Methods For Exodus Methods In Biblical Interpretation:

Methods for Exodus Thomas B. Dozeman, 2010-03-08 *Methods for Exodus* is a textbook on biblical methodology. The book introduces readers to six distinct methodologies that aid in the interpretation of the book of Exodus: literary and rhetorical genre, source and redaction, liberation, feminist, and postcolonial criticisms. Describing each methodology, the volume also explores how the different methods relate to and complement one another. Each chapter includes a summary of the hermeneutical presuppositions of a particular method with a summary of the impact of the method on the interpretation of the book of Exodus. In addition, Exodus 1, 2, and 19:20 are used to illustrate the application of each method to specific texts. The book is unique in offering a broad methodological discussion with all illustrations centered on the book of Exodus.

Methods for Luke Joel B. Green, 2010-02-26 In *Methods for Luke*, four leading scholars demonstrate how different interpretive methods provide insight into the Gospel of Luke. Introducing contemporary perspectives on historical criticism, feminist criticism, narrative criticism, and Latino interpretation, they illustrate these approaches to New Testament study by examining either the Parable of the Rich Man and Lazarus (Luke 16:19-31) or Jesus' warning regarding the scribes and the story of the women with two small coins (Luke 20:45-21:4). The use of two set texts enables readers to understand how method makes a difference in the reading of the same text.

Methods for Matthew Mark Allan Powell, 2009-07-27 *Methods for Matthew* offers a primer on six exegetical approaches that have proved to be especially useful and popular. In each case, a prominent scholar describes the principles and procedures of a particular approach and then demonstrates how that approach works in practice, applying it to a well-known text from Matthew's Gospel.

The ^AOxford Handbook of Biblical Narrative Danna Fewell, 2016-05-30 *The Oxford Handbook of Biblical Narrative* is a state-of-the-art anthology that highlights biblical narrative's aesthetic characteristics, its ethical and religious appeal, its organic qualities as communal literature, its witness to social and political negotiation, and its uncanny power to affect readers and hearers across disparate time frames and global communities.

Essential Bible Study Tools for Ministry Professor David R. Bauer, 2014-03-18 This up-to-date, highly selective bibliography is designed to acquaint students and ministers with major works, significant publishers, and prominent scholars in biblical studies. It is the perfect guide for beginning a research project or building a ministerial library. References are included based on the following considerations: 1. usefulness for the theological interpretation of the Bible within the context of the faith of the church; 2. significance in the history of interpretation; and 3. representation of evangelical and especially evangelical Wesleyan scholarship.

A Theological Introduction to the Pentateuch Richard S. Briggs, Joel N. Lohr, 2012-03-01 In this concise volume, a team of fresh Old Testament voices explores the theological dimensions of the Pentateuch and provides specific examples of critically engaged theological interpretation. This Pentateuch text is unique in that it emphasizes theological reading, serving as an affordable supplement to traditional introductory Pentateuch texts. Each chapter introduces theological themes and issues in interpretation, then offers exegesis of one or two representative passages.

to model theological interpretation in practice This useful text will be valued by students of the Old Testament and the Pentateuch as well as pastors

Fortress Commentary on the Bible set Gale A. Yee, Cynthia Briggs Kittredge, David A. Sanchez, Hugh R. Page Jr., Margaret Aymer, Matthew J. M. Coomber, 2015-06-02 The *Fortress Commentary on the Bible* The Old Testament and Apocrypha and *Fortress Commentary on the Bible* The New Testament present a balanced synthesis of current scholarship on the Bible enabling readers to interpret scripture for a complex and pluralistic world Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context discuss the themes in each book that have proven most important for the Christian interpretive tradition and introduce the most pressing questions facing the responsible use of the Bible today The writers are renowned authorities in the historical interpretation of the Old and New Testaments sensitive to theological and cultural issues arising in our encounter with the text richly diverse in social locations and vantage points representing a broad array of theological commitment Protestants Catholics Jews and others and alive to the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to date and comprehensive bibliographies for each book and essay

The Liberation of Method David Janzen, 2021 The field of biblical studies has championed the historical critical method as the only way to guarantee objective interpretation But in recent decades scholars have pursued hermeneutical approaches that provide interpretations useful for marginalized communities who see the Bible as a resource in their struggles against oppression Such liberative strategies remain on the margins *The Liberation of Method* argues that this marginality must end and that liberative methods should become central to biblical studies

Fortress Commentary on the Bible Matthew J. M. Coomber, Hugh R. Page Jr., Gale A. Yee, 2015-04-01 The *Fortress Commentary on the Bible* Old Testament and Apocrypha presents a balanced synthesis of current scholarship enabling readers to interpret Scripture for a complex and pluralistic world The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of the Scripture with sensitivity to theological cultural and interpretive issues arising in our encounter with the text The contributors represent a broad array of theological commitment Protestants Catholics Jews and others The introductory articles and section introductions in the volume discuss the dramatic challenges that have shaped contemporary interpretation of the Old Testament and Apocrypha Individual book articles provide an introduction and commentary on key sense units that are explored through the lenses of three critical questions The text in its ancient context What did the text

probably mean in its original historical and cultural context The text in the interpretive tradition How have centuries of reading and interpreting shaped our understanding of the text The text in contemporary discussion What are the unique challenges and interpretive questions that arise for readers and hearers of the text today The result is a commentary that is comprehensive and useful for preaching teaching and research *The Oxford Encyclopedia of the Books of the Bible* Michael D. Coogan, 2011-12-08 The field of biblical studies is dynamic with new discoveries new methodologies and new perspectives continually enhancing the interpretation of the Bible There is thus a need for an up to date comprehensive authoritative and balanced series of reference works for biblical scholars and students The two volume Oxford Encyclopedia of the Books of the Bible is the first in this series of specialized reference works each addressing a specific subfield within biblical studies The series aims to produce high level scholarly reference works that are accessible and in depth going beyond the basics to provide more specialized coverage Books of the Bible provides a single source for authoritative reference overviews of scholarship on some of the most important topics of study in the field of biblical studies The Encyclopedia contains almost 120 in depth entries ranging in length from 500 to 10 000 words on each of the canonical books of the Bible major apocryphal books of the New and Old Testaments important noncanonical texts and thematic essays on topics such as canonicity textual criticism and translation Books of the Bible has extensive cross references to other useful points of interest within the Encyclopedia and comprehensive lists of abbreviations and an index for ease of use Illustrations of various types supplement the text and enhance its appeal Bibliographies for all entries further add to its usefulness

Ezekiel's Vision Accounts as Interrelated Narratives Janina Maria Hiebel, 2015-06-16 Ezekiel is one of the best structured books in the Old Testament It is commonly recognized that the strongly interrelated vision accounts Ez 1 1 3 15 8 11 37 1 14 40 48 contribute greatly to this impression of unity However there is a marked lacuna in publications focusing on the vision accounts in Ezekiel as an interconnected text corpus The present study combines redaction critical analysis with literary methods that are typically used in a synchronic approach Drawing on the paradigm of Fortschreibung it is the first to present a united redaction history that takes into account the growing interconnections and dependencies between the vision accounts Building on these results the second part follows the development of selected themes such as the relationships between characters the roles of intermediate figures and anthropological and theological implications throughout the stages of redaction The study thus represents an important step towards an understanding of the complex redaction history of the book of Ezekiel and indeed of its theology The combination of diachronic and synchronic methods makes it relevant for scholars of both directions and is itself a methodological statement **Introducing the Old Testament** Rolf A. Jacobson, Michael J. Chan, 2023-03-14 This lively engaging introduction to the Old Testament is critical and theological lavishly illustrated and accompanied by a variety of pedagogical aids It serves as the Old Testament counterpart to Mark Allan Powell's successful *Introducing the New Testament* over 105 000 copies sold *Introducing the Old Testament* presents

disputed and controversial issues fairly neither dictating conclusions nor privileging skepticism over faith based perspectives The full color interior is illustrated with photographs and fine art and includes sidebars maps a glossary and further reading suggestions A companion website through Baker Academic s Textbook eSources features a wealth of additional resources for students and instructors Resources for students include chapter objectives study questions flash cards and self quizzes Resources for professors include chapter objectives discussion prompts pedagogical suggestions PowerPoint slides and a test quiz bank

Journal for the Evangelical Study of the Old Testament, 7.1 Russell Meek, 2021-05-13 Journal for the Evangelical Study of the Old Testament JESOT is a peer reviewed journal devoted to the academic and evangelical study of the Old Testament The journal seeks to fill a need in academia by providing a venue for high level scholarship on the Old Testament from an evangelical standpoint The journal is not affiliated with any particular academic institution and with an international editorial board open access format and multi language submissions JESOT cultivates and promotes Old Testament scholarship in the evangelical global community The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds Dead Sea Scrolls Rabbinics Linguistics Septuagint Research Methodology Literary Analysis Exegesis Text Criticism and Theology as they pertain only to the Old Testament JESOT also includes up to date book reviews on various academic studies of the Old Testament Table of Contents ARTICLES Poetry and Emotion in Psalm 22 Part One Joel Atwood Mis understanding Sailhamer Kevin Chen The Non Royal Portrayal of Moses in the Pentateuch Gregory Goswell Connecting Khirbet Qeiyafa to the Proper Israelite King Sauline Stronghold or Davidic Fortress Douglas Petrovich BOOK REVIEWS **The Pentateuch** Thomas B.

Dozeman, 2017-03-17 The Pentateuch is the heart of the Hebrew Bible and the foundational document of Judaism It is also the focus of tremendous scholarly debate regarding the complex history of its composition This history will be explored along with analysis of the historical background and ancient Near Eastern parallels for its primeval history its ancestry narratives and laws the theological purposes of its final redaction and its diverse interpretation in communities today This textbook introduces students to the contents of the Torah and orients them to the key interpretive questions and methods shaping contemporary scholarship inviting readers into the work of interpretation today Pedagogical features include images maps timelines reading lists and a glossary **The Historical-Critical Method: A Guide for the Perplexed** David R.

Law, 2012-04-26 Historical Critical Analysis is the main way in which the Bible both the Hebrew Bible Old Testament and the New Testament has been examined and read by scholars in the last century The term refers to a range of methodologies which examine the origins of biblical texts in relation to other contemporaneous texts to form critical approaches and to questions of authorship audience and authenticity The aim is to get as close to the original text and its original meaning as possible For many years Historical Critical Method has been the cornerstone upon which biblical scholarship is built even as modern studies examine other theoretical approaches to reading the text in history tradition and from different audience

perspectives the Historical Critical Method still presents the crucial starting point for students and scholars *The New Cambridge Companion to Biblical Interpretation* Ian Boxall,Bradley C. Gregory,2022-12-22 This Cambridge Companion offers an up to date and accessible guide to the fast changing discipline of biblical studies Written by scholars from diverse backgrounds and religious commitments many of whom are pioneers in their respective fields the volume covers a range of contemporary scholarly methods and interpretive frameworks The volume reflects the diversity and globalized character of biblical interpretation in which neat boundaries between author focused text focused and reader focused approaches are blurred The significant space devoted to the reception of the Bible in art literature liturgy and religious practice also blurs the distinction between professional and popular biblical interpretation The volume provides an ideal introduction to the various ways that scholars are currently interpreting the Bible It offers both beginning and advanced students an understanding of the state of biblical interpretation and how to explore each topic in greater depth Lee Edelman and the Queer Study of Religion Kent L. Brintnall,Rhiannon Graybill,Linn Marie Tonstad,2023-12-07 This book takes the groundbreaking work of Lee Edelman in queer theory and for the first time demonstrates its importance and relevance to contemporary theology biblical studies and religious studies It argues that despite extensive interest in Edelman s work we have barely begun to understand the significance of Edelman s ideas both in their own right and with respect to the study of religion Therefore it offers fresh approaches to Edelman s work that necessarily complicate the established interpretations of his thinking With essays by rising and established scholars as well as a response by Edelman himself it contends that by fully engaging Edelman scholars of religion will have to confront negativity and its consequences in ways that will contribute to reshaping the terrain of scholarship on religion race sexuality and social change The insights provided in this book are new territory for much of the study of religion As such it will be of keen interest to scholars of religious studies theology and Biblical studies as well as gender studies and queer feminist and critical race theory *Elisha's Profile in the Book of Kings* Keith Bodner,2013-07-25 Elisha s Profile in the Book of Kings uses the tools of literary criticism to read the Elisha narrative as an integral component of the Deuteronomistic History compiled in the aftermath of the Babylonian invasion and destruction of Jerusalem in 586 BCE From his investiture in 1 Kings 19 to his final cameo in 2 Kings 13 Elisha the prophet has one of the most extensively narrated careers in Israel s royal history During a particularly dark and contested era where the corrupt northern kings hold sway Elisha enters the ideological battleground and boldly raises his voice and performs remarkable signs to stem the tide of injustice and religious inconstancy Empowered by a double portion of his master Elijah s spirit Elisha is a double agent who continues the task of dismantling the Omride dynasty Moving between the international stage and more domestic locales Elisha travels widely and interacts with a host of characters from virtually every socio economic category visiting foreign capitals and cities under siege as well as wealthy homes and obscure villages With actions that range from feeding a multitude to mind reading and raising the dead Elisha s performance eclipses that of his master

and ensures a lasting place in ancient Israel's prophetic heritage *Irony in the Bible* ,2023-03-13 It is generally agreed that there is significant irony in the Bible. However, to date, no work has been published in biblical scholarship that on the one hand includes interpretations of both Hebrew Bible and New Testament writings under the perspective of irony and on the other hand offers a panorama of the approaches to the different types and functions of irony in biblical texts. The following volume: 1. reevaluates scholarly definitions of irony and the use of the term in biblical research; 2. builds on existing methods of interpretation of ironic texts; 3. offers judicious analyses of methodological approaches to irony in the Bible; and 4. develops fresh insights into biblical passages. **The Transformation of Tēhôm** Rosanna Lu, 2024-10-07 Tehom, the Hebrew Bible's primeval deep, is a powerful concept often overlooked outside of creation and conflict contexts. Primeval waters mark the boundary between life and death in the Hebrew Bible and the ancient Near East, representing the duality of both deliverance and judgment. This book examines all contexts of Tehom to explain its conceptual forms and use as a proper noun. Comparative methodology combined with affect and spatial theories provides new ways to understand how religious communities repurposed Tehom. These interpretations of Tehom empower resilience in times of suffering and oppression.

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, Experience Loveis Journey in **Methods For Exodus Methods In Biblical Interpretation** .
