**Missionary Training Guide** Ian E. Benson, 1996      **Training Missionaries** Evelyn Hibbert, Richard

Hibbert, 2016-09-08 Missionaries must know God be able to relate well to other people understand and engage with another culture and be able to use the Bible in a way that informs all aspects of their lives and ministries Missionary training must address each of these areas if it is to help Christians to be effective in taking the gospel to the ends of the earth Effective training has been shown to prevent people from prematurely leaving the field It also reduces the danger of cross cultural workers uncritically exporting culturally bound forms of Christianity This book details four key areas that every missionary training program whatever its context must focus on developing It shows how these can be holistically addressed in a learning community where trainers and trainees engage in cross cultural ministry together      *The Mormon Quest for Glory*

Melvyn Hammarberg, 2013-07-18 What is it like to be a Mormon in America today Melvyn Hammarberg attempts to answer this question in *The Mormon Quest for Glory* by offering an ethnography of contemporary Mormons      *Reader's Guide to Periodical Literature Supplement* , 1921      **Missionary Training Guide** Rafielle Usher, Rev Rafielle E Usher M

*Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier

novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book
