Small Church, Excellent Ministry Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling. They are responsible for changing the world. Rather than look at the small number of members in their congregations as a limitation, pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God. *Small Church Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches. This book will help you to conduct your ministry with excellence. Written by practitioners and professors, the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches. **Letters**

to My Students Jason K. Allen, 2019-07-30 Few books have more influenced those called to gospel ministry than Charles Spurgeon's *Lectures to My Students*. This influence of this book, like the Prince of Preachers himself, reverberates to our present age. Carrying forward this tradition is Jason Allen's *Letters to My Students*. Dr. Allen serves as president of Midwestern Baptist Theological Seminary and Spurgeon College, the former ranking as one of the largest and fastest growing seminaries in North America. Dr. Allen has also served in multiple pastorates. His passion to serve the church by equipping a generation of pastors, missionaries, and ministers for faithful service is reflected in *Letters to My Students*. *Letters to My Students* is a biblically accessible guide for ministers and ministers in training. It brings both biblical and practical wisdom to bear on the minister's three main responsibilities: preaching, leading, and shepherding the flock of God. Martin Lloyd Jones famously described the call to ministry as the highest, greatest, and most glorious calling to which one can be called. If this assessment resonates with you, you'll want every available tool to strengthen your ministry. *Letters to My Students* is one such resource. *Shepherding the Pastor* Phil A. Newton, Rich C. Shadden, 2023-02-13 *Shepherding the Pastor* helps new and upcoming pastors understand the common challenges and pitfalls that arise in the early years of ministry and to face difficulties with faith, wisdom, and patience.

Lies Pastors Believe Dayton Hartman, 2017-10-09 Everyone is tempted to believe lies about themselves. For many pastors, the lies they're tempted to believe have to do with their identity: that God has called them to lead a movement that they must sacrifice their home life for their ministry life, or that their image as holy is more important than their actual pursuit of holiness. In *Lies Pastors Believe*, pastor and professor Dayton Hartman takes aim at these and other lies he has faced in his own ministry and seen other pastors struggle with. With a winsome and engaging style, Hartman shows current and future pastors why these lies are so tempting, the damage they can do, and how they can be resisted by believing and applying the truth of the gospel. *A Little Book for New Preachers* Matthew D. Kim, 2020-01-14

One of the central tasks of pastoral ministry is preaching the Word of God. Yet those who are called to ministry may feel unprepared, unable, or unwilling to step into this role. In this brief introduction to homiletics, seasoned preacher Matthew Kim provides proven insight and guidance about the importance and history of preaching, the characteristics of faithful preaching, and the personal habits of a faithful preacher. **Word-Centered Church** Jonathan Leeman, 2017-05-02 It's a question

hundreds of pastors ask every day What is the best way to grow A lot of books give a lot of answers but the best one comes from Scripture Word Centered Church brings that answer into sharp focus Written by Jonathan Leeman editorial director for the reputable ministry 9Marks Word Centered Church offers a thorough treatment of one of God s greatest concerns growing His people and growing His church As simple as the concept may seem it s one that many churches miss and to their own detriment Because when churches center everything they do on God s Word when the pulpit ministry gives direction to every aspect of the church s life growth happens God s way God s Word is what creates the church and it s what sustains it too Theological and practical Word Centered Church focuses on how the church hears responds to discusses implements and is transformed by Scripture It s not about high octane production superstar personalities or postmodern entreaties but stuff that is really old really good and really powerful Word Centered Church is the ministry model book that churches need because it advances the model God designed For anyone who wants to grow or help others grow Word Centered Church is indispensable
