International Perspectives on Ethical Educational

Leadership Brandy Yee,Dianne Yee,2024-10-07 This book considers ethical educational leadership dilemmas that impact the workplace cultures influencing school districts success As school systems become increasingly demographically racially and culturally diverse the need intensifies for educational leaders to lead their school communities in an ethical manner developing workplace cultures characterized by psychological and emotional safety Based on research and extensive experience working with school districts in Canada Germany Finland and the United States Yee and Yee deliver vignettes from various school contexts illustrating ethical leadership dilemmas and leader responses indicative of both toxic and healthy workplace cultures Finally the authors present key lessons learned from healthy educational workplaces illustrating next steps and a call to action for implementing and maintaining ethical school district leadership practices

Freemium

Dave Boyce,2025-08-26 A Next Big Idea Club Must Read for August 2025 Competing in tech today requires an understanding of product led growth Companies like Dropbox Zoom Slack Atlassian and DocuSign grew into multibillion dollar companies using the 3 step Freemium product strategy 1 instead of hiring an expensive sales force give away software for free 2 let happy users tell others 3 offer a premium subscription version producing a recurring revenue stream Over the last three decades Freemium strategy has evolved into a practice known to tech industry insiders as product led growth which Harvard Business School Lecturer Frank Cespedes calls probably the fastest growing go to market model for businesses globally Freemium is the authoritative guide to product led growth written by Silicon Valley entrepreneur and Harvard MBA Dave Boyce who teaches the first MBA level course on the topic Freemium explains how to develop a product that can sell itself how to ward off competitors and how to seamlessly move upmarket selling to larger customers It details how the product

itself instead of expensive employees can be used for customer onboarding customer service and customer retention Freemium also details how non software companies and enterprise sales led companies are combining product led growth tactics with more traditional go to market initiatives Competing in nearly every tech related industry today requires an understanding of the principles of product led growth Freemium is the comprehensive practical handbook for this unicorn building strategy

Design Leadership Ignited Eric Quint, Gerda Gemser, Giulia Calabretta, 2022-02-08 Design leadership at scale requires leaders who design the design function establish a thriving environment for the creative team and shape the design organization to drive progress advance innovation and enhance meaningful customer experiences To examine the foundations of successful design leadership the authors performed extensive in depth interviews with design leaders working for Fortune 500 organizations across industries Based on these insights Design Leadership Ignited delineates a pathway to design excellence which includes establishing a forward looking strategy and an adequate organizational structure for the design function empowering the design team and scaling the impact of design across the entire organization This book takes the position that a core challenge in the journey towards design excellence is the need to recognize and balance the often contradictory objectives and activities that design leaders encounter Combining their practitioner experience and research the authors provide a framework to embrace the complexity of design leadership that will elevate design at scale
