Latinas Crossing Borders and Building Communities in Greater Washington Raúl Sánchez Molina,Lucy M. Cohen,2016-04-04 After crossing several borders Latina o immigrants and their children meet challenges of globalization as they acclimate to the Washington D C metropolitan area Facing different social and cultural barriers while adapting to this metropolis most of them meet these challenges by building transnational bridges that connect societies and cultures These circumstances have offered opportunities for anthropologists and other scholars to work together with community residents in activities that have

contributed to cultural knowledge and action *Latinas Crossing Borders and Building Communities in Greater Washington* Applying Anthropology in Multicultural Neighborhoods addresses how Latina o immigrants use a variety of strategies to meet adaptation challenges Drawing on ethnographic research and practices contributors highlight how Latinas and Latinos are building community while reshaping ethnic gender and generational identities They focus on models of collaboration and interaction in community centers healthcare the labor market education and faith based communities Teaching to Difference? The Challenges and Opportunities of Diversity in the Classroom Nicole E. Johnson, Stacey-Ann Wilson, 2014-08-11 Teaching to Difference The Challenges and Opportunities of Diversity in the Classroom offers a comparative perspective on the pedagogical and cultural issues in managing differences and diversity in the classroom Using reflections and experiential analysis the volume presents perspectives on the experiences of teaching and learning through differences of race ethnicity culture sexual orientation and gender language special needs and geography from contexts such as the United States Canada New Zealand and Israel The reflections are presented from the viewpoint of minority teaching professionals and white educators teaching diverse student populations ranging from K 12 to college students and pre service teachers This volume provides a lens into the questions reflections and experiences of teachers and practitioners when they encounter difference in the classroom The essays highlight the trepidation and frustration educators feel when they perceive themselves to be ill prepared for diversity in their classrooms However there are also essays of triumph and success when teachers feel they have reached their students in a meaningful way Additionally through the experiences depicted teachers describe their processes of connecting to students how they determined what worked and did not work in their journey and what they learned from the experience that continues to impact them Talking about Cultural Diversity in Your Church Michael V. Angrosino, 2001 Talking about Cultural Diversity in Your Church gives classes workshops or small groups the opportunity to discuss issues of multiculturalism Presenting what culture means in the first part of the book shows how understanding and misunderstandings of culture affect American society The heart of the book is eleven case studies with discussion questions These concrete cases allow participants to see about how their understandings of culture have real world implications And the discussion questions let participants talk in meaningful ways about these difficult issues Understanding Cultural Diversity in Today's Complex World Dr. Leo Parvis, 2005 No one in this country is untouched by the impact of diversity Yet as diverse as diversity is are too the many different emotions and attitudes evoked by diversity As a nation we are not well equipped to deal with the swirling transitions that are converging on us on a daily basis because of the nature of being the most diverse country in the world This text will well serve the purpose for many who decide to learn and teach the fundamentals of cultural diversity It will be beneficial for college students high school juniors and seniors and organizations whose ever changing workforce leads to the necessity of educating employees on how to deal with the diversity of employees and customers in a positive manner This timely publication is filled with current and relevant examples taken from pop

culture from TV shows song lyrics and poetry of the times These excerpts make this publication much more interesting and easy for the reader to relate to and understand *The Sage Encyclopedia of Multicultural Counseling, Social Justice, and Advocacy* Shannon B.
