On The Seventh Day God Rested And Watched Football:

On the Seventh Day God Rested and Watched Football! David Heller, 2015-08-31 The late esteemed columnist Mary McGrory once wrote Baseball is what we were Football is what we have become The notion that sports in general and football in particular represent a microcosm of our society is compelling indeed as we conjure thoughts of an intensively competitive society fast paced non stop action and only barely controlled aggression How are we to understand the role of football American style with stadiums brimming with the intensity of college alums and dedicated Sunday worshippers in our modern lives and in our contemporary rousing world of incessant stimulation Who better to address questions of football and society than youngsters ages 7 14 who absorb cultural trends and study the world around as a means of comprehending the complex and sometimes chaotic world of adults Moreover children also play football in great numbers whether simply in their backyards as participants in flag or touch football or as the primary players on the stage of the sometimes controversial youth tackle football with its charming miniaturization of adult football formations and its less endearing propensity for youth concussions and boorish adult sideline behavior Kids do know their Cam Newtons and Russell Wilsons with greater familiarity than they comprehend their Issac Newtons and Woodrow Wilsons so they are going to have much to offer about life on the gridiron whether as participants or as spectators Oh my youngsters do say some provocative insightful and often outrageously funny things about the game of football This book presents quite an impressive compilation of such comments as the children opine with alacrity about many varied football related subjects and characters from coaches to players to cheerleaders and owners Even the Commissioner of football is not left unscathed or unattended to Here are a few choice commentaries The car was invented so people could get to football games The best position to play is to be the owner for obvious reasons The best college tradition is kidnapping a dean from Notre Dame Football is like chess or checkers but the pieces got broken sometimes Football is like marriage but football has more rules Punt returns guys get their eyes examined every two months and they get their heads examined every week Youth football coaches are like Darth Vader with a whistle in his mouth The three main values of the NFL are freedom of running freedom of passing and freedom of raising ticket prices

There are poems about nature and fun experiences that hopefully make you smile or even laugh There are poems dedicated to our Heavenly Father to help everyone want to know Him better She started writing some of these poems while sitting out on the deck of my house She was staring up at the sky thinking about God and His creation of the heavens and earth when she felt inspired to just start writing what came to mind Over the span of a month she had written several poems She decided to publish the poems because of her battle with cancer to let everyone know that no matter what happens in life it will get better

Marie,2022-07-07 Today s world can get your mind tangled up in unhealthy habits obsessions and negativity However regardless of the trials this world may throw at you God has greatly blessed each and every one of us This workbook is all about learning how to see and remember these blessings because if we switch our focus from the world and train our eyes to look for God in the midst of our trials we will not only be following Scripture but also be given the power to overcome these trials Scripture also says that our gratitude blesses the Lord It says that every good and perfect gift comes from Him So if God is constantly blessing us don t you want to be a blessing to Him as well I know that I sure do Therefore this workbook s sole purpose is to illuminate our immeasurable blessings and aid us in praising His Mighty Name With thought provoking questions simple exercises and space for journaling this workbook is a wonderful tool Interspersed throughout with constant scripture it awakens the reader to the awe inspiring love of our Creator Christ Alive John Deane-O'Keeffe,2025-04-22

Christ Alive is a book of fifty two lessons for every week of the year that takes the reader on a clever humorous roller coaster voyage of discovery where Christ is consistently found in places where we might least expect or want From Vladimir Putin to prisons from psychopaths to the homeless with a little visit to our mums dads and the seven deadly sins along the way the breadth of the author s professional experience is unrivalled Accessing our human status anxiety the nothing people criminal behaviors and much much more there is a lesson included for every week of the year life lessons sure to have readers gripped with God at their center The author unashamedly confronts our modern day struggles and judgment of each other faith and God and tackles these topics from his spiritual academic and practical experience Some of the topics are light others are dark but all have one core conclusion at their heart Like The Beatles the author too concludes that love is all we need Then again as he says Christ has been saying this all along It s just that perhaps we haven t been listening **Image**
