maritime mystery from Edward Marston author of the bestselling Railway Detective series Bombay 1909 Genevieve Masefield and George Dillman make a living as detectives aboard the early twentieth century's most extravagant ocean liners From the members of first class in all their finery to the card cheats and pickpockets plying their trade they've experienced more than their share of humanity For their latest voyage the Salsette boasts a pair of travellers who feign ignorance of each other but there is clearly no love lost between them Then there's an elderly man whose powers of deduction may be based on more earthly techniques than the mystical energy he claims to possess And there's a young woman and her mother who find their way into the middle of every bit of trouble aboard The lives of this group of travellers are set to intersect in ways none of them could have foreseen on dry land including in a murder Previously published under the name Conrad Allen the Ocean Liner series casts off for a new generation of readers [Braille Book Review](#) ,2010 [Clues from the Couch](#) Laird R. Blackwell,2022-06-27 The detective story the classic whodunit with its time displacement structure of crime according to most literary historians is of relatively recent origin Early in its development the whodunit was harshly criticized for its tightly formula bound structure Many critics prematurely proclaimed the death of the whodunit and even of detective fiction altogether Yet today the genre is alive as contemporary authors have brought it into modern times through a significant integration of elaborate character development and psychology With the modern psychological detective story emerging from the historical cauldron of detective fiction and early psychology the genre continues to develop a complexity that reflects and guides the literary sophistication needed This book the first of its kind analyzes over 150 whodunit novels and short stories across the decades from The Moonstone to the contemporary novels that saved the genre from an ignominious death
