledge of core longings, self-fulfilling behaviors, and emotional wounds into a personal healing structure that impacts our Christian identity.

Perichoretic Salvation James D. Gifford, 2011-09-15

For two thousand years, Christian theologians have struggled to explain the believer's union with Christ. What sort of union is it? How can it be fully described? This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ. This book will argue that the believer's union with Christ can rightly be presented as a third type of perichoresis. Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other. In short, the doctrine of perichoresis preserves the unity and diversity within the Godhead. It is also

used to describe the hypostatic union of the divine and human in Christ In Perichoretic Salvation James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century *The Presence* Alec Rowlands,2014-08-22 Have you settled for far less of God than He wants to reveal Do you feel close to God in your everyday life or does He too often seem distant and silent Maybe like many Christians you live somewhere between those two extremes You occasionally sense God's presence but at other times feel as if He's a million miles away The wonder of closeness with God is available to you here and now In *The Presence* Alec Rowlands reveals the ways God makes His presence known how you can prepare for it and how experiencing it will transform everything As you draw near to God as you are consumed by His love and your life is rearranged by His grace you'll find fulfillment purpose and an unmatched sense of adventure If you're feeling a hunger for more of God you are already on your way to discovering He is good He is powerful He is here *Competencies for Leading in Diversity* Aiah Dorkuh Foday-Khabenje,2016-11-14 The patriarchal approach to leadership in the African context is indeed an enigma judging from the unpredictable outcomes and the quest for effective leadership In many ways the secularized big man in the public square is no different from the sacralised great man of God in the church The Lord Jesus Christ calls his followers to servant leadership The secular world has also established the efficacy of the servant leadership approach for cutting edge leadership This book looks at the nature of evangelical associations in their diversity and what it takes for leaders to build unity and harmony for effectiveness especially in the African context
