Ode to Four Four Two John McNicoll,2021-04-05 An Ode to Four Four Two Football s Simplest and Finest Formation examines how coaches in Europe and particularly England settled on the 4 4 2 formation to build iconic teams which would dominate both domestically and in Europe Formations have continually evolved since the birth of the game in the mid nineteenth century From teams playing with four or five forwards to the

modern era of teams with just the one Arguably the greatest formation has been 4 4 2 Some of the greatest teams have lined up in this multi functional system Flick through the football history books and it is filled with teams like AC Milan Manchester United Liverpool Leeds United and Barcelona all enjoying glorious eras playing 4 4 2 But it isn t just the elite of world football Who can forget Leicester City led by Claudio Ranieri reviving the system against all odds to outperform the Premier League s big six to claim a historic title in 2016 Author John McNicoll looks at how and why these teams used the formation to such effect How they dominated in their era to stand out from the rest It is the story of how teams both big and small in status have played the system to perfection Even the Defeats John Silk,2020-10-19 Even the Defeats is the story of how painful moments in Sir Alex Ferguson s early reign inspired him to lead Manchester United to some of their greatest successes A heavy 5 1 loss at Manchester City in Ferguson s early tenure led pundits and supporters to question the Scot s position but by the season s end he was holding aloft his first trophy at the club the FA Cup This trend continued when an end of season collapse handed Leeds United the league title in the spring of 1992 only to galvanise United to their first championship in 26 years the very next year From struggles in Europe to winning the treble from losing the title on goal difference to their city rivals to winning the Premier League in Ferguson s final season in charge rising from the depths of despair to achieve glory and using failure to fuel success was arguably Sir Alex s greatest strength John Silk brings you the inside story of what made Ferguson tick with views from players coaches and other members of staff from the great Scot s reign **Out of the Blue** Gary Thacker,2022-04-11 By the early months of 2012 it was clear that the appointment of Andre Villas Boas as head coach at Chelsea wasn t delivering the required success Instead the club was spiralling towards its worst season of the Roman Abramovich era On 4 March Villas Boas was dismissed with his former assistant Roberto Di Matteo made interim head coach until the end of the season Struggling in the league and with their place in the Champions League in peril it was an appointment designed to make the best of things until a permanent replacement could be sought in the summer Instead under Di Matteo s guidance Chelsea embarked on a run of performances that not only led to an FA Cup triumph but resurrected their European hopes with improbable victories over Napoli Benfica and Guardiola s all conquering Barcelona before against all odds winning the Champions League by defeating Bayern Munich in their own stadium This is the story of a triumph that came out of the blue **El Clasico: Barcelona v Real Madrid** Richard Fitzpatrick,2012-08-02 Barcelona and Real Madrid two of the most powerful and popular clubs in world football and one of the world s most bitter sporting rivalries Going far beyond the boundaries of just sport alone this is a rivalry at the heart of Spanish life taking in politics and culture and splitting a country in two El Cl sico gets to the heart of that rivalry investigating the intrigue the larger than life characters the key flashpoints and their consequences From civil war bloodshed to 40 years of fascism and links with General Franco the clubs shared history is the stuff of a Robert Harris novel and includes murdered presidents from both clubs player kidnappings acts of hooliganism and that s before you start thinking of the volatile football matches

themselves The book contains numerous interviews with key figures such as Lu s Figo and Hristo Stoichkov two of the main hate figures from both clubs Joan Laporta Barcelona s most successful president and having entered politics Catalan separatism s poster boy and various ex players ex managers agents referees hooligans editors historians sociologists filmmakers novelists photographers TV presenters and celebrity fans The two clubs are packed with international superstar players including the world s two best players in Leo Messi and Cristiano Ronaldo and 10 of the starting 11 players from Spain s 2010 World Cup final victory play with either Barcelona or Real Madrid This is a story with resonance around the sporting world with many instantly recognisable figures to an international audience such as Jose Mourinho But it is also a tale of a country divided by a bitter rivalry
