People realize that Hindu religion proves to be the remedy for the stressed mind with zero side effects. This is capable of offering a sound mental health and makes us free from stresses arising in today's complex life. This neither believes nor advocates conversion. By providing both English and Tamil versions of this book to children, they can compare and improve their skills in both the languages in addition to assimilating divine values. The books will also aid in shaping the character of an individual and help him hear his inner voice. A healthy mind at young age is capable of shaping the motherland collectively.
