the Road Kirsch recounts these suppressed and mistranslated tales in the grand storytelling tradition Here is the tale of Dinah the young Israelite daughter raped by a princely suitor The price for her hand in marriage The circumcision of every man in his kingdom Here too is the story of Lot's daughters who when faced with the possibility that they are the last survivors on earth must copulate with their drunken father to continue their race And the story of Tamar the harlot by the side of the road who must disguise herself as a prostitute and seduce her father in law in order to bear the child who has been promised her Kirsch places each story within the political and social context of its time and delves into the latest biblical scholarship to explain why each story was originally censored He also brings to light when and where each story was first written down and how it found its way into the Bible And he shows how these stories have something important to say to contemporary readers who might never pick up a Bible Kirsch reveals that the Bible's real power lies in its unflinching lessons in human nature And he illuminates the surprising modernity of the Bible's characters these were like us people delicately balanced between their destructive and generous natures Certain to excite controversy and ignite intellectual debate *The Harlot by the Side of the Road* will undoubtedly be one of the year's most talked about books *The Road Not Taken and Other Poems* Robert Frost, 2012-03-01 A treasury of Frost's most expressive verse In addition to the title poem *An Old Man's Winter Night* *In the Home Stretch* *Meeting and Passing* *Putting in the Seed* many more All complete and unabridged ***Roadscapes, a Sociopoetics of the Road*** Catherine Morgan-Proux, Leisha Ashdown-Lecointre, 2023-10-12 How do we imagine the road If the road inspires freewheeling adventure in the spirit of Jack Kerouac it can also be a site of our vulnerabilities This collection highlights the work of artists writers and filmmakers from the Anglophone world who have drawn upon the road as a cultural landscape The road reveals our sense of curiosity our anxieties our sorrows and our disquiet with modern technology or the power dynamics of class and gender This volume with a foreword by Jeremy Bassetti host of the award winning podcast *Travel Writing World* brings together international researchers and writers including two original poems by the French New Zealander poet Lynette Thorstensen This book will be of interest to students and scholars interested in 20th and 21st century art and culture particularly road narratives *The Spartacus Road* Peter Stothard, 2012-04-03 A classicist retraces the ancient journey taken by the Spartacus and his army of rebels through Italy in the first century BC Gladiator War In the final century of the first Roman Republic an army of slaves undertook a historic revolt Led by the gladiator Spartacus its success was something no one before had ever known *The Spartacus Road* is the route along which this rebel army outfought the Roman legions between 73 and 71BC bringing both fears and hopes that have never wholly left the modern mind It is a road that stretches through 2 000 miles of Italian countryside and out into 2 000 years of world history In this inspiring and original memoir the former editor of *The Times* Peter Stothard takes us on an extraordinary journey The result is a book like none other at once a journalist's notebook a classicist's celebration a survivor's record of a near fatal cancer and the history of a unique and brutal war As he travels along the Spartacus road through the
