Misreading Scripture With Western Eyes:

Misreading Scripture with Western Eyes E. Randolph Richards, Brandon J. O'Brien, 2012-07-31 Brandon O'Brien and Randy Richards shed light on the ways that Western readers often misunderstand the cultural dynamics of the Bible. Identifying nine areas where commonplaces of modern Western thought diverge with the text, the authors ask us to reconsider long-held opinions about our most beloved book. Summary of E. Randolph Richards & Brandon J. O'Brien's Misreading Scripture with Western Eyes Everest Media, 2022-04-16T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights 1. There are many differences between cultures, and these are typically easy to spot. However, there are also many differences between languages, and these are often more difficult to spot. 2. The cultural differences between the ancient Israelites and the modern world are harmless enough once we're aware of them. They can surprise and delight us. *Misreading Scripture with Individualist Eyes* E. Randolph Richards, Richard James, 2020-10-13 The Bible was written within collectivist cultures, and it's easy for Westerners to misinterpret or miss important elements. Combining the expertise of a biblical scholar and a missionary practitioner, this essential guidebook explores the deep social structures of the ancient Mediterranean, stripping away individualist assumptions and helping us read the Bible better.

Your Daughters Shall Prophesy Todd Korpi, 2023-03-29 In *Your Daughters Shall Prophesy*, Todd Korpi charts the course for what it means to come alongside female pastors and leaders in order to move beyond being a passive supporter to being a passionate advocate for Christian women. Drawing from theology, leadership studies, practical experience, and the testimonies of women in ministry, Korpi addresses some of the most pressing issues in egalitarian churches and organizations today. He answers pressing issues such as: Whether men really are the spiritual head of the home; How our best intentions to help can actually harm women in ministry; How Christians need a better script for lust, power, and sexuality. *Interpreting Scripture across Cultures* Will Brooks, 2022-06-17 The refugee that has come to your church, the pastor of the immigrant church in your town, and you yourself all come before the same Bible, even the same verse, and walk away with completely different understandings and applications. In an increasingly globalized and multicultural world, how can we learn to see beyond our own cultural influences, understand those of others, and learn from each other in order to better understand and apply the word of God? How do we stay faithful to the text when our contemporary cultural perspective is so different from the original author's? This book will enable you to understand the common pitfalls and dangers related to cross-cultural hermeneutics while also equipping you with principles and real-life examples for how to interpret Scripture in such situations. Additionally, given the fact that our world is increasingly digitized and people are less and less likely to read, we will consider the issue of oral hermeneutics and how those who can't read or choose not to read can interpret Scripture faithfully. *Queering the Pulpit* Karyn L. Wiseman, 2024-11-07 *Queering the Pulpit* addresses the huge gap between the Queer community and the church by looking at the historical, cultural, theological, and biblical issues that too often marginalize the Queer community.

After setting that contextual foundation the book addresses the clobber passages in the Hebrew Bible and the New Testament which are the texts that have been used to bash Queer folx Looking at these texts through new eyes is essential Using a Queer affirming process the book turns to creating a new process for establishing a foundation and understanding the diverse context into which sermons are delivered and heard Using a new exegetical approach to crafting Queer affirming sermons the preacher will be better able to preach sermons that invite Queer folx inspire other listeners to welcome all and bring the listener to a deeper relationship with the Divine and hopefully their Queer siblings If this book helps save one gay kid one trans woman of color or one couple exploring their faith and their Queer lives it will be worth everything it took to bring this book to reality

Preaching with Cultural Intelligence Matthew D. Kim, 2017-10-17 To preach effectively in today's world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegeting listeners and for exploring cultural differences

Teaching and Learning across Cultures Craig Ott, 2021-06-15 Representing the fruit of a lifetime of reflection and practice this comprehensive resource helps teachers understand the way people in different cultures learn so they can adapt their teaching for maximum effectiveness Senior missiologist and educator Craig Ott draws on extensive research and cross cultural experience from around the world This book introduces students to current theories and best practices for teaching and learning across cultures Case studies illustrations diagrams and sidebars help the theories of the book come to life

Transforming Communication Dr. Vee J. D-Davidson, 2022-07-19 Effectively communicate Christ across Cultures The gospel message transcends cultures but human communication does not In Transforming Communication missionary and professor Vee J D Davidson provides principles for the intercultural communication of Christ Using her twenty five plus years of experience teaching as a Westerner in Asia as a starting point Davidson provides transferable principles that encourage awareness of context specific issues and that see opportunities for intercultural communication as wholly unique opportunities regardless of any perceived communication barriers Readers from multiple different cultures will be able to apply the principles presented by use of relevant examples illustrations and enlightening insights provided from a wide range of Global South and Global North multicultural and intercultural perspectives Transforming Communication offers practical principles to encourage and challenge Christian readers to build relationships that might well require engaging with issues that bring them out of their comfort zone but the book also offers insights and encouraging devotional nuggets that feed into a triad of knowledge impartation self examination and challenge along with spiritual enrichment for the task

Hear Ye the Word of the Lord D. Brent Sandy, 2024-03-12 In today's

reading culture it is easy to forget that we receive God's message far differently from how the original hearers would have heard it. D. Brent Sandy explores how oral communication shaped biblical writers and ancient hearers and provides constructive ways for modern readers to be better hearers and performers of Scripture. *Interpreter: A Journal of Mormon Scripture, Volume 12 (2014)* Daniel C. Peterson, Jeffrey M. Bradshaw, Daniel Oswald, 2014-12-20 This is volume 12 2014 of *Interpreter: A Journal of Mormon Scripture* published by The Interpreter Foundation. It contains articles on a variety of topics including thoughts on reason and experience, two reviews of Wunderli's *An Imperfect Book*, a postmodernist reading of 1 and 2 Nephi axes mundi in Mesoamerica and the Book of Mormon, a review of Hartley's *Ng Mahi The Things We Need to Do*, a note on the name Judah and antisemitism, an LDS temple reading of the book of Job, a response to Grant Palmer's *Sexual Allegations* against Joseph Smith and the Beginnings of Polygamy in Nauvoo, the genetic legacy of America's indigenous populations and the Book of Mormon and the divine feminine in various texts including Mormon scriptures. **Biblical Foundations for Baptist Churches** John S. Hammett, 2019-02-26 An updated examination of ecclesiology from a Baptist perspective. In this useful book, professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church. Blending biblical teaching and practical ministry experience, Hammett presents a comprehensive ecclesiology from a historic Baptist perspective, examining crucial contemporary issues such as church discipline, the role of elders and church ministry in a post-Christian culture. This second edition contains updates throughout, including substantive changes to chapters on the nature of the church, Baptist church polity and deacons. An expanded chapter on baptism and the Lord's Supper. A thoroughly revised chapter on church models like multisite churches and missional churches. A brand new chapter on meaningful church membership. Head of the House: Merelyn Webber, 2022-09-15 Much has been written to counter the idea that women should assume leadership roles, whether in the church, home or workplace. Little, however, has been written to show how, in avoiding leadership, women might be abnegating their God-ordained role as coleaders with men. Women who want to know that they are walking in the fullness of God's will for their lives will need to answer this question for themselves: is it a sin for women to lead? In *Head of the House*, Merelyn Webber addresses the question: is it a sin for women to lead? She contends that the issue of equal opportunity for women and men to rule needs to be examined soberly by all and not left to the experts to decide. Derived from her personal relationship with Jesus, her years of experience of marginalization in ministry within the church, setting her years of study toward her MDiv and her call to ministry, Merelyn offers a Biblical perspective of women in ministry. *Head of the House* is a book about women. It is to women and for women. It is designed to help them understand for themselves what God and his word have to say about what he intends their roles in society to be. Hermeneutics Henry A. Virkler, Karelynne Gerber Ayayo, 2023-10-24 This textbook provides students and general readers with clear, accessible guidance for interpreting the Bible. With nearly 120,000 copies sold, it has become a trusted resource for serious students of the Bible. The authors' successful approach

shows how proper theory leads to sound practice This book gives readers not only an understanding of the principles of proper biblical interpretation but also the ability to apply those principles in sermon preparation personal Bible study or writing The authors outline a seven step hermeneutical process that includes 1 historical cultural analysis 2 written contextual analysis 3 lexical syntactical analysis 4 literary analysis 5 theological analysis 6 comparison with other interpreters and 7 application The third edition has been updated throughout to account for new developments in the field and to incorporate feedback from professors and students Exercises have also been updated and streamlined Resources for instructors are available through Textbook eSources

Cross-Cultural Missional Partnership Joshua

Bowman,2023-03-28 Cross cultural partnerships in today s global environment are both challenging and necessary Misunderstanding and miscommunication often lead to conflict between culturally diverse groups Christians must understand and evaluate their own culture the culture of others and the text of Scripture itself while remaining faithful to Scripture and relevant to culture Unmediated tensions combined with relational isolation lead to a myriad of problems This study proposes cross cultural missional partnership as a relationship that mediates these tensions thereby encouraging mutual faithful engagement in the mission of God Cross cultural tensions may never disappear but within a healthy partnership partners can assist one another in understanding and responding faithfully to Scripture Partners help one another more faithfully interpret and apply Scripture leading to obedience to God s will and engagement in God s mission within unique and diverse contexts

Who Are You, and Who Am I? Hannes Wiher,2024-12-20 In a globalized world with increasing migration and diaspora we live alongside a growing number of people from different backgrounds and cultures With these multicultural communities how do we live as good neighbours as well as share the love of God with cultural awareness and sensitivity Who Are You and Who Am I provides an in depth approach that makes accessible the knowledge needed for harmonious intercultural relationships evangelism and discipleship Hannes Wiher a renowned missiologist explores the concepts of worldview and identity drawing on communication theory philosophy anthropology theology and missiology to bring the practicalities of both to life and fruitfully apply these to Scripture theology and the church Missiologists missionaries and Christians in multicultural societies alike will find in this work a rich practical and accessible resource

An Asian Introduction to the New Testament Johnson Thomaskutty,2022-02-15

Understanding and assessing the New Testament writings from Asian viewpoints provides a unique and original outlook for interpretation of the Christian Scriptures To that end An Asian Introduction to the New Testament is the first book of its kind to take full account of the multireligious multiethnic

multilingual multicultural and pluralistic contexts in which Asian Christians find themselves Into this already complex world issues of poverty casteism class structure honor and shame aspects colonial realities discrimination against women natural calamities and ecological crises and others add more layers of complexity Perceiving the New Testament in light of these realities enables the reader to see them in a fresh way while understanding that the Jesus Movement emerged from similar social situations Readers will find able guides in an impressive array of more than twenty scholars from across Asia Working with volume editor Johnson Thomaskutty the authors make a clear case the kernels of Christianity sprouted from Asian roots and we must read the New Testament considering those roots in order to understand it afresh today **Reading the Bible**

in a Secular Age Julius-Kei Kato,2023-07-24 In a secular age which dismisses once revered matters such as Bible reading is there still a point to reading and studying Christianity s foundational text This book will answer an unequivocal Absolutely Why For us located in the West the Bible is a vital part of our spiritual ancestry a dominant idea of the book Hence learning how to read and interpret the Bible properly particularly the New Testament is like getting to know our spiritual ancestry better The main strategy that this work will suggest is to treat the New Testament as a metaphorical textual village where some of our most important spiritual ancestors continue to live If we learn some good strategies to communicate with them we will be able as it were to visit this village have meaningful conversations with our spiritual ancestors and thus become better grounded in our spiritual ancestry here in the West With that we can return to our secular context better equipped both to embrace and wrestle with that spiritual ancestry Hopefully that will also help us to create for ourselves a meaning system or spirituality that would be appropriate for our present world while being well grounded in our spiritual tradition

Jesus, Contradicted Michael R. Licona,2024-05-28 The differences and discrepancies in the Gospels constitute the foremost objections to their reliability and the credibility of their message Some have tried to resolve Gospels contradictions with strained harmonization efforts Many others conclude that the Gospels are hopelessly contradictory and therefore historically unreliable accounts of Jesus In Jesus Contradicted New Testament scholar Michael Licona shows how the genre of ancient biography to which the Gospels belong actually allows biographers to be flexible in how they report events construct a narrative and make an argument Licona demonstrates that the intentional changes to the Jesus tradition by the Evangelists reveal that the differences in how the Gospels report events are not grounds for their rejection Instead they are a result of the Gospel writers employing standard literary conventions common in their time for writing ancient biography Licona introduces readers to the genre of ancient biography through Plutarch who wrote 48 of the 90 extant biographies written within 150 years of Jesus giving numerous examples of compositional devices employed by Plutarch and comparing them with instances in the Gospels where the Evangelists appear to use similar techniques Licona also examines Theon s Progymnasmata a first century textbook that provides six techniques for paraphrasing one s sources when writing a narrative In doing so he helps readers understand why the Gospels report many events differently Finally Licona concludes by

addressing the thorny question of whether the editorial moves commonplace in ancient biography are compatible with the doctrines of the divine inspiration and the inerrancy of Scripture Rather than trying to resolve discrepancies by bending the Gospel narrative which risks making them say things they aren't saying Jesus Contradicted situates the Gospels within their proper context and helps readers account for differences in the Gospels in a cohesive and historically cogent way
