Somers, Janet E. Worthington, 2000-05-15 Another information packed time saving tool for teachers from the authors of Novels and Plays this book contains 30 teaching guides for some of the best literature commonly taught in grades 6 12 With initiating activities chapter by chapter discussion questions writing assignments and interdisciplinary extensions these are complete lesson plans For each book there is also a brief plot summary a critique lists of themes and literary concepts for teaching suggestions for outside reading and vocabulary study and lists of available print and electronic media resources *Reading the Bible Ethically* Eric J. Douglass, 2014-09-11 All interpretive systems deal with the author Modern systems consider the text to be autonomous so that it is disconnected from the author s interests In *Reading the Bible Ethically* Eric Douglass reconsiders this connection His central argument is that the author is a subject who reproduces her culture and her subjectivity in the text As the author reproduces her subjectivity the text functions as the author s voice This allows Douglass to apply ethical principles to interpretation where that voice is treated as a subject for conversation and not an object for manipulation He uses this to texture the reading process so that an initial reading takes account of the author s communication while a second reading critiques that communication **The Questions of Jesus** John Avery, 2023-01-14 A collection of fifty two questions that Jesus asked or that people asked Jesus arranged in two page chapters All come from the Gospels or Acts The book can be used like a devotional and would work well for group study in a small group or book club Understanding Jesus questions will help the reader to grow in spiritual maturity Some of Jesus parables are explained

because they provide answers to questions or raise questions themselves It provides something of a commentary on the most interesting questions in people s interactions with Jesus people like the Samaritan woman at the well Nicodemus and Mary and Martha What was Satan doing when he challenged Jesus If you are the Son of God Do you wonder what is the unforgiveable sin against the Holy Spirit What did Jesus mean by the sign of Jonah Jesus questions in the Sermon on the Mount are explored and many more too Jesus asked questions to engage His listeners or to challenge their thinking His disciples often wanted to understand Him but sometimes to use Him His opponents sharpened them as weapons against Him Some of Jesus questions seem stupid even rude they re not As always with Jesus there s more to everything He said than at first appears The interactions have lasting value too for us What lies behind the questions we sometimes ask God What do His questions teach us about ourselves His questions examine us and encourage us to think and live more like Him
