The Spiritual Order of a Messy Church Santosh K. Marray, 2019-09-05 Spirituality discipleship and evangelism are three critical timeless disciplines used by the church to transform faith communities from followers to disciples and then to effective faith practitioners It is not always easy to cultivate these disciplines but as an empowered faith practitioner and doer of the Word each of us can learn how to be revitalized and transformed The Spiritual Order of a Messy Church is written for both laypeople and clergy who are intentionally pursuing personal and spiritual growth by using historic grounded themes practiced by the early church spirituality discipleship and evangelism Author Santosh K Marray describes the correlation between Acts 2 42 47 the classical model of the early church for spirituality discipleship and evangelism and the affirmations embodied in the baptismal covenant He describes how both laypersons and clergy can develop a personal spiritual order to govern their lives and translate that spiritual structure to the congregations they may be leading and with whom they worship In this challenging period where church growth is in decline especially in mainline churches The Spiritual Order of a Messy Church advocates a more robust spiritual engagement undergirded by a rule of order Spirituality appropriately defined as formed for Christ could be achieved through the user friendly approach advocated here The message of Jesus is that the authentic Christian is one who practices what she or he believes

Critical Essays on Edward Schillebeeckx's Theology Corneliu C. Simut, 2010-02-18 This book presents the main teachings of Edward Schillebeeckx widely considered one of the most important Catholic thinkers of the twentieth century Schillebeeckx is known for his radical departure from traditional theology which he saw as no longer relevant to the modern world Because today s world has been shaped by a process of secularization heavily based on reason and progress in science technology economics urbanism etc modern people seek relevant answers to their deep existential questions that can be explained rationally In his quest to foster relevant and meaningful answers for today s world Schillebeeckx changed the traditional metaphysical content of Christian theology into explanations that radically reinterpret traditional Christian doctrines Primarily the supernatural essence of Christianity is given up as irrelevant and is replaced by a natural perspective on the world In Schillebeeckx s thoroughly historical and truly immanent theology God is man s terrestrial future Christ the symbol of universal human values and the Church is identified with the world as those communities which share these universal human values Schillebeeckx is convinced that these explanations emptied of metaphysical content can help today s people understand their existence in a new relevant and meaningful way
